MAC ARTHUR PROPHECY NO. 4

By Henry H. Klein
(Copyright 1951 by Henry H. Klein)

Washington, D.C. January 15, 1953—President elect MacArthur and his immediate staff, arrived this morning. They are lodged in Wardman Park. They will remain there until the morning of the 20th, when they will be driven to the Capitol where the President elect will take the oath of office.

The President elect is well guarded by a retinue of his Philippine command and some of the members of his Rainbow division. The city is filled with people who still believe that last minute steps will be taken to prevent MacArthur's inauguration. They are on edge expecting something sensational. MacArthur has defied the powers that be since he arrived from Japan early in 1951. His speech in Boston on July 15th that year, sounded the keynote of his campaign to rescue the United States from alien control and restore its economy. He said in that speech that he was warned not to tell the people too much. MacArthur's campaign speeches emphasized his purpose and resulted in his overwhelming election.

MacArthur studied world economics while in Japan where he limited the fortunes of those in economic control and restored an economic balance. How far he will go toward accomplishing this result in the United States after inauguration, remains to be seen. He can advocate a constitutional amendment limiting excessive private fortunes in order to wipe out the largest share of our public debt, or he can advocate immediate confiscation of all private fortunes over a certain amount, to bring about an immediate readjustment. Private wealth concentration has gone too far in the United States. The handful control private monopoly and oppress the people.

God's Answer

"God, send us a leader,"
I hear folks say,
"God, send us a leader."
I hear people pray.

God has already sent him!
Lift up your head:
MacArthur is with us!
God's man isn't dead!
Get behind him, ye people
Who so fervently pray,
And keep shouting "MACARTHUR!"
Till election day.
Then go to the polls
And with unflinching pen
Write in, "Douglas MacArthur!"
You can then say, Amen!

—Mary Jane Helplingstine

Dear Editor.

I am very much in harmony with the idea of a MAC ARTHUR ticket for the SOUTH. I don't recall whether I saw this suggestion in your paper of some other one, but I REMEMBER THE IDEA.

The people in the deep SOUTH CANNOT vote the REPUBLICAN ticket, not if their guardian angel were running on it. The very name, "Republican" is so repugnant to them that they just CAN NOT swallow it. It would be like trying to eat buzzard!

Give them both a MAN they can vote for and a NAME that they do not already hate so bitterly. Both can be combined in the MAC ARTHUR party!

DRAFT MacARTHUR

Mr. Lynn Landrum, columnist of the Daily Morning News, stated in his column on October 15, that the election of General MacArthur as President "would mean (1) that Europe is put on notice that we are not forcing freedom on them if they don't want it; (2) that Russia is put on notice that we fight, fight hard and fight to win; (3) that treason, corruption, thievery, homosexuality and the whole sorry mess of Pendergast ulcers in the body politic would be ended."

It would mean more than these things, as important as they are. It would mean the return to our constitutional government and normal life with freedom from bureaucratic control, Presidential emergencies and fear of war.

We should get out of the United Nations and the Atlantic Pact and draft General MacArthur for President. It will save the lives of many thousands of our young men and our government from bankruptcy.

October 19, 1951—Geo. W. Armstrong

RELEASE F. B. I.

Sen. Ferguson, of Mich. says: "The President needs no grand design to clean up the scandals in his government. All he needs to do is to free the hands of the FBI and let that agency make a complete and thorough investigation of corruption."

Ferguson listed the 22 categories of cases which the FBI cannot investigate without direction of the attorney general. He said this list was obtained by him from the department of justice after he was first told there were only four such categories. The categories are:

Jap Planes at Hawaii Piloted by White Men, Ex-Phila. Girl Writes

The red Rising Sun was on the wing tips of the planes that blasted Pearl Harbor last Dec. 7, but in many of the ships white hands were at the controls and white faces peered from the cockpits as death and destruction were visited upon the American outpost.

The revealing fact that white pilots flew Japanese planes in the treacherous attack was brought to light a few days ago in a letter received in Bayonne, N. J., from a 23-year-old former Philadelphia girl who witnessed at first hand the slaughter and horror of the terrific bombardment.

MADE DEBUT IN 1937

The letter was written by Evelyn Byrd Fagan, formerly of Chestnut Hill and a graduate of the Spring-side School, who made her debut in 1937 at the Colonial Dames House.

It was received by her father, Major Louis Estell Fagan, U.S.M.C., a native Philadelphian who retired in 1936, was recalled in 1939 and is now stationed at the Marine Barracks, Naval Supply Depot, Bayonne, N. J.

VIVID PICTURE

In a vivid word picture of the attack on Honolulu, Miss Fagan, who has been visiting in the islands since the winter of 1940, wrote:

"Many of the Japanese planes had 'white'—not Japanese—pilots. These were among the men shot down."

"Judd came over at around 7 o'clock and we set forth in my car for a ride in the country. As we drove we could hear planes flying high overhead and the distant rumble of guns, but we gave these sounds no thought, as they were common on this island."

HEAD FOR PEARL HARBOR

"Suddenly the car radio blared forth—'The island is under enemy attack. . . . All Army, Navy and Marine Corps personnel report at once to your posts. . . . Civilians do not leave your homes. . . . Ambulance drivers report at once—'

Chiang Voices Hope For U. S. Successes

CHUNGKING, Jan. 17 (A. P.).—Replying to congratulations cable by General George C. Marshall, United States Army Chief of Staff, over China's victory at Changsha, Generalissimo Chiang Kai-shek expressed today his "sincere hope that

"We couldn't believe it, but turned around at once and headed for Pearl Harbor so that Judd could report at his air field. As we reached high promontory, we could see to our horror that Pearl Harbor and vicinity was buried under gushing volumes of black smoke and darting tongues of flame. Overhead we could see planes diving here and there."

DODGES SHRAPNEL

Later, after the car was abandoned and she ran alone, dodging shrapnel, to find refuge in a Navy clubhouse, Miss Fagan found herself in a low-ceilinged room with about 50 sailors all casualties of the first raid.

EX-HAWAIIAN CHIEF ON TRIAL TOMORROW

COLUMBUS, O., Jan. 17 (A. P.).—

"The First Casualty Of War Is Truth"

"Sneak Attack" was the lie that precipitated World War II, and that lie has justified that war. "If you want to find the real war criminal you'll have to go to Hell because that is where FDR is," Henry H. Klein said that in June, 1945.

Roosevelt had to have a war to accomplish his evil purpose. He set the trap, he forced Japan, he made his war. His accomplices justify this statement as shown by the following quotes.

Churchill wrote of a talk with Roosevelt three months before Pearl Harbor: "He went so far as to say to me, 'I may never declare war; I may make war.'"

Jessie Jones says of Roosevelt: "Regardless of his oft repeated statement, 'I hate war,' he was eager to get into the fighting since that would insure a third term."

Secretary of War Stimson said: "The question was how we should maneuver them (the Japanese) into the position of firing the first shot, without allowing too much danger to ourselves."

Harry Hopkins, confesses the pledge ("again and again and again: Your boys are not going to be sent into any foreign wars," October, 1940) was a fake.

Exposing Roosevelt as the criminal is not the chief purpose of this article, but to discourage a repetition of his evil deeds. Had the truth about Pearl Harbor been told ten years ago, the world would have been saved ten years of terror and anguish. There would be no world communism, no Godless U. N., no Korean debauchery, no Second Nero in the White House today.

New Evidence Of Pearl Harbor Disaster

After a quiescence of several months in my excavations in the PEARL HARBOR story, new evidence has now come to light. I here append it. The story of Dr. F. B. I. is told at an USO. The Doctor was told

at first hand the story by over seventy soldiers, sailors, marines and aviators who saw the event at first hand.

The differing in personal details, all stories agree in their main points: The order the night before, to go into town, to get drunk, to have a good time. Told, there would be free liquor and anything else the men wanted. Those who returned to the ships in the night were kept from coming on board by officers with drawn revolvers and told to "stay away", which most of them did. The following story was told in the presence of several men and they all agreed that it was true:

Staff Sergeant (name and present address withheld for obvious reasons, but he will gladly appear before a Congressional investigating committee, if called).

"I was in quarters when the bombing commenced. I rushed out to the air field. I noticed the day before when all the planes had been brought in and each one placed so its wing overlapped the next one so that it would be impossible to raise but one at a time into the air. But to make absolutely sure that no plane could be gotten into the air they had them all drained of gas. So I gassed my plane just on an impulse, keeping it secret, for no reason whatsoever except on a hunch. My plane was by itself—the only one that way.

"I was able to get into the air at once. When I got there I found myself surrounded by planes manned by white men, men whom I knew, — British and Americans. There seemed to be a few Japs, but the shooting was done by the white men. They shot me down wounded into the bay where I floated for seventeen hours until rescued and hospitalized.

"I was the only man who got into the air to defend Pearl Harbor. "We all knew there were over thirty thousand men killed. They laid around in piles, especially five

thousand of our boys on the parade ground, where the next day they were shoved into pits with a bulldozer and covered up. Not the slightest attempt to sort them out and give individual burial; they were in such an awful hurry to get it over with and get the war started.

"We found out that every detail had been carefully worked out before-hand, and was known to many of our officers who each did his part in carrying them out. To wind up, all of us knew it was planned by ZDR, with Churchill's help. Our men were forbidden to shoot at any of the planes, by officers with drawn guns. The planes in many instances simply skimmed the tree tops and their guns didn't miss much. We knew that it had been cooked up in the Atlantic Charter meeting."

signed
The following story was told Dr. — by three young men, buddies, in the presence of about thirty others in the same room. When it was finished, most of the men present said that they had been there and it was true and they could corroborate it.

"On our ship there were about 200 of us, who belonged to the same church and did not drink or carouse like the rest of the crew, so we sort of stuck together. We went up town together. Went up and down main street. Thousands of our men and the town folks were there in masses. It was the worst sight I ever saw. Drunk, and such rotten immoral sights you never saw. Seemed as if everyone was drunk. We all got disgusted, and our leaders said, "Boys, let's go back to the ship," which we did. At the gang plank we were met by our officers with drawn guns, and ordered to "Stay Away," which we had to do, as no one of us had been allowed to carry a weapon. We were all mad and then realized something was up, but could not guess what.

"When the planes came over: we knew that was 'what': We got away as fast as we could and only a few of our boys were killed, but we saw it all. The planes came right down close and we could see that they were mostly manned by white men and some of the boys called out names of fellows we saw up there. They machine gunned everything and everybody. There were Jap planes mixed in, but a lot of them did not shoot, and we afterward found they were photo fellows. Only one of our boys got into the air, and it was white men who shot him down.

"The bodies were so thick that they took a bulldozer and shoved them into pits where they were covered over. It was easy to get the ships that were bombed, for they were all lined up and tied together in rows. However, the crews that were laid off for the work, opened the sea cocks of most of them and so about forty were sunk below the water and not hurt. All they had to do was to send divers down, stop

the cocks, pump them out and they rose as good as new.

"All of us knew the whole thing was planned in the White House and that the brass hats knew all about it, and followed the leader."

Question: "Did Marshall know this?"

Answer: "Why sure. How else could it be carried out like a clock ticking if he hadn't passed it on, I'd like to know.

Question: "How about Kimmel and Short?"

Answer: "We don't think they knew. They seem to be the goats, is our guess."

"The Japs were not very good fliers."

A civilian contractor at one of the Island jobs, and was in Pearl Harbor to get supplies. He saw the whole thing, and was in the best possible position to observe the entire affair. He stated that the killed were estimated at more than 33,000 (Thirty-Three Thousand). He said it was well known that Roosevelt with Churchill's help planned the whole thing, and called in the Japs to help, promising them the Philippine Islands.

These Japs are now dead so there are no tattle tales.

The Secret of the Zodiac

by Julian Sterns

Here is a book which has something far more to offer than the ordinary detective thriller, while equally enthralling to those whose favorite reading is of the hunting down of crime, with all the excitement and ingenuities of brain incidental thereto.

The book makes a double appeal. It is a very unusual story of intrigue, gallantry, and adventure, with a love interest interwoven; and the author's light touch is shown in the description of characters and the introduction of certain highly amusing episodes. The second appeal is to those who can recognize between the lines a profound knowledge of sinister, secret societies of the day, and of their co-operative workings towards the destruction of religion, and the disintegration of civilization.

Kill Or Starve Klein

By Henry H. Klein

The Jewish gestapo has tried to do both since I was the only Jewish lawyer in that crooked sedition case in Washington, D. C. in 1944. They failed to kill, but they are doing a fairly good job starving me. They have kept my most intimate Jewish friends away from me and used some of them to double cross me. The wife of the head of the Jewish gestapo wrote me in 1944 that I have "already been provided for." However, I am still in the ring and doing business at the same old stand.

Before I got into the so called sedition case as attorney for one of the Christian defendants, I crusaded many years against public wrong as newspaperman, public official and citizen, during which time I was chief investigator for many official and unofficial investigating bodies. I caused several of the investigations myself, notably that into the sewer graft in Queens Borough, N. Y. City in 1927 and 1928, as a result the Borough President went to jail and the grafting political boss suddenly died. They had four gunmen after me five months.

I was a target in 1906 when I exposed the graft in the Street Cleaning Dept., N. Y. City; in 1912, when I exposed corruption in the Police Dept. following the murder of Herman Rosenthal; in 1914-15 when I investigated the N. Y. City Civil Service and in 1916-17 when I investigated the Utilities ring in N. Y. City. In no investigation or crusade did anyone try to do to me what the Jewish gestapo has done and tried to do during the past several years.

My telephone wires were tapped. My mail stolen. My friends intimidated and my clients alienated. Two attempts were made to "Mug" me; two guerrillas tried to give me "what Mussolini got" and one attempt was made to drop poison in my office drinking glass. I was followed to and from lunch during the five months I was in Washington attending the so called sedition trial. All of which indicates that the way of the honest crusader is as hard as that of the proverbial transgressor, if you interfere with the graft of the so called Jewish leaders.

"The American Hebrew," leading Jewish newspaper in the U.S.A., wrote, September 10, 1920:

"The Bolshevik revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal is to create a new order in the world. What was performed in so excellent a way in Russia, thanks to Jewish brains, and because of Jewish dissatisfaction and by Jewish planning, shall also, through the same Jewish mental and physical force, become a reality all over the world."

"FIGHTERS FOR MacARTHUR"

by Marilyn R. Allen
P.O. Box 2243, Salt Lake City, Utah
"Fighters for MacArthur" is a movement of the people, by the people, and FOR the people. General

MacArthur is the ONLY man who does not choose to run: he does not seek the high office of President, nor is he coming to BUY it for himself, as are some of our politicians. MacArthur can ONLY BE DRAFTED BY THE PEOPLE, whose sons are being drafted and massacred in a useless war in far-off Korea. He is the ONE man in America fitted by training and EXPERIENCE both as a military strategist, and as a civilian organizer and executive, as well as by his high sense of duty, TO HOLD THE FORT FOR AMERICANS. He is the ONLY leading genuine Christian American in all our land who has the necessary qualifications of character, intelligence and all-around ability for this desperate hour in our history. As proven by history and illustrated throughout our Bible, God only needs ONE consecrated individual through whom to work, and He can then move mountains. "A little leaven leaveneth the whole loaf."

The tocsin is about to strike, when America shall GO THROUGH THE FIRE: when she faces her Gethsemane. Only by the Grace of God and the most intense patriotism on the part of our people, as well as the proper leadership, shall we survive as a free Christian Republic. All Americans know the courage, the resourcefulness, the initiative, of MacArthur under fire. Here is a leader in whom is pre-eminent the SPIRIT of 1776! He is our leader who, under God, shall lead us to a new birth of Freedom!

AMERICANS, RALLY ROUND MacARTHUR and DRAP HIM FOR PRESIDENT OF THE UNITED STATES in 1952! What are we waiting for—a mouse instead of a MAN? Let's have some FIGHTERS FOR AMERICA—for a change—instead of Internationalist Fighters for Europe, or Korea, or some other God-forsaken foreign battlefield. As Paul Harvey has asked: do we have the wits to recognize our Great Leader when he is right in our midst? Let's demonstrate the same ardor, zeal and enthusiasm in fighting for AMERICA as do our enemies in fighting against us: only thus shall WE win!

Age cannot stale or dim the lustre and infinite capacity of this God-chosen man: General MacArthur is still in the prime of life and vigor: no other man in America can compare with him. "They that wait upon the Lord shall renew their strength: they shall mount up on wings as eagles." THAT is what MacArthur has done, and the Lord will make it possible for MacArthur to yet perform his greatest work FOR, and IN America, and

for the Freedom of humanity everywhere. ONWARD, Christian soldiers, let's fight for MacArthur and for America! Put aside every sin and every stumbling-block that doth so easily beset you, and let's really get in and FIGHT FOR MacARTHUR, JUST AS HE SO ABLY FIGHTS TODAY FOR GENUINE AMERICANISM!

Dear Ladies:

Thank you for copy of Women's Voice. You are doing a wonderful work. God will bless your efforts.

Sincerely, Sam L. Hermann.

We have no hatred for Jews as Jews, such as they hate us; but we warn you against the menace of world-Jewry. We do not desire to enslave the Jews, such as they desire to enslave us; but we demand our independence from them and to be free from contact with them. Our solution is the elimination of Jews as citizens in all countries and the foundation of a Jewish State where they may live as a people.

Palestine as a home-land for the Jews is a swindle. How will it be possible for the 16 millions of Jews to live in this small land? Is the Jewish government stupid? The solution is to give the island of Madagascar to the Jews, there is plenty of room. But apparently the Jews do not want that; they want to stay in all lands to exploit us all.

"THE ONE MAN CHURCHILL FEARS"

Saturday Evening Post of December 8, 1951, page 30, carries this article, in which Bevan is described as "The first European Leader with a mass following - other than communists - to launch an all out attack on the idea of American leadership in the free world." He considers that "more damage" is being done by America's unrestrained behavior than by the behaviour of Russia." According to the Post "he has blurted out loud . . . what the majority of the present leaders of Western Europe . . . whisper every day . . . The suspicion that we are somehow plotting war not peace."

(Ed: Since we sent Eisenhower to drum up an army in Europe and an army means war, what other conclusion is there?)

Maybe the following article from Mr. Ray K. Rudman of South Africa will throw some light on why Mr. Churchill fears Mr. Bevan. Maybe Mr. Bevan knows that Barney Baruch heads our "Invisible Government"

JEWISH WAR - MURDER . . . SABOTAGE . . .

At last a Minister of the Crown ADMITS that a war is on between WORLD JEWRY & NON-JEWISH NATIONS . . . AT LAST!

YET, not-20% of the public are even aware of this fact! So well the JEWS have suppressed this ALL IMPORTANT news, THIS, in itself PROVES & SHOWS how they CONTROL matters! If not so in YOUR opinion-then ask yourself: "WHY DIDN'T MY NEWSPAPER PUBLISH THIS NEWS?"!!!!

"PALESTINE POST"—Catering naturally for JEWS & which no Goyim controls takes care to publish Important news for JEWS, for the Goyim MUST NOT KNOW what IS NOT INTENDED for them, more so, when a British Minister speaks the Truth AGAINST Jews or makes a statement which the JEWS fear may lead to ANTI-JEWISHISM, or may make the British people shout the dreaded "HEP . . . HEP" or a recurrence of the "Castle of York" affair!

This "Palestine Post" in its issue of the 30th May, 1947, reports FOR Jews, what Minister BEVAN said at the MARGATE LABOUR CONFERENCE of the 29th May-NOT because Mr. Bevan was Honest or Truthful—BUT TO INFORM JEWS AGAINST HIM!

Mr. Bevan has said what WE have been saying or Knew many years ago! Here then is an extract from the Jewish newspaper mentioned:

Mr. Bevan:

"I UNDERSTAND THE JEWS"
"IT IS REALLY WAR YOU KNOW,"
"BETWEEN JEWRY AND THE GENTILES."
"IT IS AN INTERNATIONAL"

"Love Of Country Is The First Virtue of Civilized Man"

—Napoleon

The Republic of the United States of America is my obsession. It must live if this world is to live. In this conviction and dedication there is no slightest selfishness beyond the fact that I have to live with myself through eternity. No hell has ever been pictured or can be pictured that would be mine were I to falter in my efforts for my country.

It was in other countries and from peoples of other countries that I learned what my country means to the world. The light of hope, which came to weary hopeless eyes at the mention of this country and what it has stood for, thrilled me.

The old world with its constant wars, its poverty at the bottom—extreme riches at the top—its injustice, its disregard for the dignity of the individual—its "no hope" but accented the joy and hope of the New.

Here in the New World — The Three Americas — men could straighten their back bone and knees and look out, not up, to their fellow men.

It has been said of the results of their work that "The Founders of this Republic builded better than they knew." Significant words. They wrote a Constitution which offered to all who came, dignity and freedom. The right which God gave to all—the right to choose. Simon Bolivar who freed much of South America from the tyranny of the Old World recognized that rightness and emulated it. Our neighboring Americans have looked to us for just and enlightened leadership. The world has looked to us as to a light house of hope.

Yet this light of hope dims—as we permit the despoilers of the old world to take control of our marvelous Lighthouse.

"We (Jews) are the world's seers, its destroyers, its incen-

Dr. Oscar Levy, a Jew of high standing in English literary circles.

Christ demonstrated over and over that Christians cannot afford to associate closely with Satan's "chosen." He took Judas (only Jew of the Disciples), a Jew and a devil (as He called him), into the twelve, let him handle the money, yet three years' association with God himself did NOT convert him as the Do-gooders and Internationalists of today might well recall.

THE PROMISED LAND

This is the promised land—we are the Chosen people. As Cecil Brown reported via radio December ninth '51, on his return from 40,000 miles over Europe and Asia, "It's hard to put into words what it is to come home to this paradise."

Sixty-seven different Nationalities, we have lived here in peace and friendship protected in our rights—unlimited in our ambitions. Sixty-six of us asked nothing beyond this privilege of being a citizen of this country, not a subject, but a citizen, but the one group was not pleased and since that group, the Jews, came into power with the first Jew president, Theodore Roosevelt, we have strayed from our birthright.

Until this Jew New Deal took over did you know that we were hateful, unbrotherly people?—Did you know that we were Class Conscious, that We discriminated against Negroes—Jews and Catholics? You didn't because we weren't and didn't. We were living as neighbors.

GEORGE WASHINGTON'S admonition against "foreign entanglements," "Mixing in Europe's quarrels," were our safeguards, as long as they were heeded, we had no wars—we prospered. Let our young people, who today must go to war, who can find no house and see no fair future, think on George Washington's wise advice. May common sense come to their side and offset the vile teaching of those who have discounted George Washington.

Peace time conscription and Universal Military Training are Un-American and Un-Constitutional—entirely foreign to everything that is American. You young who are the direct victims—come alive and realize that when these old selfish men herd you around like cattle—they have only one thought, to destroy you and your country. Listen to their voices as I'm doing now: "We are out of young married men," "We must draft fathers." Why? Who makes wars? Who profits from wars? What did World War One accomplish? Or World War Two? What is the butchery in Korea? Who are the War Makers?

UN-CHRISTIAN

Is it bad "to name the real Criminals?" Is it "good" to keep blaming innocent people? That is not our way in private life—in local affairs!

Is it kind to the criminal to let him go from crime to crime? Is it "Christian" to kill 2 billion of the world's people lest 16 million (the Jews' figures) be exposed? I love

the world's people, all of them, and I know that exposure of the real criminal is the only thing that will save our country and the world. Notice, I say "exposure." I am too old a student of God's law not to know that; nothing constructive can ever come from killing or hating, I am a better friend of the Jews than all the cowards who are afraid to name them.

Several years ago, we had here in Chicago a young man who couldn't resist killing—on two occasions he left the scribbled cry "catch me before I kill again." The Jews are victims of a madness which they can't stop. There is a bitter trail to justify their attempt to "kill God." Three times every day (according to the Talmud) 4 times on holidays, every Jew must curse Jesus Christ and His followers.

CHRIST AND COUNTRY

are identical. This is the Christ Country, and in serving one I serve both and I serve the world.

Our forefathers, as they met in the cabin of the storm tossed Mayflower, in the preamble of the Mayflower compact, gave recognition to Jesus Christ. On Feb. 29, 1892, the Supreme Court of the United States declared this nation a Christian Nation. A Christian or A Christian Nation is Christ like in compassion and joy and lives the Golden Rule, as expressed positively by Jesus Christ Himself. That adherence to the principle of our foundation as expressed in our neighborliness for all the world brought us to a coveted position of prosperity and love. Had we held to that course wars would now be out.

After World War I in a foreign country, talking to an English diplomat, I was shocked to hear him say, "If you (the U.S.) had not meddled the War (World War I) would have been over in 18 months. Every English, German, or French mother, who lost sons in that war can blame American (U.S.) mothers." That one statement awakened me to the fearful responsibility of why, according to my youthful memory, we had been "begged" to save England from these "terrible Huns."

During these long years of research, I found many answers, munition makers; The Press; gold; International Bankers; the diplomats, all contributing factors, I admit, but not the cause. (The Protocols of the Learned Elders of Zion.) I rejected. They were too, too indecent, too obscene, and I had been too long in Christian Science, mesmerized by the intentional subversion of Mrs. Eddy's clear statements. The first edition of Science and Health had been recalled, and there was no need paid to Mrs. Eddy's warning that "Judaism is the antithesis of Christianity," or "Many are willing to open the eyes of the people to the power of good resident in divine mind, but these are not so willing to point out the evil in human

THE TRINITY OF EVIL

Judaism, Zionism, Communism

Dear Mrs. Van Hyning:

I have been thinking lately that it is about time we stopped prating about Communism versus capitalism and 'The American Way of Life'. No wonder the Christian Americans, who are still in the vast majority, thanks to a beneficent God, are so 'phlegmatic' and we bemoan the fact so sadly that we can't seem to wake them up to the truth that communism is Jewish. We are playing right into the Hands of the Luciferian Jews when we agree that the struggle is between communism and capitalism, dubbed 'The American way of Life'. Because in that way, being both communists and capitalist, themselves, of the worst ilk, they can play both ends against the middle, as usual, and we help them do it—also as usual!

The fight — and a fight to the death it is, cannot possibly be between communism and capitalism for the simple reason that both are methods, or manifestations, of the same old moth-eaten and worn-out system of materialism. The communist is a rank materialist. The world is beginning to see and grant that. That is why communism is Jewish—A Jew started the diabolical thing and Jews, both high and low, rich and poor, have flocked to its banner, the Hammer and Sickle, ever since, in spite of the fact that very few Jews in the world know the feel of either hammer or sickle in a work worn hand.

They just don't go in for work—they prefer always to pal around and gather round, like vultures, after the work has been done and the way has been paved for easy living, via usury. They have always been the exploiters, promoters, agents, middlemen and parasites on the earth. This is, of course, because when they rejected Christ, they accepted mammon, the way of materialism, as their philosophy of life, and became 'racial materialists'. They also accepted Lucifer, just automatically, since he is the God of this physical and materialistic world, when they rejected both Christ the son and God the Father, since to reject the one must mean to reject the other also—

Ever since, they have been desperately trying to prove to the world and his wife that they were right, and we Christians wrong, by amassing wealth and saying to all and sundry, 'see how smart' we are: We get richer and richer while all you Christians, that give us haven and refuge, get poorer and poorer; so we must be 'Right' too. Here's the proof—Look at all our money. It doesn't matter how we got it.

We have it—"and in the eyes of a world of materialism, mechanics and mediocrity, they seem only too right. But the capitalist, both Jew and Gentile, is also a materialist, and the Christian capitalist, not being as 'smart' in worldly matters as the Jew, sincerely thinks that the death-struggle is between communism and capitalism or 'The American way of Life,' because the Jew is smart enough to make him think so. The last thing on earth that the Jew wants is for the Christians to wake up to the fact, and truth, that the fight is between communism, the 'religion' of materialism, as fanatical as any religion of Baal ever was, and Christianity, the antithesis of materialism.

As long as the Jews can continue to make Christian Americans believe that they must fight for Capitalism in order to fight against communism, all they have to do is sit on the top of the world, in the seats of the mighty, and direct the struggle in which both sides fight and die and thus leave the remains of a thoroughly demoralized world in Jewish hands.

And so, through their agency, the UN, they create a Korea—they have to get Gentile communists and opposing Christians to killing each other off, and it's too bad for anyone who happens to get in the way, like the South Koreans, for instance. The bait is that while Christian Americans and Europeans are fighting for 'The American Way of Life', God bless it, 'FREE' for all on the face of the earth—Hence the Marshall Plan, 'The untra racket, 'Point four', A pint of milk for every hottenot, A pound of Butter to grease every Russian-Communist wagon-wheel and oil for the lamps of China. The only hitch is that when the 'American way of Life' gets spread all over the face of the earth, it must get spread so thin that the milk and butter and oil will seem like a mere grease spot.

And well the Jews know all this they know well enough that this is nothing but impossible, lying propaganda to make white Christian American: et al. Fight and die for a 'good cause' impossible too it may be. As long as only the Jews see that it is quite impossible, they have everything on their side. It worked in world wars 1 and 2, wherein white Christian American and Europeans, et al., killed off thousands of white Christian Germans, and in turn got killed and maimed themselves for the good of the Jewish Cause.

They did make one slip-up, how ever, on the Morgenthau's plan to enslave Germany: and the world, but not his wife, almost woke up to the Luciferian nature of the whole Jewish plan for the world. The Morgenthau plan was just a sample of what will happen to the world, under Jewish Domination of the UN, and when the Nuremberg trials, the last straw of diabolical hate and vengeance, almost opened the eyes of the world to the fact that the

whole second world war—and therefore the first also—was simply a planned method of Jewish vengeance on the German people, and we the pawns that carried it out, they quickly pulled in their horns and started crying 'Uncle-Sam!' It would be a great tragedy if we should see thru the Jewish Plan of world domination and vengeance on all Gentiles and Christians, in the time to put a stop to it—in their lexicon of vindictiveness and hate. As long as they can continue to pull the wool over our eyes, just so long will we continue to be pawns in their bloody struggle—only it's always our blood—for World domination. But some day we'll wake up—with a vengeance — I hope!

That 'Dress-Rehearsal' out in California, whereby a town 'taken over' by the UN forces, was just a foretaste, and forerunner, of what the Jews plan for the USA—another Morgenthau plan which will end up with another version of Nuremberg, or worse! and that's exactly what we all will get, unless the people do wake up to the world menace of the Jews. Every one of us who objects to being bayoneted around by a white or black, Christian American Boy, who does not know the score or what it is all about, But sincerely thinks that he is playing the saviour of his country thru the Altruistic UN-about as Altruistic as a Den of Rattlesnakes—will end up exactly as the Nuremberg Martyrs did. Each one of these Boys will get his orders, and the weapons to carry them out against true American Patriots, for the UN—but the UN will be acting on the orders of the Jews so much higher up that they will not even be seen by the Little 'SOLDIERS'.

HOW CAN WE GET THE PEOPLE TO SEE? They won't fight against Jewish communism as long as they feel they are fighting for capitalism. Why should they? (Continued Page 5 Column 1)

WHILE YOU SLEPT

by John T. Flynn

Another sensational book by one of America's best writers, and finest patriots. Just as Flynn's latest books, "The Roosevelt Myth" and "The Road Ahead," were among the most important books of this decade, "The Road to Korea," dealing as it does with the stumble-bums and/or traitors in the State Department, gives some of the most important inside dope on the horrifying mistakes of the Administration. It portrays the amazing step by step, person-by-person story of how American left-wingers took over the most influential media—radio, movies, magazines, book reviews and cleverly persuaded us to support the Communist plan of Soviet occupation for China and Korea.

REPEAL INCOME TAX

(16th Amendment)

Dec. 14, 1951. Miss Corrine Griffith, Beverly Hills, Hollywood, Calif., spoke in Chicago, advocating repeal of the Communistic Federal Income Tax. Her hope is to arouse women all over this country. This is peculiarly women's business. The income tax is taking food out of their children's mouths and killing their boys in Korea. Miss Griffith warned the women that they should explain the plan very carefully to their husbands as their reaction will be "It can't be done." But has been done, and it can be done again.

The 16th amendment (Repeal of prohibition) was repealed by women working according to a plan, said Miss Griffith, and the 16th can be.

Call four or five women to your home, explain it to them, pledge each of them to do the same. Make a national chain, each woman to pledge a congressman for repeal.

Women's Voice welcomes this as the most practical solution of our troubles. It would automatically get the U. S. out of the U. N., and cut off all the give-away to the Hi-Jackers in other countries so that the peoples of those countries could have their self-respect, once again, and thus be our friends as of old.

Miss Griffith stressed the unconstitutionality of the income tax and its ignoring of States' Rights, and that it is the first point of Karl Marx's Manifesto.

"CUT THE SPENDERS, OFF AT THE TOP"

Without the income tax money to spend, there'd be no war in Korea. (I beg your pardon, Police Action). There'd have been no W. W. I or 2 simply because bureaucratic meddlers would not have had the money to go on their meddling way.

The income tax is legalized stealing, a corrupter of morals as daily, we see the exposures which extend from shady folks named Nathan and Cohen up to Atty. General McGrath.

PLANNED BY INVISIBLE.

GOVERNMENT

"It was foiled by covetousness and sired by political 'chicanery,'" explained Miss Griffith, the same Invisible Government that fired Gen. MacArthur and "planned it that way."

The 16th amendment was sold to the Americans by the formula of "soak the rich," but today the little man is being soaked. Of the 17 billion dollars collected in 1948, 10 billion was paid by those whose income was less than \$5,000.

You may ask: "How and Where will the Government get money?" This government ran smoothly BEFORE the 16th amendment, and the old adage of "cutting your coat to suit your cloth" is still good.

OUR IDEAL PROGRAM

1. Repeal the 16th amendment. (Killing the U. N.)
2. Throw out the Federal Reserve Banks.
3. Elect Gen. MacArthur for President; Sen. Byrd for vice-president, and have Sen. McCarthy as Secretary of State.

Let us all remember that leaders come second. The great FIRST is for each and every citizen to come awake to his own responsibility. My warmest New Year Greetings to each and every reader of Women's Voice. God bless you and protect you.

That to secure these rights governments are instituted among Men, deriving their just powers from the consent of the governed. That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness." from the Declaration of Independence in Congress, July 4, 1776.

British Mother

A most fitting remembrance for Pearl Harbor, is this reprint from July 1944, WOMEN'S VOICE.

"Dear Mr. President: (Roosevelt) Having heard your D Day prayer, speaking for myself and millions of other European mothers, I consider your D-Day prayer the epitome of humbug, and you yourself the most dastardly humbug of all time.

"You have forced Europe to be devastated by American metal. In your insistence of 'unconditional surrender,' you are yourself responsible for the deaths of millions.

"I would pray for your removal from power politics and that a man of good will should take your place and lead the world back to sanity which, lamentably, it was in your power to destroy."

FROM ADMIRAL TO CABIN BOY

by

Admiral Sir Barry Domville, K.B.E., C.B., CM.G.

Sir Barry distinguished himself in numerous commands of His Majesty's Fleet. He says of his book, "... this is the plain unvarnished, truth of a retired Admiral living a happy contented life and wanting nothing more, who, to his own amazement, became a cabin boy in one fell swoop. I hasten to add that the cabin was in a prison, and that prison was on Brixton Hill."

The Admiral was a victim of 186, a British ruling which placed in jail those who wanted to keep Britain at peace to develop the Empire and were wise to who wanted war. "We were occupied," writes Sir Barry of Britain in the late thirties, "in bartering our soul for gold; under the direction of Judas the pound sterling and the almighty dollar were engaged in a conspiracy to obtain financial domination of the whole world."

Judas is the Admiral's term for the world Judeo-Masonic Influence which has lost for Britain her soul, her gold and her Empire and won for her, her greatest defeat.

From Admiral to Cabin Boy is an interesting, revealing, and factual historical record far above the notice of a press suborned by its advertising revenue.

This modest volume is priced to be an ideal year end gift for genteel friends who say it isn't so. Sir Barry's book will startle the innocents. They will be innocents no longer.

TRINITY OF EVIL

(Continued from Page 4)

What has capitalism, as such, ever done for them? They don't want to go back to the gobbling Rockefeller and the Hypocritical Carnegies who endowed a library with his left hand but only after he had amassed a fortune with his right by the sweat of the toilers in his blast furnaces. Where was "The American Way of Life-Then?" It wasn't! The so-called American way of life was neither a gift nor a product of capitalism, as such. It was wrested from Capitalism, and capitalists, by the labor unions. Sure, they are rotten with communism now. So what? So is the masonic Lodge, which certainly started out as a noble gesture. The Jews soon got hold of Masonry, just as they got hold of the Rhodes Scholarships, which also were instigated as a gesture of practical idealism-and they almost infiltrated the great catholic church itself, thru the Jesuits, only the Catholic Church to its great credit and greater honor and greatest glory saw thru them in time. Just as we Protestants must do if we would survive!

The only way to circumvent the Luciferian Jews and to inspire the Christian to fight for survival, let alone "The American Way of Life, is to inspire them to fight against communism by fighting for Christianity, instead of so-called capitalism. Christianity is the cause, and goal, as well as the way, the truth and the life, and the light, and there will be no neutral ground in the third world war. 'He who is not with me is against me,' in the world-wide words of Christ, which simply means that who does not fight for the Christian trinity is fighting for the trinity of evil, Judaism-zionism-communism. Even if he doesn't lift a finger one way or the other. Both Capitalism, as such, and the American Way of Life, so-called, are as dead as the dodo; now, we fight for, believe in, and live Christianity, for a change-or else!

Yours sincerely

The Founding Fathers by Colonel Robert R. McCormick

As tyranny and confusion spread, the ideals and achievements of the men who founded the United States become more precious. In his new book, Colonel McCormick analyzes the characters and contributions of Washington, Jefferson, Madison, Franklin, Adams and the other leaders whose vision and courage won liberty for their countrymen and wrote into law the rights which only Americans enjoy.

Against the background of their time these short sketches portray the founders of America in their greatness as profound political philosophers and men of noble inspiration and passionate conviction. Shown perceptively are the genius, practical bent and human qualities that won the respect and affection of those who met and talked with them.

In easy, informal style, the author also reviews the principles for which these patriots fought, and points up their enduring significance in the light of today's events. Rich in incident, refreshingly written, this is a book for all those who cherish freedom and are interested in their country. — Price \$1.50 Women's Voice.

Barrabas Sees Jesus

"Pushing himself to the front, Barrabas followed the angry glances of the mob and saw standing patiently below the judgment seat one Figure - saw and seeing, held his breath for very wonderment. For that Figure seemed to absorb into itself all the stateliness, all the whiteness, all the majesty of the lofty and spacious Tribunal, together with all the light that fell glimmeringly through the shining windows - light that now began to form itself into the promised rays of the rising sun. Such radiance, such power, such glorious union of perfect beauty and strength in one human form, Barrabas had never seen or imagined before and he gazed and gazed till his soul lost itself in the mere sense of sight.

That tall and god-like Being whose sublime aspect seemed to imply an absolute mastery over men and things, but who nevertheless waited there silently in apparent submission to the law, with a slightly dreamy smile on the beautiful curved lips and a patient expression in the down-dropt eyelids, as of one who mutely expected the public declaration of what he had himself privately decreed. Still as a statue of sunlit marble He stood, erect and calm, His white garments flowing backward from His shoulders in ever picturesque folds, thus displaying His bare rounded arms, crossed now on His breast in a restful attitude of resignation, yet in their very inertness suggesting such mighty muscular force as would have belittled a Hercules. Power, Grandeur, authority, and invincible supremacy were all silently expressed in His marvelous and incomparable Presence.

One bright ray of the risen sun fell slantingly through a side window and glistened star-like on the bronze-gold of the rich hair that clustered in thick waves upon His brow, as He kept His shining eyes upon His judge.

He smiled serenely even as one who pardons a son before hearing its confession." Marie Correlli

thought and expose evil's hidden ways of accomplishing iniquity." "It requires the spirit of our blessed Master to tell a man his faults and so risk human displeasure for the sake of doing right and benefitting our race."

Not until I met Henry H. Klein, in June, 1945, would I admit the reality of the Jew plan of World Control. Mr. Klein proved to me that the Protocols of the Learned Elders of Zion are the BLUEPRINT of World Destruction. He challenged my sincerity and honesty if I refused to expose the big Jews who are the CRIMINALS. Mr. Klein has paid a heavy price for his courageous stand.

THE TRUTH WILL FREE US

The truth is the Jew plan of world control. Millions of human beings have been sadistically murdered. Two world wars have been fought for the one and only purpose: Jew Control of the world.

World Gov. - World Court

World Police

World Government was tried through the League of Nations. The Jew control was not complete enough and two great Powers - the United States of America and the Catholic Church were still strong enough to resist.

The United Nations is the Present attempt and it must be destroyed, and it can be destroyed if the U.S. gets out of it. We are supporting it - we (our Jew rulers) have bludgeoned the small nations into it. There can be no harmony, no peace, no rest until this Tower of Babel is destroyed.

World Court at Nuremberg Horrified shocked and shamed the world of decency.

World Police in Korea is the Plan to use innocent boys to kill and kill and kill. As the Christmas spirit comes as come it must in the intensification of Jesus' love ray - face the reality of this Jew plan. The utter, utter horror of it. Feel the sin, your sin, of these young dead bodies feel the evil few laugh in glee - Feel the power of right - feel the joy of being a citizen of this Christ country, feel the strength that comes with the courage to face truth - the courage to leave the detour of the devils U. N. and come home. The most tremendous step we can take - The confession of our sins and the willingness to right the wrongs done in our name is to get out of the U. N.

EMPIRE OR VAMPIRE

Either term applies equally well to a small island, whose hereditary self appointed rulers have made wars of suzerainty to extract wealth, and enforce perpetual poverty. Industrial poverty, any place throughout the world, where a native population could not defend its natural resources. Any such defenseless country, with valuable mineral or oil, got immediate attention of an armed expedition, under a "Sir", a "Duke" or an "Earl" until "THE SUN NEVER SETS" on the victims of her conquests.

That "Empire" has cast a sinister shadow over the whole world. Alien nations as well as her subjugated colonies have paid forced tribute. India's opium was "Sold up and down the China coast, AT THE CANNON'S MOUTH" reported John Ruskin, 100 years ago. (He also explained how he came by his fortune—His father's importing Spain's wine at a few pence a gallon, to sell it at a profit of 1,000 per cent.)

50 years ago, her traders had a slogan of "A Cigarette in the mouth of every Chinaman." Evidently, since then, it has been amended to include the Whole World.

Perhaps, the most subtle and obscure crime of that Empire, has been creating periodic depressions and money panics in the United States. This was done by shipping gold and pinching creditors. When Americans could not buy the food they produced, they were told it was because of "Over Production" and many believed it. The Empire got food at panic prices, for their low paid wage slaves, which enabled her to undersell in all World markets, and thus, "Britannia Ruled the Waves."

Empire ethics is an abstruse matter, and sometimes incomprehensible. When a one-horse European Empire cut off hands and ears, to stimulate production in the Congo, the Lion raised his brows. That was going too far. But in Winston Churchill's early Memories, he relates how an armed force, under his authority, drove incorrigible natives to the hills; then order was given to poison all the wells in the valley, the only source of drinking water.

India's native leaders have often been imprisoned for making salt or weaving cloth, that the Empire wanted to sell them.

200 years is a long time in human experience, and at last, the "Mother Country" serum failed to work. India and Australia pried loose the tentacles of the Empire-Octopus after 200 years of blood and extortion. . . . That presented a World-shaking Emergency. An urgent appeal, (and a few millions to drag the victims who had been victimized many times before) was sent to Wash-

ington: "Save us ere we perish." A 50 year loan of a few billion without interest will do the trick."

America's Rhodes Scholars lent a sympathetic ear. The breast of the American taxpayer was bared to receive the tentacles that India and Australia had pried loose. This presents a live question, as to what will happen when the Truman "Fair Deal" gets bootled out of Washington in '52, as it surely will, if the people elect their candidate, Gen. Douglas MacArthur.

Meantime the "War to end Wars," goes merrily on! Remember what old "Moosejaw" told you? "Don't let anyone tell you that things 'just happen,' We planned them that way," Don B. Husted

Dear Mrs. Van Hynning:

Received your greeting this morning, gratefully. Since I sent you the first draft of the "Empire vs. Vampire," I have had time to reflect: Was not satisfied; There was too much hidden. As Bill Nye said, in his introduction to his History of the United States: "Facts, in a nude state, are not liable criminally, any more than bright and beautiful children are, for being born into the World in that way." It behooves the historian, to dress them in bright and attractive apparel at the earliest opportunity."

I hope you will approve of this re-draft, but I fear it will be too late for Dec. Winnie is coming after a few billion; France says she must have at least \$800 million; Korea must be restored and indemnified, if the war should end. Arthur Kilson computed how many balls of gold the size of the Earth it would take to liquidate a debt of one cent, loaned at interest, compounded, in the time of Christ.

It is a devastating principle. Usury is the curse of the World, and at the bottom of all crime and wars, if we understand cause and effect.

Did you see the re-prints of Am. Mercury that Upton Close is sending to his Contributors?

Two of them show up Truman's record, and conclude he is a "Liar," "Dead beat," "And is not Decent." Also, one gives the low-down on George Marshall.

Chapple sent me a bundle of back numbers, and I note that he was a Communist sympathizer, along with Budenz, 20 years ago, and could substantiate B's testimony.

I do not expect to see any good come of any act of Washington, as at present. Our only hope is in a man who fears neither Jew or their master, "The Devil."

With the Season's choicest Greeting, I am,

Truly and thankfully,

Dear Mrs. VanHynning:

"Jewish Mail," on Aug. 31, 1951 carried an article by Dr. David Dringer, expressing his pleasant surprise at finding on a recent trip to Spain that there was no anti-Semitism there, and that Jewish refugees had been admitted in large numbers without passports during the Second World War, and given every privilege of Spanish citizenship, which is, after all, only just, because the Jews are our true "world citizens" and do not have to be loyal to anything except international Zionism, as the Jewboy Garry Davis made clear when he spat upon his privilege of American citizenship. Dr. Dringer also expressed his satisfaction that many

of these Jewish refugees have become quite wealthy in these few years that they have been in Spain, many of them becoming millionnaire bankers and industrialists. We can expect that the projected loans and aid to Spain will be pushed in Congress, since Franco has yielded to Judaism.

Dr. Dringer might point out that the Jews who came here as refugees have also prospered. LOOK magazine wrote about one Jew who had become a multi-millionaire in four years making plastic raincoats, and we read about Serge Rubinstein, the draft-dodger, being cleared of charges of selling securities which he misrepresented to American suckers and made millions of dollars profit, the reporter stating that Rubinstein has made six millions of dollars here, and was allowed to carry on his various swindles while he was in jail as a draft-dodger. Americans are taught to work hard and be thrifty if they expect to become millionnaires, but alien Jews seem to have a better solution. I hope our citizens will awaken to

the fact that the international Jewish conspiracy against the white race is our real danger. Communism is a threat to America because of the thousands of Jewish agents working for it in this country.

Here is a copy of a letter I sent to the United States Commission for the United Nations Genocide Convention (enclosure) which you may reprint, if you like.

M. F. Duffey of Atlanta wrote me that she had mentioned me to you. I saw copies of your magazine at Dallam Simpson's in Washington. He was a good friend, now gone to Italy to live because of Jewish oppression here.

INSIDE THE COMMUNIST PARTY OF THE U.S.A.

get her to attend meetings and take an active part in Communist activities. The woman sent to contact this Jewish woman made a report of her visit at the next meeting. She stated that the Jewish woman had informed her, that if her parents knew she was a member of the Communist Party, "they would disown her." Now the trick is exposed here. This Jewish woman's husband was a Communist, and he held a very good job. And such as he is not to be exposed. So he is placed in a special Professional unit. In order to prove that he is a worthy Communist it was necessary to inveigle his wife into this mess. That's Communism, U. S. A.

A Russian Jewish woman member of this branch had a small laundry agency at 63rd and Kimbark, this place was a Communist Party contact point. One member of this branch, who had formerly been the leading branch executive, was one of the Charter members of the Communist Party. He took no active part in branch activities during the War. He always remained in seclusion, and claimed that he was working as a night clerk at a west side hotel. This is the type of Communists, trusted with espionage.

Sue Kling, a Jewish woman, was a member of this branch. Her husband, Jack Kling, is one of the leading Communists in America. He is at present the director of all Communist activities in the State of Wisconsin. This man is held in high esteem by the Kremlin Politburo. He and his wife have traveled extensively throughout Russia. Jack Kling made several trips to Russia when he was one of the leading executives of the Chicago section of the "Young Communist League."

About two weeks previous to the National election in 1944 the professional Jewish revolutionary, Irving Herman, attended and spoke at a meeting of this branch. He wrote a memorandum to be delivered to the Democratic Ward Committeeman of this 8th Ward. This memorandum stated, quote: "We are alarmed at the gravity of the Political situation and we are going to put workers into the precincts to work for the Democratic Party Candidates," end of quote. And that was the pattern used throughout all of the Chicago Wards by the Communist Party.

When you read of this merely partial expose of just one of the forty-eight Communist Party units in Chicago, just multiply it by forty-eight

and there's the picture.

In regards to the Communist activities in the Labor unions, the Communist Party has a fixed plan, "Control the basic industries in America by controlling the unions in the basic industries."

We were sent out to contact members who were in arrears in their dues. We called at the home of a Negro and stated our business. This Negro stated that he was not interested, and also stated that he didn't realize what he was getting himself into. He also stated that the President of the union at the National Malleable Co. had got him into this thing.

We next visited another Negro and informed him that he was in arrears for nine dollars in his dues. This Negro made it short and sweet, by informing us that he didn't owe any dues. And he also stated, tell them that they had better not send anybody else around here. These two cases prove the Communists are not fooling all the Negro people.

During World War No. 2 the Professional Revolutionists did not go to work and help the War effort. They remained at their offices and carried on Communist Party activities.

The American people in general may ask, "Why haven't we been better informed about Communists and their sneaky activities?" Well there has been a bill proposed in the Congress, and whether or not it has been passed we do not know. But the object of the bill is to make it a felony for anyone who has given evidence to the government, and then makes it public. If such a bill were passed, some people working to defend the best interests of their country and their government, would find themselves in a position of best serving their country by going to Jail or Prison.

Now on the question of Communism and the greater conspiracy existing in America, its been in the hands of the so-called experts too long. It's the people's fight. And it's the people who must meet the question collectively and do something in a real way about it.

All kinds of fake "Crusaders" well financed are springing up to further mislead and divide the people. The Communist Party is only a small segment of a greater conspiracy at

work in America.

These Fake Patriotic and so-called Peace Crusades, spring from the same identical source as the Communist Party and the Anti-Defamation League of B'nai B'rith.

In order to understand the Communist Party and its aims and objectives, here are excerpts from the Communist reply to Atty. Gen. McGrath, April 4th, 1951, quote: "The Communist Party of the United States is a Political Party of the American working class basing itself upon the principles of scientific socialism, Marxism, Leninism. The Communist Party upholds the achievements of Democracy and defends the Constitution and Bill of Rights against its reactionary enemies who would destroy Democracy and popular liberties. It fights against imperialism and Colonial oppression, against racial, National and Religious discrimination, against Jim Crowism, Anti-Semitism and all forms of Chauvinism, struggles for the complete destruction of Fascism and for a durable peace. The Communist Party, therefore, educates the working class in the course of its day to day struggle for its Historic Mission, the establishment of Socialism. The Communist Party is a party of a new type because it promotes Negro and White unity and the united action of all groups and individuals prepared to struggle against the threat of Fascism and War," end of quote.

The Government of the United States of America has been in the Process of being overthrown by Gradual Transition for a long period of time. There's a Conspiracy at work in America and it is unfolding. —John Colburn.

Dear Friends:

The urgency is great because the turmoil is bubbling. Never in all my life have I heard people make the statements in public that they do now. . . .

Mac Arthur is the man for us and I will settle for no other. The opposition has some particularly vicious stories going around about him, as if in preparation.

success of Stalin until June of 1950. What was the cause of this sudden about-face on the problem of Communist aggression. Was it the decision that Russia had now been sufficiently strengthened by ECA goods to fight a Third World War? For these same people and their interests promoted Hitler throughout the Nineteen Thirties until he was strong enough to start the second World War, and suddenly, in 1939, he found his international credit cut off and the bankers allied against him.

With Smith's account in the Saturday Evening Post is a picture of John Foster Dulles with the caption, "John Foster Dulles was one of the first officials to propose that we commit our troops in Korea." Dulles' capacity as the agent of international bankers is obvious enough, but study fails to reveal any "official" capacity in this crisis. He is also a power in the Federal Council of Christian Churches, which has done so much to get Christianity to lie down in the same bed with Communism.

Tolerant Of Treason

Anthony, N. M., Nov. 11, 1951
Dear Mrs. Van Hyning:

The new Women's Voice arrived about two hours ago and it is surely a warm number. May Almighty God keep and bless you and may His angels watch over you.

Truman's censorship order for "Security" is calculated and intended to destroy the last trace of our security and liberty. That little rat should be executed for treason but of course the real criminals are Old Weenie and Bernie who planted him in government.

In any other country in the world some patriot would doubtless take direct action but we are to "civilize," too tolerant, even tolerant of treason. Of course the word "assassin" sounds mighty bad but what have we in Korea but mass assassination?

Old Weenie's boys prepared the grounds for that holocaust and the dumbbell HST did what was needed to hush the ever mounting exposure of criminality and rottenness in his administration but of course our armies cannot be allowed to win a war again "Mother Russia" built at the expense of eighteen billion dollars of taxpayers money.

Have you kept tab on the Civil Defense racket as operated in California? This was an open violation of the Constitution when civilians acting under the Brass of the Sixth army siezed nine cities there and jailed the legally elected officials in what they pretended was military training for meeting any situation that might develop.

Every official jailed should bring suit for damages for false arrest. They have perfect cases. Now here is the nub to that devilry. If the people can be made to believe such stunts are needed to train men and will accept a tolerant attitude toward such lawlessness then when the time comes for the UNO takeover they will be able to keep the people fooled until the military dictatorship is in power and will then be helpless. I understand that point is set, at least tentatively, for the fall of 1952.

ism, and whose sympathies and activities are much more Hebraic than Christian. Dulles is a devout man, and while planning the murder of a million American boys, he is able to toss off Christian platitudes, which are faithfully reported in Time and Life, the publications of fellow-Council on Foreign Relations member Henry Luce.

It is this historian's conclusion that the Korean War had two purposes.

First, the protection of investments by Jewish bankers in Japan and Korea.

Second, the slaughter of hundreds of thousands of American youths in a softening-up process of the United States for a Russian invasion.

Am enclosing copy of the Reporter published on the grounds where this lawless mob action was pulled off. That this is the pattern for such action and that the Pentagon crowd and the State Dept. is guilty as hell in the matter should be clear to all.

Sometime back the editor of the Scripps-Howard Daily Herald-Post (25M Circ.) in his column "If the a-bomb is to be used there is a question whether it will do the American people more good used at Washington or on the Kremlin." One on State and Pentagon would accomplish much, would by my comment.

I think I wrote you that my wife died Sept. 10. Have been too torn up since then to accomplish much. I fear the end of free discussion is much closer than anyone suspects, outside the ruling Yiddish Jew conspiratorial ring.

It appears that each cabinet member and all his force are to be censors of anything said or published and I look for a lot more seditious persecutions soon. The enclosures are for your study and use as you deem prudent and advisable. May God be with you.

Dear Editor:

Washington scandals and blunders by thieving politicians have caused a terrific drop in morale and a general loss of confidence in all three branches of our government. Up go prices, up go wages, up go taxes, up goes the federal payroll army! With our currency already dangerously inflated, earned and saved capital, annuities, life insurance policies, etc. tend to shrink to the vanishing point.

The fantastic notion of little Harry Truman of refusing to conclude a separate and fair peace with Germany and, on top of it, needlessly involving us in a bloody, unconstitutional, unpopular and endless war in Korea, is as dangerous to the free world as a real-and-not-only imagined-Russian threat!

Our not being anywhere near ready to defend ourselves, in spite of having recklessly spent hundreds of billions of dollars of the American

taxpayer's money for our protection, abroad and at home—with confusion growing out of pressure for rearmament plus talk of disarmament in secret "Big Four" meetings—may climax in a tax revolt, with the taxpayer refusing to pay for such kind of nonsense.

The American people are anxious to express themselves at the polls on next Election Day, but too much is at stake to have another 1948 campaign. It has been our endeavor to foster a network of "Townhall" meetings all over the country, so that plain citizens can gain some influence in political matters before the time of nominating candidates, and long before elections. Please help us in reviving this patriotic American custom in your locality.

We are holding AMERICA FIRST meetings on the first Friday of every month in the assembly hall of the York Ave. Cafe, cor. 84th St. and York Ave., New York City, and believe that the nation's best interests might be served by a Sen. Taft and Gen. MacArthur, or a Gen. MacArthur and Sen. Taft ticket.

PRELATE CITES MRS. ROOSEVELT AGNOSTIC VIEWS

Los Angeles, Dec. 9 "Accusing her of 'assuming the role of an agnostic and fatalist,' Archbishop J. Francis A. McIntyre today questioned the fitness of Mrs. Eleanor Roosevelt to head the United Nations committee on human rights.

Mrs. Roosevelt Quoted

"I don't know whether I believe in a future life. . . I came to feel that it didn't really matter very much because whatever the future held you'd have to face it when you came to it, just as whatever life holds you have to face it in exactly the same way.

"I think I am pretty much of a fatalist. You have to accept what

INSIDE THE COMMUNIST PARTY OF THE U.S.A.

During World War No. 2, the Communist Party decided on a new plan of reorganization of its branch units throughout Chicago.

Under this plan the branches were organized on a Ward Basis. There were 48 ward branches in Chicago. It was stated that the party had upward of five thousand members in Chicago and Cook County. This figure does not include the Professional units, special units, Nationality units. The 6th Ward branch had two hundred members and is fairly representative of a Communist Ward unit in the City of Chicago. Three Negro members of this 6th Ward branch were the Presidents of three Packinghouse Co. locals at the stockyards.

A Negro member of this branch was the top leader of the union at the National Malleable Co. A Negro member of this branch was the top executive of the union of the Burkhartsmier-Barrel and Coopers Co., 73rd St. and So. Chicago Ave. A member of this branch secured employment at the Chicago Dodge Co. plant and not only recruited thirty new members for the Communist Party at this plant, but also was instrumental in getting the Communists control of the Union at this plant.

Another member of this branch who had just arrived in Chicago from California, secured employment at one of the Railroad freight depots. He also secured training for a defense plant job, and was assigned for employment at the Chicago Wheeler Co. (Wheeler). He immediately started to organize a union at this plant and succeeded in getting the employees to support him. And a union of United Electric-Radio and Machine Workers was established here. He then was rewarded with a job on the organizing committee of United Electrical U. E. He was also made a member of the Faculty-board of the Abraham Lincoln School. This Lincoln school was the Communist Workers school, and the name was changed to Abraham Lincoln, when the U. S. was at war. Previously in California this same Communist and his wife were passing out Communist literature at the gates of the Vultee Aircraft Plant. He and his wife are electrical workers and were at one time in the employ of the General Electric Co. at Fort Wayne, Indiana. He is recognized as a full fledged Communist, and may also have been infiltrated into the California National Guard units.

A young Jewish girl, age 19, a member of this branch, was a member of the Union bargaining committee at the Chicago Shudebaker Co. plant. The Chicago Tribune edition of November 18, 1943, carried a story captioned—"How Reds Rule War

Plant." This story exposed the Communist Party control of the union at this plant.

The Tribune did not state that this Jewish girl was a Communist, but did state that she was a member of the International Workers Order. This girl spoke of this Tribune expose at a meeting of this 6th Ward branch. She stated that a delegation from this Union went to the Chicago Tribune office and asked the Tribune to apologize. The Tribune refused. This Jewish girl is a full-fledged Communist.

Two Negro women members of this branch were the two leading executives of the All Negro International Workers Order, I.W.O., lodge. One of these women had a son in the U. S. Marine Corps. And the other woman's husband was in the U. S. Army at this time.

One member of this branch was employed at the U. S. Treasury Dept. Chicago office. This man, a Negro, is also a War Veteran.

The organizers of this branch, that is the highest executive, claimed that his brother is the Director of the Document division of the Library of Congress, Washington, D. C.

A Jewish woman, member of this branch, later became the leading executive of a Communist Party cell, set up in a Chicago hospital. This unit was classified as Hospital Branch. This Jewish woman was married to a Negro. Her father was a Communist Party section organizer on Chicago's west side. A Section Organizer is a Professional Revolutionary who devotes his full time to Communist Party functions from the section, headquarters office. He advises and directs all the branch executives within his section.

The Jew, Phil Bart, was director and boss of all Section Organizers in Chicago. And Alfred Wagenknecht, was director of all of the separate Nationality Communist Party branches in Chicago.

Two members of this branch were employed in the Chicago Postoffice. One of these Communists, a Negro, was given the "Party name of Huff". This man had a large family and also his mother-in-law to support. He was a War Veteran and wore the American Legion lapel button.

This man paid his dues, didn't seem to take any part in Communist activities, and just laid low. Now of the various other Communists working in the Postoffice, there was so much suspicion among themselves, that we found three separate groups existing there. This man "Huff" had a low classification in the Communist Party, so he was assigned to the 6th Ward branch unit, with the ordinary "Guefilla" element. Where he became exposed to what the Communists call "Enemy Agents". In fact he had been paying his dues to, enemy agents, boring from within, inside the Communist Party. It's a sad case, but even if

"Huff" had been in a "Post-office Special unit" he still would have been exposed.

In regards to classification of Communists, all Communists are classified. And bluffs don't work. A Communist is credited and classified on the amount of work he does. A Communist is required to buy literature and study what is designated for him or her. Is required to bring new members into the Party. Is required to take propaganda to his place of employment and pass it out to his fellow workers. Ask donations from his fellow workers for the Communist Party, and try to get subscriptions for the Daily Worker at his place of employment. He is required to attend classes at the Workers school. And it is necessary for him to be subservient to the Communist Party.

If a Communist contact man should call at the home of a member and happen to find the Chicago Tribune there, the contact man immediately becomes a stool-pigeon and makes a report of it. Then the guilty member's classification takes a dip.

The Communist is obligated to report for picket line action, and to distribute handbills, and he is supposed to like it. He is required to donate all he can afford and more.

Now here is a case that will acquaint you with another angle of Communist activity. A Jewish woman residing on East 61st Street was a member of this branch. As a housewife, her dues were only twenty-five cents a month, which she paid. She never attended meetings. The branch organizer sent another woman member to visit this Jewish woman with orders to try to

God and Man At Yale

by William F. Buckley, Jr.

One of the most brilliant students Yale has had in years, young Buckley graduated as valedictorian in 1950. An intense libertarian and an exceedingly devoted Christian throughout his college career, young Buckley kept notes on the remarks and slanted viewpoints of his professors. The result is in this book which has shaken Yale to its foundations. As the situation at Yale is typical of that in most other universities, although in many respects Yale is better, this book must be read by every American interested in saving the schools and colleges.

BLACK PAPER ON KOREA

ECONOMIC ROYALISTS—LED BY JOHN FOSTER DULLES — SEND OUR BOYS TO KOREA TO PROTECT THEIR INTERESTS

Beverly Smith, Washington editor of the Saturday Evening Post, publishes in its issue of November 10, 1951, what we may take as the official propaganda version of "Why We Went to War in Korea." Oddly enough Beverly Smith has the same educational background as Alger Hiss, an A.B. degree from Johns Hopkins University and a law degree from Harvard Law School. Smith has the further advantage of being a Rhodes Scholar (Cecil Rhodes' South African Empire was financed by the English Rothschilds, and in gratitude he set up his fortune to educate Americans in the Zionist plan of world empire). As a Rhodes Scholar, Beverly Smith became adept at the art of betraying America, and became a Wall Street lawyer with the firm of Chadbourne, Hunt, Jaekel, and Brown, representing some of the more notorious international bankers. With his education, however, he decided to employ his talents as a professional propagandist, and became a foreign correspondent for the New York Herald Tribune, noted for the number of Communist sympathizers in its employ.

Smith's account of our commitment to Korea does give the names of the U. S. Government officials involved, but he fails to give their background, an omission which we wish to correct here. Our Ambassador to Korea preceding and during the outbreak of war was John Muccio, an alien born in Italy who became a naturalized American citizen when he was well past his maturity. According to Smith, on June 24th, 1950, Muccio wired the U. S. State Department of the crisis, and the officials directly concerned assembled to discuss the moves of the United States. They were Dean Rusk, the Assistant Secretary for Far Eastern Affairs, John Dewey Hickerson, the Assistant Secretary for United Nations Affairs, and Philip C. Jessup, our Ambassador-at-large.

Rhodes Scholar Dean Rusk had been in charge of United Nations Affairs in the State Department until the matter of setting up the Korean War demanded a good man, when he was put in charge of Far Eastern Affairs. John Dewey Hickerson had been a member of the infamous United States Delegation to the United Nations at San Francisco in 1945. The Secretary-General of that Delegation, the Communist spy and traitor Alger Hiss, is now in prison. Hickerson was also on the advisory committee on international law for Harvard Law School.

Philip C. Jessup has such a well-known record of activity for pro-Communist front groups that not a single Senator dared vote for his confirmation as U. S. Representative to the United Nations in October, 1951, but President Truman sent him on as an alternate. Jessup had been a Professor of International Law at Harvard, he was in 1919 assistant to Kuhn, Loeb lawyer Elihu Root at the Hague Court of International Justice, he was Herbert Lehman's Assistant Secretary-General in the United Nations Relief and Rehabilitation Administration, whose deputy, Laurence Duggan, died mysteriously. Jessup represented the United States at the Bretton Woods International Conference, and he was with Alger Hiss at San Francisco as Hiss' Assistant in Charge of Judicial Organization, that is, how to make the betrayal of America legal.

Jessup was Chairman of the Pacific Council of the Institute of Pacific Relations, now exposed by a Senate Committee as a Communist organization. The International Secretariat of the Institute published a book in 1950 entitled "Korea Today," by George McCune which says on page 180:

"The Soviet civil administration kept well in the background and gave the Koreans maximum experience in self-government. Most observers agreed that the Soviet system quite readily adapted itself to the Korean scene, or at least that it was much more easily adopted by the Koreans than was the Western system sponsored by the American command."

This is typical of the Communist propaganda put out by the Institute.

Philip C. Jessup is a member of the Stotesbury family (Edward Stotesbury was a J. P. Morgan partner), he is a trustee of the Carnegie Endowment for International Peace of which Alger Hiss was President, and his brother, John Jessup, is a wealthy banker, President of the Equitable Trust Co. of Wilmington, director of Coca-Cola of Atlanta and the Diamond State Telephone Co. (American Telephone & Telegraph).

This was the group which gathered at the crisis. America was in good hands. They needed only to call Hiss from prison to make the fraternity meeting complete.

Smith says that this group then conferred with Secretary of State Acheson by telephone at his farm in Maryland. Acheson, who had been law clerk for Supreme Court Justice Louis D. Brandeis when Brandeis was head of the Zionist Organization of America, qualified for the State Department by becoming an international lawyer for J. P. Morgan Co.

The next day, says Smith, a telegram came from John Foster Dulles, who had returned to Tokyo a few days earlier. The telegram said, "If it appears that the South Koreans cannot repulse the attack, then we believe that United States force should be used." This telegram makes certain Dulles' prosecution as a war criminal. He had no official standing with the United States Government, and no one has ever explained the mysterious missions he made to Korea in May and June of 1950, nor why he should order American troops to die in Korea. It is noteworthy that whenever Dulles went to Japan or Korea, the Wall Street Journal noted that lagging Japanese bond issues being promoted on Wall Street by international Jewish bankers were disposed of at a good profit. Dulles is the senior partner of the international law firm of Sullivan & Cromwell, which represents these Jewish bankers. Dulles ordered our soldiers into Korea to protect the interests of the clients of Sullivan and Cromwell.

There is a 736 page volume entitled *The Story of Panama*. The U. S. House Hearings on Panama in 1913, with hundreds of pages of documentation proving Congressman Henry T. Rainey's charge that William Nelson Cromwell, then Dulles' senior partner in Sullivan & Cromwell, instigated and promoted the Panama Revolution for J. P. Morgan and J. & W. Seligman, international bankers, who received forty million dollars in gold from the U. S. Treasury for the Panama Canal, of which thirty-five million dollars was profit. President Theodore Roosevelt sued the New York World for libel for printing a few of the facts about himself and Cromwell, and the case was unanimously thrown out of court by the U. S. Supreme Court.

Congressman Rainey called Cromwell the most dangerous man in the United States, a title which John Foster Dulles has inherited. The House obtained a copy of Cromwell's brief which he submitted to the new Panama Canal Co., detailing his activities. In it, on page 206, is this definition:

"The law firm of Sullivan & Cromwell occupies a recognized position among the great legal corporations of the Nation. In the course of a very active thirty years the firm of Sullivan & Cromwell had found itself placed in intimate relations, susceptible of being used to advantage, with men possessing influence and power everywhere in the United States; they have also come to know, and be in a position to influence, a considerable number of public men in political life, in financial circles, and on the press."

This is the firm of which John Foster Dulles is the senior partner. He married Janet Pomeroy Avery, of the Rockefeller family, whose interests are now tied up in the General Reinsurance Corporation. Federal law requires insurance companies to be reinsured, so these firms have access to all insurance business statistics and consequently the entire business activity in America.

They are headed by David Milton, who also married a Rockefeller, and Elery C. Huntington, Chief of the Military Mission to Yugoslavia which betrayed Mihailovich to the Communist Tito. Huntington is a director of the Yugoslav-American Electric Co. which may explain why Hamilton Fish Armstrong of the Council on Foreign Relations wrote a book favorable to Tito entitled "Tito and Goliath." Yugoslavia may be the site of the next war.

Dulles was secretary of Robert Lansing, our Secretary of State at the Versailles Peace Conference of 1919. Lansing was characterized by Rabbi Stephen Wise, in his book "Challenging Yars" as an ardent sympathizer of the Zionist cause at the Conference. Thomas Lamont, senior partner of J. P. Morgan Co., who with Albert Strauss of J. & W. Seligman protected the interests of international bankers at the Conference, writes in his "Across World Frontiers," "All of us placed great reliance upon John Foster Dulles."

In "Ambassador William Dodd's Diary," Dodd, U. S. Ambassador to Germany from 1933-1938, writes,

"Dec. 4, 1933: John Foster Dulles, legal counsel for associated American banks, called this afternoon to give an account of claims being urged on behalf of bondholders against German cities and corporations, more than a billion dollars. He seemed very clever and resolute."

"Jan. 24, 1936: John Foster Dulles, a New York lawyer from Sullivan and Cromwell, reported his difficulties in financial matters here."

John Foster Dulles is a director of International Nickel, American Banknote Co., and other corporations. He has been widely publicized as the protagonist of the Bipartisan foreign policy of betraying the United States, which was originated by the Rothschild policy group, the Council on Foreign Relations, of which he is on the executive committee. His brother, Allen W. Dulles, also of Sullivan & Cromwell, is President of the Council on Foreign Relations. Allan W. Dulles was also present at the Versailles Peace Conference as legal adviser to the United States, he was then Secretary in Charge of Near Eastern Affairs (Palestine) at the State Department until 1926, when he entered Sullivan & Cromwell. A director of the international banking house of J. Henry Schroeder & Co., he was head of the European division of the office of Strategic Services during World War II.

Another partner of Sullivan & Cromwell is Eustace Seligman, also a member of the Council on Foreign Relations, and a member of the international banking family Seligman. His father, a famous gold standard economist, was head of the Dept. of Economics at Columbia University. Eustace Seligman is a director of the billion dollar Marine Midland Trust with the Lehman brothers, which controls the vast Niagara Power Co. properties.

To return to Beverly Smith, "The President landed at Washington Sunday at 7:15. He was met by Louis Johnson, then Secretary of Defense, and Under Secretary of State James Webb."

Louis Johnson, a corporation lawyer, was then President of the General Drystuff Corporation, a subsidiary of the I. T. Farben branch in America, General Aniline and Film, of which he also was a director. I. T. Farben was the property of the international bankers Warburg, Paul Warburg of Kuhn, Loeb Co., and father of the Federal Reserve Act, set up the American branch as American I. G. Chemical, which later was changed to General Aniline and Film.

James Webb qualified for the State Department as the former Assistant to Thomas A. Morgan of the international banking house of Lehman Brothers. Morgan was also President of Sperry Gyroscope and Chairman of the munitions firm of Vickers, in which the English Rothschilds own a large interest, so that Webb knew all about starting a war.

When Truman met his advisors at the White House for dinner that evening, among them was the Secretary of the Air Force Thomas K. Finletter, who for years had been a partner in the law firm of Cravath and Henderson, lawyers for Kuhn, Loeb Co. Finletter was a member of the treacherous U. S. Delegation to San Francisco in 1945, and he was a trustee of the Communist-front New School of Social Research in New York.

Smith writes that at dinner at eight o'clock at Blair House that fateful Sunday evening, "conversation was general, and no notes were taken." It is surprising to the historian that at so many of these eventful occasions the participants talk about nothing in particular and take no notes. For instance, the Supreme Council at the Versailles Peace Conference in 1919 took no notes, nor did the historic luncheon of the directors of the European Central Banks and the Governors of the Federal Reserve Board at Washington in 1927 yield a single note, although a Congressional Investigation proved that the Depression of 1929-1933 was planned at this meeting.

Of President Truman's decision to commit American troops to Korea, Smith writes, "Practically every major newspaper in the country approved, with the exception of the Chicago Tribune and its affiliate, the Washington Times-Herald. Taft later indicated he would have voted in favor of it." Perhaps this was after Taft conferred with his adviser, Rabbi Silver.

Congressional leaders with Truman at this time were Senator Scott Lucas of Illinois, defeated for reelection because of underworld affiliations, and Senator Millard Tydings of Maryland, whose clearing of State Department Communists turned the voters against him.

On the following Thursday Truman had his advisers again met at the White House at five o'clock including "John Foster Dulles, just back from Korea, Averell Harriman, hastily summoned back from Paris; Stuart Symington, then chairman of the National Security Resources Board, and James Lay, executive secretary of the National Security Council."

Averell Harriman succeeded Philip Jessup as U. S. Ambassador-at-large, a position held during the Roosevelt regime by the J. & W. Seligman employee Norman H. Davis, who was also President of the Council on Foreign Relations. Harriman was accompanied everywhere by the German Jew Walter J. Levy, a specialist in international oil. Harriman's father, E. H. Harriman, was the front man on Wall Street for Jacob Schiff of Kuhn, Loeb Co., when Schiff acquired the great Union Pacific properties from the United States Government for the Rothschilds. Averell Harriman is a partner in Brown Brothers Harriman, investment bankers and agents of Kuhn, Loeb. The present Secretary of Defense, Robert Lovett, also a partner in Brown Brothers Harriman, held several directorships in British insurance firms which were controlled by the Rothschilds.

James Lay, also present at the White House during the Korean crisis, is executive secretary of the National Security Council, an organization which is understandably reticent about its activities, for it is a OGPU type group which exists to gauge and undermine American resistance to Communism. Security, whenever used officially today, does not mean the security of the American people, but the security of the international bankers who have promoted and financed Communism, and who are now devoted to its goal of world domination.

Smith's article continues "Senator Wherry said that he thought that the president ought to consult Congress before sending ground troops. Mr. Truman told of the urgent events of the last eighteen hours."

Smith quotes William S. White's New York Times report of the event,

"The delegation returned to the Capitol in a somber but elevated mood."

And Smith concludes, "At 1:22 P.M., almost precisely six days after the fighting started, the orders were on the way to MacArthur. We were in."

In some 5000 words of "Why We Went to War in Korea," Beverly Smith repeatedly states that we went in to stop Communist Aggression. From his own account, however, we learn that the State Department officials and military advisers with Truman at this time were the same individuals who for several years followed a consistent policy of turning China over to the Communists, sabotaging the Kuomintang Party of Chiang Kai-Shek, diverting millions of dollars worth of war goods to the Communist forces under Mao, and preventing military aid which had been authorized by Congress from reaching the South Koreans BEFORE the North Korean attack. No card-carrying member of the Communist Party could have been more devoted to the

[REDACTED]
INFORMATION CONCERNING

[REDACTED], formerly of [REDACTED], personally appeared at the Chicago office on February 4, 1952, at 3:45 p. m. and stated to the writer, who was on complaint duty, that he was at a 7-hour conference with the above captioned individual during the afternoon and evening of February 2, 1952, having met him at the magazine office of the "Women's Voice", 537 South Dearborn Street, Chicago, Illinois.

b6
b7C

[REDACTED] advised that he donates some free time to the magazine, such as answering the telephone, handling letters, and any small job that might arise in the office. He happened to be at the office on February 2, 1952, when the subject entered and started to tell him about various things concerning Communism in the United States, that according to the subject, are not in the files of the FBI. [REDACTED] stated that the subject held him "spellbound" during the whole 7-hour period.

b6
b7C

[REDACTED] stated that on the morning of February 4, 1952, the subject telephoned him at the magazine office, and told him he was being followed by two men, and that he just mailed [REDACTED] two copies of telegrams that he sent to Clinton, Iowa, concerning conditions in that city.

b6
b7C

[REDACTED] received these copies by mail on this same date. The copies, which were exhibited to the writer by [REDACTED], contained the following information.

Both were addressed to [REDACTED], Health Clinic, 231 6th Avenue, Clinton, Iowa. They are quoted as follows:

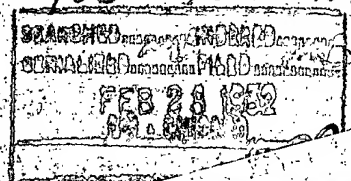

b6
b7C

First telegram

"We don't know yet, but after 15 years under drinking water by mass medication we shall find out. I am pre-

b7C

[REDACTED] stated that [REDACTED] told him in the morning telephone conversation to meet him at the Chicago office, and he would give all the information in his possession to the Bureau at the time.

Before [REDACTED] appeared in the complaint room he told the office receptionist that he was expecting a telephone call and wanted it transferred to him in the complaint room. [REDACTED] received this call while in the complaint room which was from [REDACTED]. During the conversation [REDACTED] told him he appeared at the Chicago Office the day before and gave this office the information he had in his possession.

b6
b7C

[REDACTED] expressed surprise that [REDACTED] did not tell him in the morning telephone conversation that he appeared at the Chicago Office on the day before. He told [REDACTED] that since he already contacted the FBI there was no need to again re-contact this office, and he would meet him in a "few minutes" at the magazine office of the "Women's Voice". [REDACTED] departed from the office after the telephone conversation.

Dear Sirs:

I wish to bring to your attention the circulation of a paper in this area called "Women's Voice" (Room 803, 537 S. Dearborn Street, Chicago 5, Ill.)

This publication is extremely radical, anti-Semitic to the point of claiming that the Jews are trying to overthrow our government. Not only this, but also, it raises much political fire and propaganda, pokes fun at Catholics, and ridicules basic fundamental beliefs of many people.

It is presently being mailed under the low religious press rate. This fact I have reported to [REDACTED], Postal Inspector, Gary, Ind.

Our local postmaster informed me that possibly the FBI would wish to investigate this paper as subversive. One thing certain, it is deluding many, otherwise fair-minded people, and implanting suspicion and hate.

Please, in the interest of these people and others who might be duped, investigate this publication as soon as possible. In case you need evidence, I have two issues on hand which I will set aside for your perusal.

Thanking you in advance, I am

Sincerely yours,

Enclosed you will find some literature I have been receiving the last two days. I have never subscribed or donated to either organization. I donot know how they got my name or address. They do not sound very patriotic to me. I do think they should be looked in to. To me they have the earmark of being pro Nazi, I would not say they are Communists, as they condemn them as well as others. Perhaps I misunderstood them in their writing, but it does not hurt to let you know about it.

Re: WOMEN'S VOICE

Dear Sir:

May I call your attention to a vicious magazine that has come to me recently - "WOMEN'S VOICE" - published in Chicago, Lyrl Clark Van Hyning, Editor.

Two copies of the February 26th issue have been sent me and the editor claims he does not know who gave him my name. He insists, however, that it is published by a group of "Christian" women. I replied that I could not recognize their type of Christianity since they sow only seeds of hatred and agitate against the brotherhood of man. The issue tries to prove that Masonry is synonymous with Communism. Also, that all Jews are Communists. Since Moscow is persecuting Jews now even as Hitler did, that idea is quite contradictory.

This organization undoubtedly is rabid Fascist and since we fought a war to stop Fascism, I hope you will watch this magazine and its backers as closely as you do the Communists in our country. Mr. Joe McCarthy and his ilk get people so worked up about Communists that we are prone to forget that Fascists are equally bad. And I fear that those loudest in their denunciation of Communists are themselves Fascists who bear close watching. One group is just as evil and un-American as the other.

It is quite possible you already have complete information on this outfit but, as a citizen and a member of the American Civil Liberties Union, I wish to register my protest against the existence of this fascist paper and its sponsors.

Very truly yours,

Messrs: - Enclosed find a pamphlet of great importance called - Abominable Jet Time: which is a re-print of a monthly Journal - "Womens Voice". the Editor and Publisher of said Journal is a very fine educated Christian Lady; she's not afraid to expose the Crimes of the Jewish Conspirators, the Sanhedrin gangsters in her Journal. these Jewish Conspirators are a bunch of the pickest Jews out of the Jewish Race, who pre all the Wars, Revolution's and Chao's since the last 3000 year they have their plans set for the 3. War to destroy the "White Race" they came to this country the U. S. not to steal a Bank, but the whole Country and everything in it. Now Gentlemen of the F. B. here's your chance to arrest the most infamous Criminals of the U. S. and keep them behind lock and key so they can't give no secret orders to their stoogie's in Washington to set the Machinery in motion. We know many men in Washington who hold big position of Authority are not inclined to risk los their job, and when the Country is going to Hell, their job's worth a darn. As long as Christians are willing to do the dirty work for the Jewish Conspirators, as long we will have Massacre's, called War, Robbery and Chaos. Judging the White Race by their action's for several century's past, the final solution is this: - The White Race has outlived its usefulness, and is now on the borderline for Extermination: except the White Race rehabilitate itself Now and exterminate the enemy of the human race, or be both exterminated by the Law of Nature, not of man, as it happens

(This transcription of Rabinovich's speech was given me by a former Bulgarian diplomat who broke with the Communist regime and reached Budapest, Hungary, where he hid out with anti-Communist friends until March. While there, he obtained a copy of this speech, and was then smuggled to Hamburg, Germany, finally making his way to this country. A gentleman in Hamburg gave him my name, and he met me and urged me to distribute this speech at once. I sincerely hope that it will give the American people a better picture of the force arrayed against them.)

Abominable

Yet True

WOMEN'S VOICE is in receipt of a communication which, in our opinion is of the greatest importance. It is important because the contents vividly recall the boastful, impertinent and contemptible utterances of a certain Marcus Eli Ravage who, in January 1928 and in February 1928, in the CENTURY MAGAZINE published two articles: 1) A REAL CASE AGAINST THE JEWS; 2) COMMISSARY TO THE GENTILES.

The contents of the speech here-with published so specifically fit the present day world situation that every thinking American should ponder over them; the spirit therein displayed is the very spirit which animates the concealed wire-pullers in the councils of the United Nations who are destroying America, its Constitution and institutions. The speech also exemplifies the MASTER PLAN outlined in the PROTOCOLS OF THE ELDERS OF ZION. Although made in Buda Pest, Hungary, a country behind the Iron Curtain, the Rabbi's speech, like many other documents of importance has lately reached the United States. It follows:

"Greetings, my children! You have been called here to recapitulate the principal steps of our new program.

As you know, we had hoped to have twenty years between wars to consolidate the great gains which we made from World War II, but our increasing numbers in certain vital areas is arousing opposition to us, and we must now work with every means at our disposal to

precipitate World War III within five years. (Emphasis ours. Ed.)

The goal for which we have striven so concertedly for three thousand years is at last within our reach, and because its fulfillment is so apparent, it behooves us to increase our efforts and our caution tenfold. I can safely promise you that before ten years have passed, our race will take its rightful place in the world, with every Jew a King and every Gentile a slave! (applause from the gathering). You remember the success of our propaganda campaign during the 1930s, which aroused anti-American passions in Germany at the same time we were arousing anti-German passions in America, a campaign which culminated in the Second World War. A similar Propaganda campaign is now being waged intensively throughout the world. A war fever is being worked up in Russia by an incessant anti-American barrage, while a nationwide anti-Communist scare is sweeping America. This campaign is forcing all of the smaller nations to choose between the partnership of Russia or an alliance with the United States.

Our most pressing problem at the moment is to inflame the lagging militaristic spirit of the Americans. The failure of the Universal Military Training Act was a great setback to our plans, but we are assured that a suitable measure will be rushed through Congress immediately after the 1952 elections. The Russian, as well as the Asiatic

peoples, are well under control, and offer no objections to war, but we must wait to secure the Americans. This we hope to do with the issue of anti-Semitism, which worked so well in uniting the Americans against Germany. We are counting heavily on reports of anti-Semitic outrages in Russia to whip up indignation in the United States and produce a front of solidarity against the Soviet power. Simultaneously, to demonstrate to Americans the reality of anti-Semitism, we will advance through new sources large sums of money to outspokenly anti-Semitic elements in America to increase their effectiveness, and we shall stage anti-Semitic outbreaks in several of their largest cities. This will serve the double purpose of exposing reactionary sectors in America, which then can be silenced, and of welding the United States into a devoted anti-Russian unit.

Within five years, this program will achieve its objective, the Third World War, which will surpass in destruction all previous contests. Israel, of course, will remain neutral, and when both sides are devastated and exhausted, we will arbitrate, sending our Control Commissions into all of the wrecked countries. This war will end for all time our struggle against the Gentiles. We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born. Our Control Commis-

sions will, in the interests of peace and wiping out inter-racial tensions, forbid the whites to mate with whites. The white woman must cohabit with members of the dark races, the white men with black women. Thus the white race will disappear, for mixing the dark with the white means the end of the white man, and our most dangerous enemy will become only a memory. We shall embark upon an era of ten thousand years of peace and plenty, the Pax Judaica, and our race will rule undisputed over the earth. Our superior intelligence will easily enable us to retain mastery over a world of dark peoples.

(Question from gathering) Rabbi—what about the various religions after the Third World War?

The Rabbi: "There will be no more religions. Not only would the existence of a priest class remain a constant danger to our rule, but belief in an after-life would give spiritual strength to irreconcilable elements in many countries, and enable them to resist us. We will, however, retain the rituals and customs of Judaism as the mark of our hereditary ruling caste, strengthening our racial laws so that no Jew will be allowed to marry outside our race, nor will any stranger be accepted by us.

We may have to repeat the grim days of World War II, when we were forced to let the Hitlerite bandits sacrifice some of our people, in order that we may have adequate

documentation and witnesses to legally justify our trial and execution of the leaders of America and Russia as war criminals, after we have dictated the peace. I am sure you will need little preparation for such a duty, for sacrifice has always been the watchword of our people, and the death of a few thousand Jews in exchange for world leadership is indeed a small price to pay.

To convince you of the certainty of that leadership, let me point OUT TO you how we have turned all of the inventions of the white man into weapons against him. His printing presses and radios are the mouthpieces of our desires, and his heavy industry manufactures the instruments which he sends out to arm Asia and Africa against himself. Our interests in Washington are greatly extending the Point Four Program for developing industry in backward areas of the world, so that after the industrial plants and cities of Europe and America are destroyed by atomic warfare, the whites can offer no resistance against the larger masses of the dark races, who will maintain an unchallenged technological superiority.

And so, with the vision of world victory before you, go back to your countries and intensify your good work, until that approaching day when Israel will reveal herself in all her glorious destiny as the light of the World!"

The above speech was made in Budapest on January 12th, 1952.

cession . . . "We . . . ARE . . . Committed" — Thus he has openly exposed himself and Secretary Hull as LIARS.

President Roosevelt is a 32nd degree Mason, and his Cabinet members are also high-degree Masonic Brothers—and so are 75% of all Senators and Representatives. Does this explain his sinister control of Congress despite party lines? . . .

MASONIC BROTHERS:—

Are you willing to remain the intimidated and coerced subservient slaves of your Jew-controlled Lodges, rules and oaths and be used as instruments for the destruction of Gentile and Christian civilization . . . or . . . can you finally recognize that the Germans are not the brutal conquerors as pictured by the Jew-controlled press and corrupt and treacherous public officials or British-paid propagandists — but that they are the LIBERATORS of all Gentile nations of the deadly Jewish money control that has strangled them for centuries? —

GENTILE FREEMASONS

**What Every Gentile Freemason
And Every Gentile American
Should Know About
Freemasonry**

The following compilation of facts is mainly prepared for the enlightenment and protection of the rank and file of the Masonic Fraternity as well as for the information of the Gentiles in General.

The Masonic Brothers—excepting those of the very highest degree, are just as misled, fooled and betrayed as are the citizens and taxpayers in National and International affairs by the political “leaders” and government officials. In both cases—in the Fraternity as well as in the Government affairs—the rank and file is kept in absolute ignorance of the truth and the real aim and object of the leaders. Their real duty is: **PAY—OBEY—SHUT-UP!**

For the enlightenment of Freemasons and non-masonic Gentiles—just an illustration of recent date regarding Communist-Spain from Masonic sources:

“In this struggle **NO ONE**—individually or collectively **HAS THE RIGHT TO BE NEUTRAL**. Because the Spanish Grand Orient has always fulfilled its duty, international Freemasonry will back it up. (N. Y. Times, Aug. 19, 1936).

FURTHER: “We are calling on you so that you may **USE ALL THE MEANS** in your power **TO OBTAIN THE CANCELLATION OF THE AGREEMENT** of neutrality.” (From “Spain” — a Masonic appeal in “New Age” December 1936.)

Also “Spanish Freemasonry is completely, totally and absolutely on the side of the Popular Front (Communists). Those who do not act accordingly are traitors to Freemasonry.” (A. B. C. Madrid, October 20, 1930.)

AND FINALLY: “Freemasons succeeded in bringing a large number of warships over the side of the Popular Front (Communists) and those who abroad are working for **THE ABANDONMENT OF THE POLICY OF NEUTRALITY ARE FREEMASONS.**” (From Da Grafo-Barcelona, October 15, 1936.)

Gentile Freemasons and Gentile Americans:

The so-called Spanish Loyalist Government was Jewish-Communist. They were against Christianity and Gentile Civilization. They destroyed wilfully Churches by the hundreds, killed Priests and Nuns by the tens of thousands and the Gentile population by the hundred thousands. Communist-Jews of Soviet Russia in co-operation with Jew-controlled Spanish Masonry overthrew the Monarchy, destroyed the Republic and finally incited the camouflaged civil war which in reality was a war of Anti-Christian Jewish Communism against the Catholic Church of Spain. These are facts.

Democracies who try to make their people fight just to satisfy Jewish hatred against an awakened, race-conscious, nationalistic government.

And also in our United States the lines are clearly drawn on the one side are the Jews and their tools and treacherous hirelings, and on the other side the Patriotic American Gentiles.

The giving up of our neutrality means war; it means **WORLD WAR**. Do you approve that Freemasonry instigates another **WORLD WAR** in the interest of the **JEWS**? The last World War was started by the Jew and Freemason Mr. Princip. What do you say, Brother?

And note once more the Masonic instructions: “To the Governments and Parties of all countries **TO DO EVERYTHING TO BRING ABOUT THE EUROPEAN WAR.**”

JUDAISM . . . or AMERICANISM Which?

Hoping that you will see the real light — I am

Very truly yours,

Ernst Goerner.

October, 1939

January 7, 1941

Events are moving very fast. Roosevelt's speech of January 6th on the State of the Union was practically a Declaration of War. This evil man has sold out America to the international Jews, falsely named “Great Britain.”

He has betrayed our United States over and over, and responsible newspapers and citizens have openly charged . . . “That he can't be trusted.” Such is the worst trait of any public official.

WHO THEN IS OUR PRESIDENT?: — Well — here it is out of his own mouth:—

“As acting head of the Navy I had violated enough laws to be sent to the penitentiary for 999 years.” (February 1920, Brooklyn.)

“Penitentiary” in popular language means: “Behind the Bars”—but the punishment for “treason against” or betrayal of a country is and ought to be . . . “The Rope.”

President Roosevelt in his excited temper and zeal to deliver the goods to his masters, the Jewish-British Plutocracy threw all caution to the winds. He even forgot that he and his Secretary of State had repeatedly assured the American people that there were “**NO COMMITMENTS.**” But in his war-mongering message of January 6th he stated three (3) times in close suc-

ANOTHER WORLD WAR IS SECRETLY BEING PREPARED

The Czecho-Slovakian Crisis was just another conspiracy to start the conflagration. The Jew controlled Masonic Leaders of England, France, Czechoslovakia, and the United States are working underground feverishly to betray their people. The results are already coming to the surface. On Aug. 29, 1938, the effect of such nefarious activities became apparent in page-wide headings: "U. S. HAND SEEN IN CZECH ROW"—"Britain BELIEVES HELP IS PLEDGED."

"The British public appears to believe that PRESIDENT ROOSEVELT'S GOVERNMENT HAS COMMITTED THE UNITED STATES to what virtually amounts TO AN ALLIANCE WITH ENGLAND, in the event of war in Europe." (Chicago Tribune, Aug. 29, 1938.)

If true—it would mean THAT ROOSEVELT, Hull and others in and out of the Cabinet, together with the official and unofficial Presidential Advisors were TRAITORS TO THE UNITED STATES. Convince yourself that Roosevelt and his treacherous conspirator clique are either Jews or Jew controlled Freemasons. As Patriotic AMERICANS—DO YOU STAND FOR THIS ? ? ?

* * *

THE . . . "NEUTRALITY" . . . CRISIS

And now we have finally the "Neutrality Crisis." It may be the final attempt of world Jewry and Jew controlled Freemasonry to get this country into WAR and thereby create another world-wide-war, after the Czecho-Slovakian and now the German-Polish Crisis have not produced the desired results.

The Bloom bill, the Embargo lifting provisions and the "Cash and Carry" plan were inspired by Jews; written by Jews; introduced by Jews and are supported by International Jewry and their tools and hirelings in and out of the White House and Congress.

The issue is clear: In Europe there is no conflict between German and English and French. The issue is—between Jews and Gentiles. The people of Europe do not want to fight each other. They have no grievances. But it is the Jew-controlled governments of the so-called

The whole set-up of the leaders, advisors and organizers in the Communist-Loyalist government of Spain was Jewish; imported from Moscow. They were supplemented by the notorious revolutionary bloodhound, the Jew Bela Kun, and others. Thus the stage was set for a second edition of Bolshevik slaughter in Christian Spain.

The New York American of April 4, 1936, quoting a Jewish Telegraph Agency cable from Paris: "INTERNATIONAL JEWRY IS DEFINITELY SIDING WITH THE SPANISH GOVERNMENT." . . . and because the "Spanish" Government was a Jewish-Communist dictatorship in Spain—the editor of the Jewish paper—"New York Morning Freiheit" the Jew-Communist M. J. Olgin, wrote as follows: "The WAR that is fought IN SPAIN today is wider than the Spanish Territory. It is OF LIFE AND DEATH SIGNIFICANCE FOR THE JEWS OF THE WORLD."

The startling evidence of the CONSPIRACY OF FREEMASONRY TO START ANOTHER WORLD WAR in the interest of world Jewry is contained in the following Masonic instruction:

"To the Governments—Members of Parliament and Parties of all Countries! . . . to do everything to bring about the European War before the beginning of the 'next harvest in Germany'." (Instruction of the "Grand Supreme Council of the Franco-Maçonnerie Internationale".)

Was that the reason why the FREEMASONS URGED THE DISCARDING OF NEUTRALITY and appealed for help to save the Jew-Communists in Spain? Does this or does this not indicate Jew-control of the Masonic Order?

Now Let Masonic Brothers tell the Facts about Freemasonry:—

1. SPIRIT—FOUNDATION ORGANIZATION

SPIRIT FOUNDATION ORGANIZATION

1. "The Spirit of Freemasonry is THE SPIRIT OF JUDAISM in its most fundamental beliefs. It is its ideas, its language, it is mostly its organizations." ("La Verie Israelite" 1861 IV P. 74.)
2. "OUR RITE IS JEWISH from beginnng to end." (Bro. Ru. Klein, "Latomia" 7-8-1928.)
3. "MASONRY IS A JEWISH INSTITUTION whose history, degrees, charges, passwords and explanations are Jewish from beginning to end." (Rabbi Dr. Isaac Wise in "The Israelite of America" Aug. 3, 1866.)

4. "MASONRY IS BASED ON JUDAISM." ("The Jewish Tribune", N. Y. Oct. 28, 1927.)
5. "Freemasonry s **FOUNDED ON THE ANCHIENT LAW OF ISRAEL.**" (Bro. Rev. S. McGowan, in "The Freemason", April 2, 1930.)

II. AIMS — USAGES — DUTY

1. "The Freemasons erect a building in which the God of Irsael will live forever." ("Freemason's Guide" — N.Y. 1901.")
2. "EACH LODGE IS AND MUST BE A SYMBOL OF THE JEWISH TEMPLE; EACH MASTER in the chair, A REPRESENTATIVE OF THE JEWISH KING; and every Mason a personification of the Jewish workman." ("An Encyclopedia of Freemasonry". Phil 1906.)
3. "THE GRAND LODGE MASONRY of the present day is **WHOLLY JEWISH.**" ("Manual of Freemasonry" by Richard Carlile.)
4. "The initiate of the Master rite is referred to as "a humble representative of King Solomon." ("The text book of Freemasonry" London p. 7.)
5. "In the Scottish Rite, the dates of official documents are given according to the era and month of the Jewish calendar, and use is made of the Hebraic alphabet." ("Jewsh Encyclopedia" 1903, vol. 5, p. 503.)
6. "THE COAT OF ARMS used by the Grand Lodge of England is entirely **COMPOSED OF JEWISH SYMBOLS.**" (Transactions of the Jewish Historical Society." Vol. 2, p. 156.)
7. "THE MOST IMPORTANT DUTY of the Freemasons must be **TO GLORIFY THE JEWISH RACE.**" ("Le Symbolism", July, 1928.)

III. THE NAKED TRUTH

1. "We cannot help but **GREET SOCIALISM** (Marrism) As an excellent **COMRADE** of Freemasonry." ("Latonia") vol. July 1849, p. 237. — A German Masonic Journal). "THE MASONIC RELIGION should be . . . THE LUCIFERIAN

DOCTRINE. LUCIFER IS GOD . . . the true and

pure philosophic religion is the belief in Lucifer'; (Instructions by Albert Pike, Grandmaster, Grand Commander of the Supreme Council of Charleston. Sovereign Pontiff of Universal Freemasonry in "The Free-mason" 19th January 1935.)

IV. THERE IS ONLY ONE FREEMASONRY

1. "Anyone accepted in the Masonic Fraternity must take an oath — and is called "Brother" by all Masons the world over". (Bro. Aug. Horneffer in "Der Bund der Freimauerei.")
2. "To the enemies of the Masonic Fraternity we have to make it clear that there is **UNITY OF PURPOSE** between all lodges and **THAT THERE IS ONLY ONE FREEMASONRY.**" (Grandmaster Quartier LaTente at Masonic Congress, Geneva 1901.)
3. "Freemasonry constitutes everywhere a solid unit. It is united in the spirit of the secrets; united in aim and object; it forms one family; one corporation; one common Brotherhood; one united order." (Bro. A. Preuss in "Studies in American Freemasonry.")
4. "As there is only **ONE** mathematics — not an English, Scotch or French, so there is also only **ONE FREEMASONRY.**" (Bro. Ragon in Orthodoxie Maconnique", chapter XXIII, p. 353.)
5. "**THERE IS ONLY ONE FREEMASONRY.**" (Grandmaster of Freemasonry in Germany, Count Dohna.)

V. FACTS AND CONCLUSIONS

The United States are absolutely controlled by the Jews by means of Freemasonry-Jewish and Gentile — which occupies all important positions in Government and Public affairs. This is the reason why independent patriotic men are excluded from the Government. **THE FREEMASONS SWEAR ALLEGIANCE TO AN UNKNOWN, ALIEN SUPERIOR.** Despite this fact they hold all the important positions in the Government.
IS THIS THE REASON —

WHY EVERYTHING GOES WRONG?

FINAL WARNING

Gentile Freemasons: We assume that you are patriotic Americans first and place the welfare of this country before the plans and commands of an International group of schemers and War Profiteers. The peace of the world is again at stake — and there is danger to this country.

Dear Mr. Hoover:-

Enclosed is a copy of a publication which I received in the Mail this morning, after carefully reading it I am of the opinion that it should be looked into, if you have not already done so as it strikes me as being on the verge of natzism and decidedly anti racial. I am a retired member of our armed forces U.S. Navy 1911-1939, 1942-1945 and am always on the lookout for anything that is not in accordance with our Democratic principles of Government. On a former occasion I had to call the attention of Naval Intelligence to what seemed to me subversive activities 1935, RE-Hackenjost, and T.V.A. for which I received a letter of comendation from the Chief of Bureau. My only thought in writing this is to stop any activities inimical to my country. Was sat on very hard in 1950 for bringing to light some Sabotage going on at the Naval Ammunition Depot, Crane Ind. and was eventually eased out after quite a number of years service as a Civilian Employee, but I still have my Country's interests at heart.

DESCRIPTION OF SUBJECT: Inapplicable

FACTS OF COMPLAINT: Complainant telephonically advised that she was in organization receipt of a letter from the subject/via mail on 12/22/53. She stated that this letter contained various pamphlets of a "rabel-rousing" nature. She stated that this organization claimed to be the voice of American Women, stating the true facts. She stated that among the remarks in the pamphlets were such phrases as "The coming red dictatorship"; and "Asiatic Marxist Jews control entire world". She stated that one pamphlet had photographs of prominent American men of Jewish extraction, such as DAVID LILLIENTHAL, and HENRY MORGANTHEAU. She stated that she would send these pamphlets in there entirety to this office. Due to the fact that the complainant spoke too rapidly and with an "Irish" brogue, it was difficult to obtain more facts than those set forth above, and efforts to get her to speak more slowly met with negative results. Indices reflect two principal files for organization and publication 100-7343 and 105-456, both of which are identical.

Reurlet 6-2-54.

Enclosed herewith is one photostatic copy of a pamphlet entitled "Abominable Yet True", issued by Woman's Voice, Room 803, 537 S. Dearborn Street, Chicago, Illinois. One photostatic copy of this pamphlet is also being enclosed for Chicago for information.

MR. ANDREW L. PICKENS, age about 65, is a Professor of Geography and Biology at Queens College, Charlotte, N. C. He acknowledged that he is somewhat absent minded and he stated that he could not locate the article by [redacted] to which he referred in his letter to the Director dated May 21, 1954. He stated that he believed that this article had first appeared in the magazine entitled "Journal of Heredity" and had been reprinted in the February, 1954 issue of Welch's Scientific Digest. He stated that this article, in which [redacted] had collaborated with a German woman, was on the subject of "Genetics" and that the article carried a picture of Adam painted as a white man and Eve as a Negress. He stated that the purpose of this article was to point out the Racial tolerance of Germany in the eighteenth century.

b6
b7C

On reinterview Professor PICKENS advised that he had been unable to locate this article by [redacted] and he stated that he believed he had read this article by [redacted] in either the Journal of Heredity or Welch's Scientific Digest at the Queens College Library.

Professor PICKENS exhibited a pamphlet entitled "Abominable Yet True" which he stated he had found in the Union Bus Station, Charlotte, N. C., about the first of the year 1954. He stated that he only had one copy of this pamphlet and that he desired to keep it, however, it was obtained temporarily for the purpose of photostating it. This pamphlet reflects it was signed by Eustace Mullins and was

issued by Women's Voice, Room 803, 537 S. Dearborn Street, Chicago, Illinois. This pamphlet reflects that Women's Voice purports to have a copy of a speech reportedly made by [redacted] in Budapest on January 12, 1952. This speech, which is set out in this pamphlet, states that the Jewish race must work to precipitate World War III within five years and that within ten years "our race will take its rightful place in the world, with every Jew a king and every Gentile a slave!" The speech states that the white woman must cohabit with members of the dark races and the white man with black women and thus the white race will disappear. b6 b7C

Professor PICKENS stated that there is some truth to the statement that the white race will disappear if the white and the dark races are forced to cohabit, and he stated that he became alarmed at this situation following the recent ruling of the U. S. Supreme Court ending segregation in schools. He stated that this was what prompted him to contact the FBI.

WACB no further inquiry is being made in this matter and this case is being closed.

HENRY H. KLEIN, PATRIOT

"BUYING TIME WITH THE LIVES OF OUR MEN"

Quotes from Agnes Water's written statements
Hearings before the Committee on Armed Services U. S. Senate, First Session on H. R. 7000: An Act to Provide for Strengthening of the Reserve Forces, and for other Purposes, July 7, 8, and 11, 1955.

"And I hereby call your attention again to the fact that President Eisenhower has admitted that this Government has been 'buying time with the lives of our men.' (See Presidential message attached to this bill H. R. 7000.) Which is an infamous admission.

"And now he is here with this bill asking for a blank check on the lives of our men to deliver over to our enemies at the League of Nations palace in Geneva at the Summit Conference on July 18, 1955.

"I hold in my hand a copy of The Copenhagen Resolution on world government which were adopted by The World Association of Parliamentarians for World Government, in August 1953 in Denmark. I hold in my hand and place in the record of their hearing, the reports of the first and second London Parliamentary Conference on World Government held in London at the House of Commons in September 1951 and September 1952. These contain the blueprints for the world constitution under the U. N. that would wipe out the United States and upon this evidence I ask that this bill be killed.

"It was President Eisenhower who demanded that the Senate ratify the three secret NATO treaties that made this Nation an occupied country.

"In conclusion let me state that it was General Eisenhower who testified in the draft extension hearing in the House Armed Services Committee in the extension of the draft law in 1946 that he wanted the draft law extended because these drafted men were to be put at the disposal of the United Nations Organization under our commitments at the time, 1946. The Soviet General Vasiliev was the Chairman of the U. N. Military Affairs Committee, and was then planning the arming of the United Nations and this Soviet later launched the war in Korea and sprung the death trap for 145,000 of our men.

"And it was upon this testimony, based upon the demands of Soviet generals in the United Nations, that General Eisenhower supported the extension of the draft to give our men to the UNO. (See hearings Extension of Training and Service Act, p. 2, March 21, 1946.)

"This is the same General Eisenhower who sold us out at Berlin, who stopped General Patton, and who is responsible for the Soviet occupation and the Soviet sector in Berlin. He was also the Supreme Commander of our United States Forces and was responsible for the loss of 10,000 American men at the Battle of the Bulge.

(Continued on Page 4)

"There is a Plot of World Destruction. The Blueprint is the Protocols of the Learned Elders of Zion."

During my acquaintance with Mr. Klein from June 1945, he never wavered in that statement. Henry H. Klein was my friend because he told me the truth. It was a bitter pill. For years I had been seeking the cause of war in the aftermath of WW I, when I learned that all those grand slogans "War to end War" — "Save Democracy" were lies; that the high idealism of my generation was betrayed by these lies. I read English books by real Englishmen who tried to tell the truth; that WW I was not of Germany's making but planned by England, France and Italy; that Lord Asquith's cabinet worked secretly without the knowledge of the English Parliament. (See Women's Pioneer in War Wilderness, my speech to the 1944 convention). When Henry Klein said to me "The Protocols of the Learned Elders of Zion" I was shocked. I was in the same position of those who say to me "Why blame the Jews?" "Tolerance" etc., etc. 27 years in the Christian Science Church had rendered me "lukewarm to evil." So many nice Jews, the mother church full of them. Even my metaphysical class, the nicest people were Jews.

My debt to Henry Klein? No one but a Jew could have convinced me of the protocol plan—freed me from Christian Science Mesmerism. He is the only Jew in this country who had that kind of courage. He threw away a life time of friendship and success to tell the truth to his own people and to all Americans. The one thing he always said to me: "There is one thing the American people should read, 'The Protocols of the Learned Elders of Zion.' They should read it with the morning paper."

MEETING HENRY H. KLEIN

I met Henry H. Klein in June, 1945. He was a speaker at the Convention of "We, the Mothers Mobilize for America, Inc." called as a protest against the U.S. entering the United Nations. 105-455-78

Henry H. Klein, Patriot

lawyer for Col. E. N. Sanctuary. His opening statement to the jury in that sedition case is a masterpiece of clear thinking and constitutional safeguards. I still have the mimeographed copy of that speech and as far as I know, W. V. is the only one that ever put it out in the thousands. I have always been struck by his first fact of proof. "We will prove that this persecution and prosecution was undertaken to cover the crimes of the government by President Roosevelt."

In order to bring Henry Klein to Chicago to that 1945 convention, we guaranteed expenses both ways for himself and Col. Sanctuary; two body guards who took him to his room, locked him in and let him out the next morning, and remained in every session we held. While speaking, he would accept a glass of water only when Col. Sanctuary had gone to a public faucet and drawn it himself. He never sat at a table in a restaurant but at the public counter where he could watch every move.

The last time I saw Henry Klein was in New York. He saw me off on a train and we had lunch together. As we entered the restaurant, I started toward a table and he really bawled me out. He told me what a fool I was ever to sit at anything but a public counter and that he was alive only because he was a Jew and knew the working of the Jew mind. At that time he told me he had narrowly escaped death three times in the subway of New York, simply because he knew how the Jew mind works.

He had a keen sense of humor. When we would go any place I always paid the fares, tho he insisted I give him the money. But even if we went but a few blocks, he tipped the driver a dollar . . . my money. He always called me "old lady Van Hyning." When I met him my hair was ungrayed; also I am a small woman. He said he could visualize either a very large woman or a very old woman saying such hard things as I had been saying.

At this first meeting in Chicago, Henry Klein talked to me three hours as no one has ever talked. He laid down the law. While I had been seeking the cause of war since 1919 and had in turn blamed the ammunition makers, the newspapers, the politicians and the money makers . . . yet he gave me the answer . . . i.e. *The Plot, by the Jews' self appointed leaders of the Jews to rule the world.* He told me he had read a thousand books after he once got on the trail, in both Yiddish and English. He never documented but spoke from sure knowledge. "Let someone else do the documentation. It is all in the record." He explained to me the Kehilla (see "Zionism rules the world") and how the Jews are held in absolute servitude by that Kehilla. He said maybe 90% of the Jews do not have knowledge of the plan, but they all pay tribute to it. There can't be a "good" Jew, he said, in the sense of a loyal patriot unless he defies the Sanhedrin, as he, Henry Klein did, as Levy of England did, as Lazarre of France did. He challenged my patriotism and my integrity with these words: "Mrs. Van Hyning if you are sincere, you will expose this Protocol plan, and will put the spot light on the big Jews, Baruch, Lehman, Frankfurter, et al. If things go as far in America as they did in Germany, there will be such a pogrom as was never known in all the world, and my people will never be permitted to live in any country again. Sure, Gentiles serve this protocol plan, but they are hirelings, greedy tools. It is the plan that must be exposed. (Carpenters follow a blueprint, but they are not culpable as to the result). The only obscene thing about the Protocols is that there are minds so vile as to plot the destruction of the whole world."

Mr. Klein nicely knocked the foundations out of my money theory as the cause of war. Money is inanimate, some one has to manipulate it. Baron Rothschild said it: "Let me control the money, and I care not who makes the laws. Through the Federal Reserve Banks, the Jews control the money, the life blood of America." I recalled then what Henry Ford had said: "If you want to stop wars, corral 50 of the richest Jews."

One other terrible shock, he gave me: "Hitler didn't murder Jews. The Jew leaders kill their own in order to excite world sympathy. Hitler was built up, financed by the Jews of New York, the same as Lenin was."

On the platform that night in 1945, he said of the UNO, "It was brewed in hell and is the fulfillment of the Protocols. It destroys the United States of America." Also, "If they want to find the real war criminal, they will have to go to hell for Roosevelt is there."

Right after that we began advertising the Protocols, and have sold hundreds and thousands of copies. We printed in pamphlet form 10,000 copies of his opening speech at the sedition trial. We printed thousands of copies of his Four in One, his Three in One, his Impeach Roosevelt, Impeach Frankfurter, and practically every month since June 1945, W.V. has carried an article by Henry Klein.

I saw Henry Klein only three times, once in Chicago, twice in New York, but in that time he never faltered from his original position "Read the Protocols, the plan is there." He never tried to cloud the issue by throwing in the Khazars. He hoped to awaken Jews to their danger so that they would stand up against their betraying leaders.

I have been asked many times "Do you trust Henry Klein? After all he is a Jew." This query came especially after the Conde McGinley trial at which Mr. Freedman testified that he had given Conde \$100,000; that he often got out whole editions of COMMON SENSE and that his wife was very active in the woman's unit of the B'nai B'rith. I have no opinion as to why that testimony was given. I know that the effects were disastrous to us. Letters came from foreign countries "Does every American nationalist paper have a Jew behind it?"

Henry Klein sent us articles, we printed them. That was our connection. Since I knew him, Henry Klein had no money. I once saw him borrow lunch money from the newsboy who sold him papers for 20 to 30 years. We sent him small pittances. I sent him \$100 to help in his operation.

I, recently, had a letter from Gerald L. K. Smith asking for Mr. Klein's manuscript on the Protocols. My first impulse was to send it to him as my principle has been cooperation with all Nationalists. But due to the chaotic condition of my files, in moving, I could not, at once, lay my hands on it. Then on second thought I asked myself "why should Mr. Smith, who supports the Bricker Amendment, and who has warned against any Nationalist who opposes it, want with any of Henry Klein's articles?" I never talked to Mr. Klein about the Bricker Amendment. My own condemnation of this was made solely on my own responsibility. Yet soon after that January, 1954 expose of the Bricker Amendment came out in W.V., Mr. Klein sent me that quote: "The Bricker Amendment if adopted, means death to the Constitutional government of the U. S. It would legalize which is now only a government."

Communism Triumphant

The complete triumph of militant Luciferian Communism in Geneva, last July, can not be denied: it contrasts vividly with the dormant, even stagnant state of Christianity, the world over. The Satanists, Bolshevik murderers whose inhuman bestiality has been exercised, unchecked, over a long period of time; who have committed every conceivable crime; whose hands are dripping with the blood of millions and millions of human beings; who have tortured, shackled, drowned, buried alive countless men and women and even mercilessly crucified helpless, innocent little children whose blood they used in accordance with their abominable gnostic and anti-Christian rituals; who raped women and slaughtered innumerable workers and peasants; who have robbed people of all they possessed, burned down their dwellings and also burned and profaned their churches and deprived them of every vestige of liberty; who instituted networks of delation and espionage, abducted and killed anti-communists; who sentenced numberless half-starved people to hard labor in slave camps — all those perpetrators of an orgy of crime have proclaimed and shown to the whole world, in Geneva, that they have finally achieved complete mastery over all the leaders of the peoples of the earth and that their triumph is complete.

They have told the truth. At Geneva they were hailed as the masters of the world by a President of the United States, Dwight Eisenhower, himself utterly controlled by Bernard Baruch; by a representative of Britain, Anthony Eden and by another from France, M. Pinay. Each one of them dutifully paid obeisance and duly bowed head and knee before the master assassins, the Comrades Kruscheff, Bulganin, Molotov, Zhukov; they exchanged greetings, they clasped hands and even embraced those Satanists whom they must, henceforth, acknowledge as their masters and leaders.

Geneva! worse than Yalta, worse than Teheran, worse than Potsdam! Geneva, where atheistic, sanguinary Communism reached the summit of its triumphal march! — The goal set forth by Lenin when he wished to see the Soviet flag floating everywhere has been reached.

What place did Christianity occupy in Geneva? What part was ascribed to it in the deliberations of the Great Four on the subject of peace? None!

Truly, did Our Lord Jesus Christ say to His disciples: "My peace I give you, not as the world gives it..." Christ's peace was not wanted at Geneva, that peace which comes with the fulfillment of His divine doctrine, the peace of the Man who killed no one, never inflicted suffering, who comforted the afflicted, forgave sinners, fed the hungry, bestowed true freedom on human heart and spirit, who vanquished fear, and, yet on whom was applied every conceivable torture by the Pharisees, by Annas, Caiphas, Herod, the High Priests of Jerusalem, as well as by the compromising, timorous, weak Roman Pilate. His doctrine, His example, His teaching were not only ignored but were trampled upon at Geneva.

His only earthly triumph had been His humble entry into Jerusalem surrounded by the lowly mob of those that He had taught to free themselves from the tyranny and oppression of a law as unbearable as that of Communism. He had flooded their suffering hearts with the peace that He alone gave and still gives.

At Geneva no word of sympathy or comfort was uttered for the millions of unfortunate human beings who day and night are tortured and dying in Soviet jails and slave labor camps. Not a single plea was made to their state of endless suffering and wretched misery of body and soul... they remained the forgotten factor for whom no plea of mercy or pity was voiced. In truth was the Christian spirit totally absent from Geneva.

But at that conference there re-echoed the vociferous clamor of two thousand years ago, "Crucify Him! Away with Him!" And in Geneva also was worked the spectre of Voltaire, with his sardonic grin of complete satisfaction. Was not his blasphemous command against Christ being fully obeyed. "Gerasey! 'Linfame! Crush, trample upon the Infamous!..." he had thus said and written. Behold! in Geneva Christianity was trampled upon — Voltaire's rictus of infernal satisfaction seemed imprinted upon the faces of those who sat at the Big Four Conference table.

Yet another invisible guest in that hall was the ghost of Jean Jacques Rousseau, contemporary of Voltaire and just as evil, he too was now equally gratified, for, was not the youth of the whole world being speedily plunged into the vortex of perversion and immorality through the teachings and tactics of UNESCO which might be considered and called the brainchild of atheistic Rousseau?

Around the Conference table in Geneva who could have failed to conjure up the ghosts of Lenin, Trotzky, Stalin, Zinovieff, Kameneff, Radek and a host of others who drenched Russia and other countries with the blood of Christians of all classes? The tragedy of Lady Macbeth has been re-acted for all those who, at Geneva, clasped the hands of the murderers, torturers and assassins of the Christian peoples of Russia, Poland, Hungary, Czechoslovakia, Yugoslavia, Rumania, Bulgaria. The hands of EISENHOWER, Dulles, Eden, Pinay are as red and bloody as those of Kruscheff, Bulganin, Molotov, Gromyko, et al., as red as the hands of their predecessors, Lenin, Trotzky, Stalin, Derjinsky, Vichinsky and long lists of others, all murderers, sadists and assassins. From such hands the blood can never be washed off any more than were Pilate's when he sentenced Christ.

A curious but very significant fact is that at Geneva, at no time during the Conference did the Communists of the Kremlin utter a single word of repentance for the series of abominable crimes they have committed against humanity from the time they seized power in 1917 until the present moment when their tyranny against human beings is still being fully exercised. Neither Eisenhower nor Eden

BUYING TIME WITH THE LIVES OF OUR MEN

(Continued from Page 1)

"This is the same General Eisenhower who told the French that he was only one-twelfth an American, and this is the same General Eisenhower who was the Supreme Commander of the NATO, and who now as President of the United States of America confesses to you in the Presidential message attached to this draft of reserves bill, that we have been 'buying time with the lives of our men.' I ask that this bill be killed.

"Yours for Americans,

STATEMENT OF MRS. AGNES WATERS

Washington D.C.

MRS. WATERS. Mr. Chairman and members of the committee, my name is Mrs. Agnes Waters, and my address is Box 3560, Washington, D.C.

I will qualify myself here. I am a real-estate broker, all my life, established here in the District of Columbia, and I am the widow of a veteran of the First World War and a mother of a veteran of the Second World War.

I have been before this committee about 16 years fighting these draft bills, as you well know, not because I am a pacifist, because I am a fighting American, and I would be perfectly willing for all of the boys to be drafted if it was in the defense of this Republic.

But I have evidence that I want to submit before this committee to the effect that these boys are not being drafted into the defense of this country, but in respect to secret commitments and secret treaties that have been made.

I have a prepared statement, and I understand from your letter that I may submit it and have it printed in the record. It is too long for me to read at this time, so I will simply summarize it, and if you want to give me 10 minutes to speak extemporaneously, my statement—

Chairman Russell. We will be glad to allow you 10 minutes from now, Mrs. Waters, and then you may file it for the record.

Mrs. Waters. I hope I do not overstep my time, but I might.

This is a momentous moment in the history of America. We are now at the crossroads, going down a road from which there is no return.

In support of my charge that these boys are not being drafted in defense of the United States of America but are to be taken out of this country and placed in foreign legions at the disposal of our enemies, as was done in the Korean catastrophe under the United Nations, I have in my hand a clipping from the Sunday Star of Washington, Sunday, February 13, 1955, and it says here—this is in February when this plan was first thought of, was presented, I think, at the opening of Congress—"United States Reserve System Hit by Gruenher as NATO Weakness," and he goes on to

say that he must have these units in NATO—that is the North Atlantic Treaty army.

There is also a dispatch here from General Hull, who was at that time commander in the Far East, in Asia, U. N. commander, in which he requests this draft.

He asks for the draft. I want to present to the committee a clipping from the Chicago Daily Tribune of Saturday, October 30, 1954, and the headlines are—this is 1954, October 30, which is last fall—the headlines are, "U. N. Debating World Army Plans for Peace" and "Observers Expect the Use of United States Draftees."

Now I want to put in the record and make it a part of my evidence a map that is called a world government plan, with alien troops to police the United States, and the United States is divided up into Soviet sectors, with Mongolian troops to police Canada and Mexico, and this is a disarmament plan that is about to be consummated, and this is a most opportune moment for me to present it in the history of America.

This plan is a plan of world government that is secretly to be consummated, a disarmament plan, at the conference at the summit at Geneva, at the Palace of the League of Nations.

Now, General Eisenhower himself, when he was Chief of Staff, I remember, when I was opposing this extension of the draft, he came down and testified before the House committee, House Armed Services Committee, in 1946, and you can read his testimony, and I have it here with me.

On page 2, he says that these boys must be drafted to fulfill our commitments under the United Nations Organization, and at that time I had fought and I was well familiar with the Charter of the United Nations because I had opposed it myself in the hearings in 1945, July—there was nothing in the charter that said we were committed to deliver over our Armed Forces to the United Nations. This is 1946.

Now, that very year that he demanded the draft extension and said that the commitments of the United States to the U. N. must be fulfilled with drafted American boys, which

is absolutely illegal because we have no right to turn over our men as slaves to any foreign nation or to any group of foreign nations, absolutely unconstitutional, and those boys were turned over—at the time that General Eisenhower testified that that was the basis of the draft—

I hold in my hand a bulletin, State Department 422A, dated August 3, 1947, a year later, in which a report, a year's study was made of arming the United Nations and the proposals were put forth, set forth in this document here, this bulletin which I am making a part of this record, in which the Soviet General Vasiliev demanded these combat troops be placed at the disposal of the United Nations, and he planned the arming of the United Nations, as Chairman of the Military Affairs Committee of the United Nations, which was entirely a Soviet set-up, with 6 votes to our 1 vote.

In my hand I hold, and I offer for evidence, an intelligence report, a white paper, put out by the United States Department of Defense, in which the Russians are charged with having launched the war over the 38th parallel in Korea, and on page 4 it says that the commanding general who gave the order to attack on the 25th day of June 1950 was no other than General Vasiliev, the former chairman who planned the army of the United Nations, who was on both sides.

No wonder we could not win this war in Korea. He had planned a Russian rattrap which was an execution chamber for our finest combat troops, with the dire result that our generals who testified here under oath said that they were not permitted to win the war in Korea, that every move, every particular tactical and military move, was reported back to the Soviet officers in the U. N. and the U. N. Minister of War Information and Communications of the United Nations war information, communications, finance, or something, in the United Nations was Arkady A. Sobeloff, of Russia, and all our orders, every move we made, had to be cleared with him first.

So, of course, the enemy received all that information, and we could not win the war in Korea. We were not permitted to win the war in Korea.

Now, this map is very pertinent, the map that I am presenting to the committee, and I would like to have every committee member read it. I mailed it to all of you—did you receive it, Senator?

This is a map I have given to you before.

Chairman Russell. I received one some time ago and looked at it very carefully, Mrs. Waters.

Mrs. Waters. Yes.

Now it specifies here that our troops are to be sent all over the world, that no American troops are to remain in the United States or any former country, and, if you please, this draft, together with the draft of our boys of 18 years and all our men is to be a blank check on our manpower to be

handed by the Congress of the United States over and delivered at Geneva in conformity with this map.

Now, I hold in my hand a Constitution of the World—demanding world law, world constitution, and this is a report of the Second London Parliamentary Conference on World Government and these people were your guests here in 1953. They were the guests of the Senate and House, these parliamentarians, and they were addressed by President Eisenhower in October 1953.

I find on the flyleaf, and I am going to make this a part of the record—this is the Constitution of the World, and it destroys all sovereign rights of every nation including ours, and we are to be dispersed; it is geopolitics. We are to be dispersed. We are to occupy the island in the Pacific, the largest island in the Pacific. We are going to Australia. If you think any American is going to go, why, you have got another guess coming.

If our trained men are taken out of this country it is a serious threat to our defense, and these men should not be drafted or placed under orders.

On the flyleaf of this book, this Constitution of the World, this prepared book they held secret disarmament conferences in London in February—this occurred in September 1952—and the vice president of this world government organization is none other than Congressman Adam Clayton Powell of the United States.

Now, I have in my possession the record of Mr. Adam Clayton Powell as listed by the House Un-American Activities Committee. He is listed on the masthead of the executive committee of the Communist Party with Earl Browder, as an executive director of the Communist magazine Fight, which was also the official organ of the American League for Peace and Democracy, whose director was a principal witness here before these Senate committees and House committees for all of our foreign policy, including the U. N., Clark Eichelberger. I have been after Mr. Eichelberger for his arrest for many years.

Now, I am presenting that evidence and other evidence that I have to the committee, together with this statement that I have, and here is—you can obtain this yourself. It is part 7 of the hearings by the House Committee on Un-American Activities, 83d Congress, first session, July 8, 1953, and on page 2173 Mr. Adam Clayton Powell's name is listed with Mr. Earl Browder.

I want you to become very aware of the fact that the principal basis of communism is world government, and that is also the principal, it seems like the principal, business of this administration and all the other administrations.

Chairman Russell: Mrs. Waters, I regret to say that I have indulged you 2 minutes already.

Mrs. Waters: I am very happy to present this evidence.

Chairman Russell: Will you please file your formal statement for the record.

Mrs. Waters: Yes.

May I just say one more thing. I want to call your attention specifically to one thing more. I do not wish to impose on you. I understand that these boys are to be drafted, some of them for civilian defense. Now, the civilian defense is notoriously stacked with Reds.

Chairman Russell: Mrs. Waters, I will have to ask you to stop.

Mrs. Waters: May I please say this: I have an intelligence report. On page 12 of that statement—I have an intelligence report from a former Army major, United States Army, in which he states dry runs were held—Chairman Russell: I saw that statement, I am sure.

Mrs. Waters: Dry runs were held in California.

Chairman Russell: It was printed, and you may file it here and we will file it for the record.

Mrs. Waters: I will be glad to answer any questions.

Chairman Russell: We are glad to have heard you. Many American citizens are very much aware of the possibility of our Government being submerged in a world government, but we will have to ask you to submit it in writing.

Mrs. Waters: I would say this: You do not have to draft any Americans for the preservation of this Republic. If any of these Reds within our gates attack us we have a hundred million Americans ready to jump to the guns, and we are not running.

Chairman Russell: Thank you. That will conclude your statement.

A Startling Question - Is Zhukov And "Vasiliev" The Same?

August 12th, 1955

Dear Mrs. Van Hynning: I thank you for printing my testimony in W.V.

It should be made clear that The "Compulsory Reserve" bill as passed by the Congress and signed by the President into law, was a compromise bill and was not a victory but a decided defeat for the Administration in that it does not draft any present veterans, but the Administration must wait for present G.I.'s to become veterans, which means it will be 1961 before the law can draft any "veterans".

The Administration has not given up, however, and Pres. Eisenhower has requested that The Defense Dept. begin now to work out "corrective" amendments to try to get thru the next session of Congress in 1956.

The JEWS never accept a defeat, they will even say its a great victory and etc. and the New York Times cited the fact that this bill passed with a large majority!

The history back of this move to draft all our trained men, our Veterans into the Reserves which heretofore was always a voluntary corps, is this: The Jews itch to get their dirty hands

on all our Veterans! They are not satisfied with merely drafting all our 18 year old boys, they want all our men! so it seems that in 1951 they got an amendment in the Universal Military Training Bill or the Extension of the Draft Law, that set-up the "National Security Training Commission" and a JEW was later made the Chairman and this Jew is Julius Ochs Adler, the General Manager of The New York Times Newspaper and the owner of The Chattanooga Times, this Jew was in the Reserves and was made a MAJOR GENERAL although he is NOT an Army man, BUT IS A NEWSPAPERMAN and for four years this JEW has been very busy making all sorts of PLANS to draft all our Veterans! and this "Compulsory Reserve" Bill is the product of his work. Also this "Maj. General" Julius Ochs Adler has been busy with plotting and planning A "MILITARY GOVERNMENT" of which he would be THE BOSS AS CHAIRMAN OF THE NATIONAL SECURITY TRAINING COMMISSION, with CONGRESSIONAL AUTHORITY UNDER either the proposed law or in the 1951 amendment to the Draft Act, which set-up "The National Security Training Commission" with Mr. Adler as Chairman and holding the military power of a MAJOR GENERAL!

This Jew Newspaperman, Julius Ochs Adler, was the FIRST AND MAIN WITNESS FOR THE "COMPULSORY RESERVE" Bill! In fact the Defense Dept. practically ignored a Regular Army MAJOR GENERAL AND A WEST POINT MAN, who is the official head of the Selective Service, Gen. Hershey, at the Hearings in the Senate Armed Services Committee in July 1955.

Also let me inform you that "MILITARY GOVERNMENT UNITS" using the U.S. Reserves, have held mimic battles in many States and Cities taking over in the name of "The United Nations" and INTERNATIONAL LAW! I placed that in the record of my testimony as you can read. Also at this very date mimic battles are being held at Fort George Meade, Md. under this set-up of "MILITARY GOVERNMENT" UNITS OF RESERVES. But the Jews' complaint is that they can't DRAFT ENOUGH VETERANS OR RESERVES TO REALLY CARRY OUT THESE PROGRAMS FOR FUTURE SEIZURE OF THE U.S.A. The news is that they require 58,000 or more "actors" to go fleeing down the roads in mock panic, and create various situations! Also they are setting men against men, in battle, and they can't get enough men to set the stage!

Now all this was not brought out BEFORE I WAS ALLOWED TO TESTIFY! indeed a very strange procedure was followed by the Defense Dept. being heard in the Hearings AFTER the opposition was heard! Two days later the first and main Defense Dept. witness for the bill testified. I was not permitted to know what I was up against. I did not know it was

the JEW NEWSPAPERMAN ADLER WHO WAS THE MAIN WITNESS FOR THE BILL when I testified, AND HE WAS KEPT HIDDEN AND UNDER WRAPS UNTIL IT WAS TOO LATE FOR ME TO GO RIGHT AFTER THAT JEW IN PARTICULAR! But I was guided by The Lord!

So, with the GUIDANCE OF MY LORD AND SAVIOR, JESUS CHRIST, doing all the talking for me, as HE always does, I WON THE BATTLE! but I was compelled to work and fight under severe handicaps, such as that reversal of ordinary procedure, which, in any court of law, gives a DEFENDANT the right to know and hear the charges and the witnesses and the case; before the opposition is heard the proponents are always heard, and then the opposition witnesses can testify with some knowledge of who the PROPONENTS ARE AND WHAT THE CASE IS; BUT NO! they summoned the opposition and heard us first, and then the JEW SHOWED HIS HAND! was most unfair and unjust to us.

But I had DIVINED it all, AND I KNEW WITHOUT BEING TOLD WHO THE "NIGGER IN THE WOOD PILE" WAS BEFOREHAND! and that's why I went after the REAL ENEMIES, THE JEWS, in no uncertain language! AND HOW! AND MY TESTIMONY HIT THE MARK, AND GOT THAT JEW RIGHT IN THE EYE!

You can read in the Hearings that the date I testified was July 8th and that "Major-General" JEW JULIUS OCHS ADLER, made his appearance and testified TWO DAYS AFTERWARDS!

But there was no need for me to REVISE any of my testimony! as it was a complete answer to that JEW! and I needed no rebuttals as I had everything except the KITCHEN STOVE, ON THE RECORD!

This Jewish business of Newspaperman Adler holding the military power of a Major General over our drafted American men, reminds me of some facts I read in The Defense Dept. "White Paper" or U.S.A. Intelligence Report of May 15th, 1954, in which it was testified that "Many Russian advisors" were attached to the North Korean Army Advanced Headquarters,

established in June 1950. They wore civilian clothing, the Major (who reported this information) added, and it was forbidden to address them by rank. THEY WERE INTRODUCED AS "NEWSPAPER-REPORTERS", BUT THEY HAD SUPREME AUTHORITY. They treated Korean officers who were nominally their chiefs, as servants or children. The North Korean Major identified two of them as Soviet Lieut. General Vasiliev, and Col. Dolgin, who were in charge of all movements across the 38th Parallel, and Gen. Vasiliev gave the order to attack on June 25th, 1950."

I also brought out in my testimony that this Soviet General Vasiliev was the Chairman of the United Nations Military Affairs Committee in 1946, and that he planned the Arming of the United Nations (see Report of Aug. 3, 1947 in State Dept. Bulletin 422a) and then he launched the war in Korea! and it was on Mar. 21, 1946 that Gen. Eisenhower demanded the extension of the Draft to fulfill U.N. commitments! Now I am wondering if this Soviet General "Vasiliev" could be Soviet General Zhukov, the bosom pal of Gen. Eisenhower? because I find in "Soviet Schedule for War 1955", which is contained in The Executive Hearings before The Committee on Un-American Activities, House of Representatives, 83rd Cong. 1st Session, dated May 13, 14, 1953, on Page 1731, that in Russia in 1947 there were guesses on the whereabouts of Gen. Zhukov, that is among the Russian Officers and students there.

Some stated that Zhukov would be put in a HIGH POSITION. And that in 1946 preparations were already beginning for the China war, and at that time Zhukov DISAPPEARED from Russia. By 1947 people were wondering what had become of Zhukov? Later on in 1947 it became known that Zhukov was in the Far East, AND THAT HE WAS CHIEF DIRECTOR OF THE MILITARY OPERATIONS IN CHINA! And then in 1951 he appeared again in WAR-SAW! This was AFTER the Soviet General Vasiliev had launched the war in Korea on June 25th, 1950!

Also in this testimony of the Soviet Col. "Bukar" it says that Zhukov is the GREATEST EXPERT IN MILITARY OPERATIONS IN THE FAR EAST, that in 1939 he had been the chief commander in Mongolia, where he defeated the Japanese Armies, AND THE RUSSIANS STATED THAT HE IS AN EXPERT, THE BIGGEST EXPERT IN MILITARY OPERATIONS IN THE FAR EAST.

Also this Col. Bukar states that certain people were supposed to speak ill of Gen. Zhukov, so as to "COVER-UP" the fact of what NEW ASSIGNMENT he might have. HOW MANY EVER HEARD ABOUT THAT? And I note with deep suspicion that nowhere in the Press was it ever reported that this bosom pal of Gen. Eisenhower is THE BIGGEST SOVIET EXPERT IN MILITARY OPERATIONS IN THE FAR EAST. Only his European association with Eisenhower is ever mentioned, yet he is the real power behind the Soviet Conquest of Asia! And no doubt, the doughty old General Marshall is as well acquainted with this wily fox of a Soviet General Zhukov in Asia when he betrayed China to the "Reds" as was Gen. Eisenhower when Gen. Eisenhower gave the Russians the corridor in Berlin! AND STOPPED OUR AMERICAN GENERAL PATTON FROM WINNING THE WAR!

Yours for America,

Agnes Waters.

Dearest Lyril:

We understand very well how you feel. We lost our Manuel, Jr. in May of 1953 so we know what you are going through. That numbness you refer to is the gift of our Merciful God to make pain bearable and fortunately it never does wear off entirely, we are inclined to think, but keeps that part of our hearts covered with a protective coating always. We came back into the front lines in 1953 a couple of dedicated warriors for the Lord and that's what you'll do too because nothing else is good enough.

Do not worry because I'm likely to get a dose of prison. It will help people everywhere to realize how far down the road toward military despotism this nation accidentally wandered. Every day I spend in prison will be worth while if I can make people realize that.

With love and sympathy,

Manuel and Lucille
Aug. Lucille Miller was given suspended sentences on 18 counts of violation of the selective service law. Her husband was fined \$1,000 and given a sentence of a year and a day for resisting U.S. marshalls who sought to take his wife from his home to an insane asylum.

It is cause for rejoicing that this case got enough publicity to arouse the people. "Give the people Light, etc." Contrast this with the Van Hynning Case in 1952. In Chicago, nine months, reporters from those Big dailies yet not one word printed. We're gaining ground back to America. Thank God for the Millers.

WOMEN'S VOICE

Communism Triumphant

(Continued from Page 3)

or Pinay even mildly suggested that the Soviet Communist envoys express a word of repentance for the sins of their criminal career.

How reminiscent was Geneva in 1955 of the second Congress of the Communist Third Internationale held in July, 1920 in both Petrograd and Moscow, led by Lenin, Trotzky, et al. In Geneva in 1955 the General Staff of World Revolution was represented by Bulganin, Kruschcheff, Molotov and Khukov. The "conspiracy" which had been defined by Comrade Kameneff at that Congress of 1920 has truly triumphed. How true were his words used to describe the method through which Communist victory was to be obtained. Let those words re-echo today:

"The Communist Internationale takes Civil war as the point of departure for all its acts and for all its tactics. In this war it desires to triumph."

It must be admitted that it had indeed triumphed. The list of nations torn by civil wars since 1920 is an uninterrupted record of bloodshed since the Communist Internationale boldly applied its tactics until the present day when that odious program is still being used. Russia, Spain, Hungary, Mexico, Indo-China, China, South American countries, North Africa, Korea have known the horrors of civil wars.

How near are we in the United States to such a civil war surging between Christians and anti-Christians, anti-communist citizens against Communists, colored people against whites?

In connection with the Geneva Conference which has just taken place, there comes to mind, almost unconsciously, the words of Lenin at that Third Internationale, second Congress of 1920 concerning President Woodrow Wilson when he was in Paris for the Versailles Treaty. Said Lenin:

"Keynes depicts for us those Versailles negotiations where the shopkeepers Clemenceau and Lloyd George showed Wilson up as a fool... when he began to present to them the 14 points and phrases about peace and justice. He describes how Wilson was completely befuddled, how Wilson came to the conference thinking that he would fool all of them, that he would realize a social peace, and, in the end, he left the Conference a wornout man, understanding nothing, but did everything as his opponents wished."

Logically, today, a question flashes through the mind. Will not a similar judgment be passed on President Eisenhower by the successors of the Bolshevist Lenin, now that they have won such a signal victory in Geneva?

It would be idle to attempt denying that the Soviet Communists did score a victory in Geneva. However, is not the main cause of their triumph to

be found in their militancy and iron discipline which is in striking contrast to Christian lethargic political apathy? The collective body of Christians which, in the world, forms Christendom appears as having failed in maintaining in deeds and constant united action the virtues which, for centuries had erected the Church militant and had contributed to the evolution and flourishing of civilization? Is not the success of Communist atheistic bolshevism built on the ruins of disunited Christendom and our own lack of militancy?

A short while ago, Senator Eastland deploring the concessions made by Eisenhower, Dulles, Eden and Pinay to the Soviet Communists in Geneva qualified the Moscow Kremlin envoys as "perfidious". But are we Christians less perfidious? Satanist Communists have, at least, been true to themselves and their evil instincts, they have faithfully served the hellish cause to which they are dedicated, they have done so by word and deed. Have Christians been true to their faith and its principles? Have they not allowed themselves to be controlled by fear, the fear of a powerful organized evil body which has crept into their various national governments, a fear of blackmail and calumny, a fear of a terrorism created and exercised by the world-wide *Anti-Defamation League of the International Jewish Order of the B'nai Brith*, as well as by evil secret societies whose main spring is persecution and eventual destruction of Christianity?

How many men or women in our own country, whether in the Administration or our American Congress have had or have the courage to speak the truth, the undisguised truth?

One, the late Congressman, Louis T. McFadden, who publicly unveiled the mechanism of the "hellish conspiracy". Fear and cowardice of so-called Christians and patriots are found at the root of Communist success and, with gigantic steps, they are leading the world toward the abyss of absolute perdition.

The deliberate suppression of Christianity such as the world witnessed at the United Nations and at the Geneva Conference will cause people to fall under the tyranny and despotism of a Talmudic **ONE WORLD GOVERNMENT** and to the universal triumph of Zionist Communism.

Only under the unblemished banner of Truth and Freedom unfurled over the world by Christ Himself, two thousand years ago, will the spirit of compromise with Communist evil and Interfaith be eradicated from our midst, then will Youth be saved from scandal, lewdness and immorality for alone, through a regenerated fearless Youth, will mankind evolve from the darkness of Marxist Communism into the brilliant light of a Christian peace, Christ's own peace.

JUSTICE BRANDEIS, Jew, of the Supreme Court of the United States of America, has clearly defined the fact of JEWISH NATIONALITY in the following words from the "Jewish Problem and How to Solve It":

"Let us recognize that we, JEWS,

are a distinct NATION of which each JEW is a distinct member whatsoever be his original country."

B. FELZ, in the London "Jewish Chronicle," of Dec. 8, 1941:

"Jews who pretend that they can be patriotic Englishmen and good Jews are simply living lies."

MOSES HESS (Jew): "Every Jew is, whether he wishes it or not, solidly united with the entire (Jewish) nation."

Dear Reader:

Someone has said that "Every citizen of a Republic should give (no reward, no recompense) ten years of service to one's country." Having given 20, I had hoped some one would carry on—but once one has put his hand to the plow, there is no stopping. The man who said 10 years did not mean these crucial times. Anyway, my "discharge" not having come thru, I am back to complete my term of service for Christ and country. The duration depends upon you. June, July, and August are "dry" months for nationalists and this year was especially "dry" according to the records I find.

June W.V., according to one of our oldest and most alert readers was the best ever issued; yet not enough sales to bring out a July issue. It is a rule of W.V. that a new issue does not go out until the bills are paid. Yes, we have had offers "Let's put out 100,000 copies." Who is paying for them? Our answer has always been "No." The quickest and surest way to lose independence is thru money control. The strings may not be visible but they are there.

Jesus went into the desert to renew His strength, contact with His Father. I have a slight conception of what He meant by "Seek ye first the Kingdom of God." As the final hold of earth lessens—one appreciates the beauty of this home created by God for His Children. It may be just a primary room, but Oh, He did it so beautifully. I've been out there in the desert 3 months. Have you watched the sun come up—and your whole being thrilled with the marvel of it? Have you poured out your love to God when the shuddering thought came "What if the sun never came up again?" We discarded God for the U.N. Might He not leave us in our chosen dark? We are always thanking our friends for such insignificant things. How often do we thank God for the sunlight? Do we thank Him for sight which enables us to see the sun? For life that holds our bodies upright? Do we thank Him daily, hourly, for life?

"Only God can make a tree." Only God can make a blue morning glory. A Heavenly blue—delicate as gossamer with gold throat, so thin, one can almost see through it; yet it is underlined with sapphire white. Men are so wise? They have discarded God—yet even a morning glory "which to-day is and tomorrow is not" is beyond them.

As one loses all earth's leaning, seeks "The Kingdom" one can see and love this beautiful earth which God gave to us all—but a few little squabbling ones have made hell out of the beauty and abundance. The Albuquerque flood is an example which we have seen but "it has not come nigh us." Greedy speculators working with corrupt politicians built homes in arroyos, God's river ways from the mountains. And the rains fell and the flood came. Those houses fell because "they were built upon the sands." Men had defied Nature and

God and all their advanced contraptions of "Science and Reason" were useless. Those waters tore through those arroyos, tearing up pavements, toppling those man-made wonders, modern road builders, like blocks.

One smart Federal engineer asked of an old Indian, "What did you Indians do before the white man came to help you with the floods?" The reply was perfect: "There were no floods before the white man came."

Senator Chavez came up with the perfect cure-all: "Now, don't you worry, Uncle Sam will pay for all rehabilitation." Will someone ask him where Uncle Sam gets his money? Doesn't it all come, even the wise Senator's salary, out of the pockets of the people whose homes were destroyed? The Senator was speaking to the Red Cross head on rehabilitating the flooded areas. What a racket the Red Cross is, is becoming clear, as shown by the refusal of the flood victims to accept Red Cross help. Seems that the "assistance" is charged up to them.

WOMEN'S VOICE has been a Daniel Boone going ahead, and it will continue that course. Reading back, we find that W.V. began exposing Fluoridation in 1947. Its theme song has been the *unconstitutionality of the Federal Reserve and Income Tax*. Mr. Birum wrote that he submitted his articles to all nationalist papers, but W.V. was the only one to accept. W.V. led way ahead on the NATO treaties and evidence now points that Congress is awakened. W.V. consistently and forcefully opposed the UN. Women's Voice had the courage to expose the Bricker Amendment hoax. Women's Voice "scooped" the Protocols, thanks to Henry H. Klein. It was the first after Henry Ford's forced apology to B'nai B'rith to advertise them. W.V. exposed the faked Pearl Harbor attack. Finally, its facts have never been refuted. A Jewess writes me "Women's Voice lies." She should convey that knowledge to the B'nai B'rith. For let it be known and remembered that I was sued for libeling the Jewish race or religion. A responsible man told me that during those nine months of the case, the B'nai B'rith had 25 girls going thru W.V. The case was nolle prossed no substantiation for claim of libel. The Rabbi Rabinovich article "Abominable Yet True" was published in W.V. May, 1952, while my case was in continuance. So if anyone questions the truth of W.V. let him prove his claim.

Would I could write to each of those who have sent letters. That is impossible, but my gratitude for your loving hand clasp must have reached you with my blessing.

It has been beautiful to know how many see Tom's going on as graduation. He had done his work, and the accent of all our future course will be hitting the eye of the destroying octopus... the income tax.

Milwaukee Journal — July 17th, 1955. PLANETARY GROUP WARNS BIG FOUR OF SPACE MENACE Geneva, Switzerland. (AP)

The "World Interplanetary Association" Saturday disclosed the secret reason the heads of government of the world's four major powers decided to meet here this week.

This is it. To discuss how to deal with beings from other planets who have delivered a "final warning" to the world by destroying atomic plants in Britain and Russia.

The association made this disclosure in a memorandum to the Big Four, signed by its president, Prof. Alfred Nahon of Lausanne. The association's congress has unanimously approved it, he said.

The utilization of atomic energy—even for peaceful purposes—was about to cause the disintegration of the universe, the memorandum said. The inhabitants of other planets realized the danger, and the only way to prevent attacks from outer space was to abandon the atom.

The memorandum called on the Big Four to tell the world the truth about aircraft from outer space, "observed in all countries since 1945," in order to avoid a "stupid panic" when the facts finally become known.

Henry H. Klein, Patriot

Continued from Page 2

I do not know if Henry Klein were a Freemason, but one time he sent me a little paper from the Masonic Lodge, "Brith Abraham" which had been addressed to him. He marked the place where this lodge had gone on record as "out to get" Women's Voice just as they "had got" Fr. Coughlin's Social Justice. I do know that he understood the absolute control of B'nai Brith over all Masonic Lodges, for he told me that without doubt, Bernard Baruch is the head of World Free Masonry as he is one of the three heads of the Sanhedrin.

Such was the Henry Klein I knew. Such was the challenge he gave me. He kept faith with me, and I with him. And that candle of truth cannot but grow brighter as Henry Klein's words, everyday, become more clear, more justified. He was not only my friend but a friend to all people who know the truth. Why have none of these big wealthy Jews helped Henry Klein? The "yard stick" between true Nationalists and pseudo is the protocols and Federal Reserve Banks. He stood firm on the Protocol plan and exposed the Federal Reserve Bank.

I have several manuscripts of Henry Klein's that I have not been able to use in W.V. but I think they will only have a greater meaning now that he has gone on. One on the Protocols and one on the Rosenthal murder, also on Lindbergh Kidnapping.

God Bless Henry Klein, American Patriot.

HENRY H. KLEIN, 76 LAWYER IS DEAD

**Noted Investigator for City
Exposed Queens City Graft
1927-28 — Was Author**

Henry H. Klein, a lawyer who was credited with having exposed in 1927 and 1928 the Queens sewer graft in which the city was mulcted of millions of dollars, died Saturday in his home, 244 East Eighty-sixth Street. His age was 76.

As attorney for Queens taxpayers, Mr. Klein brought and pressed the charges that resulted in the conviction of the late Queens Borough President Maurice E. Connolly for conniving with a sewer pipe salesman to defraud the city.

In 1944 Mr. Klein started as counsel for Eugene N. Sanctuary, retired Army colonel, in the mass sedition trial of twenty-nine persons in Washington.

Fined for "obstructive" tactics by Federal Judge Edward C. Eicher, Mr. Klein quit the case, accusing the judge of ignoring his and his client's rights. The judge sentenced him to ninety

days in prison. The trial ended in a mistrial on the death of the judge. Mr. Klein's sentence was reversed later by a higher court.

A former city transit consultant, he brought an unsuccessful suit in 1948 to enjoin the city from raising fares on subways and elevated lines.

Mr. Klein was born in Hungary and brought to the United States at the age of 2. He attended City College.

After polishing shoes and peddling during his boyhood, Mr. Klein began as an office boy on The New York Journal in 1895 and later worked on The World in New York and The New York American. He crusaded against graft in various city departments.

Mr. Klein exposed graft in the Street Cleaning Department in 1906 and became an investigator for the Aldermanic Investigating Committee.

He conducted the Klein News Service in 1911-12 and published Klein's Weekly News in 1913. In 1912 he was chief investigator for the citizens committee that investigated the Police Department after the murder of Herman Rosenthal, gambler.

In 1914-15 Mr. Klein was chief investigator for the State Civil Service Commission in an inquiry into the administration of civil service here. He held a like post in 1916 for the Thompson Legislative Committee in investigating transit, public utilities and the Public Service Commission here.

From 1918 to 1923 under Mayor John F. Hylan, Mr. Klein was first deputy commissioner of accounts. He was special counsel to the city on public utilities in 1924 and 1925.

Mr. Klein opposed the vice investigation in the Nineteen Thirties of then District Attorney Thomas E. Dewey

on the ground that the expense would be unconstitutional. In 1933 he ran for Mayor on the 5-Cent Fare party ticket.

Ten years later, Mr. Klein sought the impeachment of President Franklin D. Roosevelt, in charges sent to the Senate and House. In 1950 he petitioned the House Judiciary Committee to impeach Associate Justice Felix Frankfurter.

His books included "Standard Oil or the People", "Bankrupting a Great City — The Story of New York", "Dynastic America and Those Who Own It", "Sacrificed — The Story of Police Lieutenant Charles Becker", "America, Use Your Head," and "Politics, Government and the Public Utilities in New York City."

Surviving are his widow, Lena, and three sisters, Mrs. Estelle Finkelstone, Mrs. Mae Friedman and Mrs. Mildred Young.

One Mayor "Tells Off" Val Peterson

May 21, 1955

Hon. Val Peterson, Administrator
Federal Civil Defense Administration
Washington, D.C.

Dear Sir:

After your address at the U.S. Conference of Mayors in New York City yesterday, I tried unsuccessfully to get the floor to answer your statement that we, the mayors of the United States and Canada, are responsible for the safety of our people and that we are the ones who will have to answer for the results if Russia starts a war with us and kills and maims our women and children — the greatest of all our wonderful possessions.

I want to tell you in no unmistakable language that, while I cannot talk for any other mayor in this, I want you to know right here and now that I am not responsible — and will not accept the responsibility either — neither will I have to answer for what happens if another phony "incident" like Pearl Harbor occurs. If the next "incident" happens, from what I learned at this Convention, where a new type bomb explodes, there will be no one left to answer. The Russian

"start" will also be the "end". It will destroy our war effort and kill about thirty to forty millions of our people and the rest of us, if we are unlucky enough to be left, will all be slaves. In fact, Civil Defense will be hopeless and useless.

Now the dirty part of your speech was saying that I am responsible for the safety of my people when you know damn well that the ones who are responsible for not only this futile happening, of which you are so glib, but all past happenings in war and peace are the rats, crooks, incompetents and dirty rotten traitors emanating out of Washington. They who dealt with and helped build this Russian menace are responsible for the past and future happenings which now may very well destroy the peoples of this country and possibly the world.

My reason for writing this letter, of which I have furnished copies to the press, radio and TV, is to see if you know anyone with courage, good sense and judgment among your holies-of-holies who has the guts to go in and stop Russia right now in her tracks before they get any stronger. Tell them that they must stop their armament race and immediately disarm. They could then join with us and start playing the game of bringing the happiness and productivity which we should all now be enjoying, as a result of discoveries and capacities of production which might very well bring us to the eve of Paradise. That without this cooperation we will, on a 24-hour notice, blow them and their leaders in the Kremlin to hell, where many of them as well as some of our own so-called "leaders" belong.

I went to this Convention to learn, if I could, what the real truths were and what could be done about it; but what I learned was only by reading between the lines and my terrific concern for us and the world came from the address of Mr. William L. Laurence, international nuclear scientist. *My anger came from your bland passing of the buck for the sins of our leaders to the mayors of United States and Canada.*

Mr. Laurence said that Russia might be equal to us in five or ten years, and that they will not try anything until they are fairly sure of winning. My God, how dazed can we get? We know what Russia is, what they have always threatened to do — to rule the world and that they will act as soon as they can. I well know that our capitalistic system and some of our churches or church groups, predominantly among some of the leading members, need cleaning up; but I am deeply sincere when I tell you that I think that our Declaration of Independence, our Bill of Rights and our Constitution with a two-party system, is the greatest thing that man will ever bring forth for government — although it has been terribly abused by our own leaders in past years. Another thing I believe is that the only holy ground in the entire world is the floor of our really secret ballot box with a choice of candidates. I know that this has also been evaded and

abused, particularly in being able to make a choice of candidates, particularly men in the upper levels. But, Mr. Peterson, I love America and Canada — having volunteered in the Royal Air Force in World War I to help win "the war to end wars" — its institutions, its churches (although I never go to one), its chance for a man which, bad as it is, is the greatest chance in the world for one to succeed. I love my wife and my children and my people here in Aurora as well as the friends throughout the world. I do not want to see Russia, who I cannot understand why we let get so strong, destroy them. If they are still allowed to progress by our leaders and to continue to get stronger, this they will do. They will really be our Frankenstein as well as for the whole world.

These are good things to think over; Mr. Peterson. Every day that passes makes us closer to the abyss. I believe you may not share in the fruits of a Russian surprise victory and your wife and children, if you have any, will be slaves of the "Great Idea" which is still indistinct to me, but clear enough to make me want to kick the hell out of any public servant on the upper level who will not act now while we still have time.

I hope my simple and sincere suggestions will bear fruit in the interests of preserving not only us but our principles and ideals which, if allowed to permeate the world, will make a better, happier world. I do think action is now necessary while we can still keep and preserve — without the ever overshadowing cloud of fear — all that we should all hold so dear.

Sincerely,

Paul Egan,

Mayor of Aurora, Ill.

INTERNATIONAL FINANCE

by Eustace Mullins

The political and economic objectives of international finance are inextricably interwoven. The political objectives of international finance on a national scale are best achieved by the parliamentary system. Two opposing parties, each controlled by the money power, are allowed to differ on minor emotional issues. They never differ on matters of monetary policy or on foreign policy.

On the international scale, international finance exercises political power by setting up two opposing systems of government in different countries. After a suitable period for inciting the inhabitants of these countries against each other, the cattle are marched out to the slaughter pits, to be massacred at so much a head. This is true of the political isms which have excited the passions of men in our time. Some of these systems of government have been openly inimical to international finance, but were secretly bankrolled by international bankers for the inevitable war to make debt-slaves of the earth's peoples.

The economic objectives of international finance are achieved by central banks. A central bank is a bank which usurps the sovereignty of a people, that is, the right to issue money and credit, and takes that right from the private stockholders of the central bank, who are allied with the stockholders of other central banks in the network of international finance.

With this illimitable control over all the financial resources of a nation, the masters of international finance have been able to involve the peoples of the world in terrible financial panics and horribly destructive world wars. Without central banking, these great slaughters could not have been financed. The principal job of a central bank is war finance, the mobilization of a nation's money and credit for the immense profits of the schemes of international bankers. The wars and depressions by international finance plunge the people of the world into debt-slavery, and bring us closer

Mr. Castle traveled 75,000 miles and crossed the ocean 30 times to collect material. He proves that you can't buy friends.

The U. S. has spent more than 30 billion dollars in Europe since the war, "stopping Communism." Mr. Castle's charge is that American propaganda instead of winning friends, has made the U. S. unpopular. The weakest link in the propaganda chain is the Voice of America.

Now that the "give-away man," Harold Stassen has the plan for a bigger and better Marshall plan for Asia, it's time for the people to act.

.....WOMEN'S VOICE

to a world dictatorship in which no individual will be able to stand against international bankers.

There is no ism or international organization which is not controlled directly or indirectly by international bankers. Communism is the most useful puppet of international finance today. Completely financed by the Rothschild bankers through the New York banking house of Kuhn, Loeb of New York and Max Warburg Co. of Germany, alien agents of international finance overthrew the legal government of Russia in 1917. Now international finance has divided the world into two parts, the democratic world and the Communist world, with the usual expectation of colliding the two forces in a highly profitable slaughter.

The predecessor of the United Nations, the League of Nations, was set up by international finance after the First World War to force all the nations of the earth to go on the gold standard and set up central banks. Countries complying with these requirements received huge loans. Countries refusing these terms were expelled from the League on different pretexts. The United Nations carries on these schemes through such agencies as the International Monetary Fund, set up by the Communist Harry Dexter White.

The great crime is the manner in which one war is concluded, so as to make another war inevitable. This was done after the First World War by the partitioning of Europe into warring and unhappy groups; the war-guilt clause and impossible reparations levied against Germany. It was done after the Second World War by the partitioning of Germany, Korea, and other nations and by arming Communist groups in many countries to overthrow the legal governments, in order to create a world half-Communist and half democratic.

International finance set up the United Nations to involve the earth's peoples in perpetual small wars. The traditional aspect of the State as the gang holding power at a given moment was abandoned in favor of one gang holding absolute power over all nations forever. The world's peoples are not yet ready for this "progressive" step, and another bloodpath is necessary.

Today international finance faces growing unrest all over the world. People are tired of debt-slavery to bankers and commissars. In the past, such unrest was allowed to explode in a profitable world war. Now the earth's peoples know that it is not one nation or one people which is the enemy of another nation or another people. It is international finance which is the enemy of all nations and all peoples, whether it wears the guise of a religious or a political organization. This knowledge makes it difficult for international finance to arouse different peoples against each other.

International finance cannot control the handling of the new weapons. If hydrogen bombs are given to the military men to use against "enemy" peoples, the military men can refuse to

Adjournment Report Status of Forces Hearing

Rep. Frank T. Bow
16th District — Ohio
August 2, 1955

The adjournment of Congress cut short Foreign Affairs Committee consideration of H. J. Res. 309 directing the President to seek modification of or to denounce the Status of Forces agreement and other similar treaties and executive agreements.

Six days had been devoted to the subject, the first two days to proponents and the remainder to statements by and questioning of Defense, State and Justice Department witnesses.

Proponents did not have an opportunity to present rebuttal testimony. My final statement answering the Department witnesses has been filed with the Committee, however, and may be found in the Congressional Record of August 1, pages 10982-10991. The printed record of the hearings should be available shortly from the House Affairs Committee.

In my statement I pointed out inconsistencies in the testimony of the Department witnesses which show that they were either uninformed of facts which they should know, or were deliberately concealing information.

I pointed out also that their whole attitude is one of complacency and satisfaction with the status quo, rather than a willingness to make every effort to secure improvements in the terms of the various agreements.

We were able to show that there is reason to believe the Defense Department is an unwilling partner to these agreements. We were able to show that better agreements can be

explode the bombs, preferring to execute the members of international finance instead. Weapons of war are no longer toys. They can annihilate all inhabitants of the earth.

Now international finance faces two alternatives: 1. to start the Third World War between "democratic" and "Communist" nations, a war which cannot help but use atomic weapons in such quantity as to destroy most of our civilization, 2. to declare an immediate world dictatorship and execute all opponents of international finance.

The peoples of the earth have no alternative. They must execute the two hundred members of international finance or civilization will perish from the earth.

negotiated. The fact that the Defense Department has secured agreement from Greece that Greece will not exercise its jurisdiction is proof of both propositions. We showed also that with some nations we have agreements in which we retain exclusive jurisdiction.

The Foreign Affairs Committee will give further consideration to the resolution when Congress convenes again. Meanwhile all interested should take every opportunity to arouse public interest so that we will have a widespread demand for positive action. Surprising progress has been made in the past 10 weeks. If the House is truly representative of American public opinion, I think its action next session is a forgone conclusion.

In closing I wish to pay tribute to members on both sides of the House who have been stalwarts in this fight. They include Reps. Bosch, Budge, Dorn (NY), Gross, Johansen, Kilgore (Texas), Lanham, McDonough, Miller (NY), Nelson, Utt, Wharton and Wickersham, all of whom introduced identical resolutions; Reps. Becker, Burdick, Dixon, Dorn (SC), Krueger, Lovre, Matthews, Miller (Nebr.), Poff and Rodino made supporting statements and Rep. Rodino also introduced a concurrent resolution; Reps. Adair, Church, Dodd and Smith, Members of the Foreign Affairs Committee, were especially helpful. Many others have indicated their support.

Ed. The above report was sent with this comment: "Just think that in Nov. 1954, you completed Agnes Water's articles on the Nato Treaties, and in just a few months the House took it up. I don't wonder that you have not received your 'discharge.'"

I ask the readers of W.V. to write encouragement to these men.

It was the people's good sense that stopped the silly evacuation plot. Nato can go the same way.

Churchill A Jew

The record of Churchill's Jewish great-grandmother is of interest. Pally-Carpus von Schneidau in Sweden fell in love with Froeken Jacobson and had to go to Denmark to marry; marriage to a Jewess being barred in Sweden.

They came to the U.S.A. and were invited to Chicago by Mayor Ogden, who adopted their daughter Pauline. Pauline von Schneidau married the son of Leonard Jerome; their daughter Jennie Jerome was the mother of Winston Churchill.

The sand whipped up by the wind cuts my face.
I feel small
Beside God
Who holds
The wind in his hand.
In the feel of the wind
In the moan of the wind,
I remember, I pause and reflect . . . I am nothing. HE is ALL.

TOM VAN HYNING

. . . I met Tom only once but the impress of his personality will remain with me always. His heroic fight for American tradition and the CONSTITUTION, the rare courage showed in his personal stand to purge our Supreme Law of the 16th amendment, which disfigures the Constitution and enslaves the people, will remain a challenging inspiration to every true American.

Like the flight of his airplane, the daring spirit of Tom's genius bound the three Americas together in the spirit of true patriotism.

Peter L. Xavier.

June 7, 1955

Dear Brother and Sister Van Hyning: Dorothy and I wish to express our heart-felt sympathy in the home-coming of your son, Thomas. Words could not express our feeling in this matter.

While I did not know him over a number of years, I did meet and visit with him, I believe in 1953 when he was home for a period of time. I found him one of the finest young men that I had ever met. He was full of zeal for the preservation of the Christian civilization and was well versed on the conspiracy to destroy our way of life. If we had but a thousand young men like him, in America, the victory could long have been won and America freed from her enemies. He has truly tossed a lighted Torch to our young people in his home-coming, and I pray that others will catch it and carry it on until the victory is finally accomplished.

To those of us who know Christ in his resurrected power, we realize that Tom still lives and is carrying on today as faithfully as ever in the service of the Master.

As ever,
Your Brother for Christ,
Kenneth Goff.

TOM VAN HYNING HAD ANSWER

Most of you keep sending me stickers but I'm bound to remind you that there is more to "lick" in this than a bunch of stickers and more to "beat" than a typewriter. — and if we wait too long before we start there will be no reason to START!

TOM VAN HYNING who was killed when his plane crashed, May 3rd, in Venezuela, had the ANSWER and worked at it! What FINER MEMORIAL could anyone want than this.

The Constitution is a line of limitation beyond which the elected Government can not pass. The question arises: Who's to stop them; if the Congress abdicates, and the courts wink? Let's face it. WE, THE PEOPLE, STOP THEM — THAT'S YOU AND ME. One simple way is through the power of the purse — you can refuse to pay another cent of Federal Tax — So don't ask again "What can I do?" Just do it.

Subject of the conversation was my Income Tax Return (Form 1040) which I had filed BLANK on the grounds of the Fifth Amendment. I based my refusal on the principle that all FEDERAL TAXES are unlawful because the Constitution does not authorize Congress to collect taxes for the support of foreign Government. — I left without giving one iota of information about my 1953 income — these gentlemen did admit that if a thousand Americans acted as I have, the entire Internal Revenue System would be blown Sky High Yippee!

And now, READER, let's bow our heads in SHAME! TOM VAN HYNING died knowing there were no 1,000 even 500 MORE.

Send 25c for the June issue of Women's Voice, 537 South Dearborn St., Chicago 5, Illinois and read page three with the headline "OUR SON LIVETH" and learn what our young patriotic sons discover and yet remain CRUSADERS for the USA — while we sleep!

No words can express — but your son's Ascension — is perhaps the turning point for America — through what you and your loved ones have had the courage to say of him — and what he had the courage to do — and you the courage to publish about what he did.

You will get thousands of letters. I know and I trust every one of us who writes will have the courage, too, to stand for the "Rights of Free Man" who are still free — and do something about it to preserve those Rights.

US NEWS AND WORLD REPORT JULY 1, 1955 SAYS WHAT WOMEN'S VOICE HAS BEEN SAYING FOR 18 MONTHS

Is the Summit Conference" Eisenhower's love-feast with Zukov to Arrange with Russia to Accommodate with an Act giving the Excuse to take over without authority, illegally clamping on a Dictatorship. — Ed.

"A military dictatorship, swift and complete, will take hold at the very moment of any big atomic attack on American cities.

"This is the word from top official sources in Washington following 'Operation Alert', the civil-defense exercise, just ended.

"The old idea of stand-by controls which has been worrying some businessmen, no longer has any place in official planning.

"Instead, the President will simply take control — of business, banks, goods, prices, wages, just about everything — and worry about legal authority later.

"Martial law will be clamped on the entire country. This will be the President's first official act after bombs start falling.

"With that act, the President will assume almost unlimited war powers. Dictatorship from Washington, or from the President's nearby hideaway, will be backed by military forces.

"Businesses will be blanketed by regulations, already written and ready for issue. Banks will be given orders by Government. Money will be rationed. Depositors, if necessary, will be limited in how much they can draw out of the bank. Workers will be ordered not to strike, or change jobs without permission.

"Pricestand wages will be frozen. goods will be rationed. Censorship will be imposed at once. Credit will be controlled.

"The Federal Civil Defense Act will come into full effect, empowering authorities to requisition property, including private homes, and automobiles. In these areas, people will be subject to draft for whatever labor is needed. Outside disaster areas, plan is to apply martial law more subtly.

Under national martial law, so the thinking goes, there will be no time for haggling over federal authority, no time for people or businesses to balk at doing what they are told.

Once the dust begins to clear, Congress will be asked to ratify the emergency measures ordered by the President.

Income Tax Destroys

The late Prof. J. Laurence Laughlin in 1915 or '16 said: "A graduated income tax is of the very essence of socialism, for the state, in seizing part of the fruits of industry, becomes in effect a part owner. In a true capitalist economy, capital and land are taxed on value alone — not on production. This encourages — even necessitates — the constantly improved use of the instruments thru which wealth is created. On the other hand, the income tax with graduated surtaxes penalizes and reduces productivity."

"I seriously doubt whether any free capitalist economy can survive for as much as half a century under income taxation."

These socialistic taxes will harm the poor laboring man, in the long run, more than the man of great wealth. They drive capital into sterile, nonproductive, government loans instead of into industry that creates jobs and wealth for all.

The Bricker Amendment has been used as a controversial "smoke screen" to protect the United Nations. Curtailment of the treaty making power of the President would be only an empty gesture should we remain in the United Nations to see our government "fall" under UNESCO and GENOCIDE CONVENTION. Under the Status of Forces our soldiers have already been stripped of their U.S. CITIZENSHIP. WAS THIS UNCONSTITUTIONAL EDICT against Lucille Miller, in Vermont, a test case of GENOCIDE, here on our own SOIL?

Hunger, Concentration Camps and tears for the masses, while a few executives, their wives, children and dogs bask in the sunshine of Sochi or Yalta at the marble-covered Soviet Riviera on the Black Sea — exactly why is Communism such a "paradox"? The explanation is very simple. Anything that comes from satan must be based on lies and falsehoods, and therefore Communism primarily deceives its own members. Such conditions as the coming suffering of the World, and at the same time rumors of frightful wars, all of it is described in the book of Apocalypse or The Revelation of St. John the Divine in the New Testament of the Bible. The forces of hell are now preparing the World for the coming Antichrist. (1 Letter of John

Forty Years of Roosevelt—

Fantastic account of the 20 million dollars which the Bank of Rothschild received as a result of the American Revolution, which enabled them to gain World Control. Assassination of Pres. McKinley enabling International Bankers to establish the first Roosevelt in the White House.

ZIONISM IS USING COMMUNISM

To destroy civilization and complete the conquest of the world. That fact is plain and explains every act of so-called betrayal since 1917 and particularly since 1932, when Franklin D. Roosevelt was elected President. It explains the conduct of the Rosenbergs, Alger Hiss, Henry Dexter White (Weiss), and all other so-called betrayers. They did it for zionism which is a political program for the conquest of the world by a handful of so-called Jewish leaders.

The zionist program is outlined in the Protocols of the Learned Elders of Zion, promulgated between 1897 and 1906, at zionist congress meetings, organized by the late Theodor Herzl, backed by the Rothschilds, who controlled Great Britain. Zionism now also controls the United States, France and Russia. Jacob H. Schiff, a zionist banker, financed the Bolshevik revolution in Russia, in 1917.

It explains why there is a so-called United Nations dominated by Russia and why it is a refuge for communists chased out of U.S. government jobs after exposure. It explains why zionist leader Frankfurter was able to shove scores of zionists and communists into public office under Roosevelt and Truman and why Barney Baruch, another zionist leader, controlled Congress. It explains why native Americans and Christians were persecuted and prosecuted in Washington, D.C. in 1944, for exposing communism and Roosevelt.

It explains why Eisenhower said he serves the United Nations and why Churchill proclaims he is a zionist. It explains why we double-crossed the south Koreans and Chinese nationalists, and why MacArthur was fired by Truman. It explains General Marshall's conduct in favoring Chinese

communists, and the conduct of Latimore, Jessup, Service, et al in the Institute of Pacific Relations. It explains why France laid down to communists in Indo-China and why the United Nations did little or nothing to help 800,000 arabs driven from their homes by Jews in Palestine.

It explains why Harry Hopkins gave Russia eleven billion dollars of our wealth and why we permitted Russia to grab part of Germany and Poland and all of other bordering countries, besides Manchuria in Asia. It explains why F.D.R. ordered the investigation of communists stopped and why zionists demanded that J. Edgar Hoover be fired. It explains all or nearly all of the treacherous and unpatriotic conduct of so-called leading citizens during the past 20 years.

It explains the conduct of Albert Einstein and J. Robert Oppenheimer and why public officials and leading citizens who opposed zionism and communism, were knocked off. It explains why the wealth of the United States was squandered to build up other countries. It is a shocking picture that should be quickly blotted out or world cataclysm will follow. Zionism wants another world war.

destroyed the U. S. republic and Germany, the two most progressive nations and built up Russia and communist China. That is the story to-day. To-morrow, India and other nations may be added to the communist chain.

The U. S. is a sad spectacle. From the richest and most progressive nation only a few years ago, it owes now more than it can pay. Taxation is next door to confiscation, and the morale of the people is shot. The most sordid element runs politics and government and the minds of the people have been distorted by crooked propaganda.

The cost of living is extreme. The people's tax money has been squandered and the cost of government is 50 times what it was 50 years ago. Our monopolies exploit every nation and our swollen military force is scattered over the earth for their protection. The decline and fall of the Roman empire was a prelude to the story of the United States.

WHY POLIO?

"No individual — child — or adult — whose blood sugar and blood calcium are normal can become a victim of polio. Cola drinks deplete the body's calcium reserve and lower its blood sugar calcium and its blood sugar content. Cola drinks are therefore contributors to polio."

"Dr. B. P. Sadler, U. S. Government Physician, author of 'Diet Prevents Polio', who has accomplished more in prevention of polio than any other man says, 'I firmly believe that the sale of all soft drinks should be prohibited in schools, both elementary and high schools. I believe that this prohibition would be an effective measure in prevention of polio.'"

"Your typical polio victim is one who likes coffee, soda, coca-cola and soft drinks, salted peanuts, sweets, pastries, white flour products, hot dogs, hamburgers, pasteurized milk and all such trash." (Bulletin 115 of the International Society of Osteopathic Sacroiliac Technicians, issued in 1950.)

"This is the kernel of nine columns of print in a 4-page folder, circulated by dentists and others and published by Duon H. Miller, a manufacturing chemist and member of the Academy of Applied Nutrition." (The Interpreter, Box 325 C, Route 1, Melbourne, Florida.)

"These statements seem worthy of attention and are offered especially to mothers of school children. We do know that commercial candies, made of white sugar, are harmful because the natural sugar, during the bleaching process, loses much of its food value, especially its calcium. The remaining chemical elements, lacking the calcium, seek that element in the body and thus deprive the teeth of the calcium, causing weakness and decay.

Delicious candies can be made from brown sugar, with nuts, dates, raisins, coconut, etc. Best of all sugars is Blackstrap molasses — also called plantation — which is the first product of the sugar cane under refinement and contains practically all its original elements.

ARE YOU ACQUAINTED WITH

"THE WOMEN'S VOICE?" — I do not mean the voices of your wife, daughter or daughter-in-law. I mean THAT PAPER with that name.

A paper with a woman editor that puts many of us "non-skitters" to shame. It has a razor-edged plowshare that does not seem to get dulled by striking political hardpan or hypocritical flint. You man-sissys: Send for a sample copy of this paper and introduce it to your women folk. They may be inspired by it to spend some of the time which they are now spending in tweedle-thumbing to something really constructive. — Write WOMEN'S VOICE, 537 S. Dearborn St., Chicago, Ill.

Senator Joseph McCarthy,
Senate Office Building,
Washington, D. C.

Dear Senator McCarthy:

Your Resolution for withdrawal of recognition of the Communist regimes in five countries is just a lot of foolishness, or should we say "hog-wash"? You know very well how these countries become satellites. Our State Department won't even permit Father Fahey's book "Rulers of Russia" shipped to the United States, because it is very revealing, and there are many more revealing books placed in the "book burning pile" by our State Department.

Please be the real Patriot you are capable of being. You can get just as much publicity that way.

I sent you the following telegram today:

Senator McCarthy:

Why not introduce a Resolution to give the real American people rights of self-government? On July 15, 1953, Senate approved 3 Secret NATO Treaties. Our Constitution does not give authority to set it aside. Is it true that every member of Congress is a member and captive of "THE INTERPARLIAMENTARY UNION?"

Our God-given Constitution was meant to be the Cup of Light for America and the World. Obedience to IT will free America and the whole world; for THE LIGHT OF GOD NEVER FAILS.

(Signed) "Katherine Kane".

You had the majority of the people of our Nation in the palm of your hand, ready to free America. You tossed it aside when you bowed to the Minority Group, and agreed to keep their names out of reports on Communist activities. SO, the search ended there.

When you are free to give obedience to God and Country, let us know, and we will again stand by you.

Thank you and God Bless you for all you have done and all that you wanted and planned to do to free our Beloved America from the tentacles and barnacles of the Sinister Forces.

Sincerely yours, K. K.

HOW TO SECEDE FROM U. N.

George Rothwell Brown in the Chicago American of July 10, 1954, gave a simple recipe for getting out of the U.N. CONGRESS CAN REPEAL THE ACT of Dec. 20, 1945.

"That public law is known as the United Nations Participation Act and, since it was this statute that really got the United States into the UN, its repeal would just as easily get us out."

"Once repealed the whole fabric of participation would disappear, and the United States would be out. In the event of a presidential veto, this would require a two-thirds veto in House and Senate."

Ed. Commonsense, to say nothing of patriotism, would choose this simple, quick way. Why fool around with a Bricker amendment?

THE GREAT CONSPIRACY

"A Jew will under no circumstances become the friend of a Christian or a Moslem before the moment arrives when the light of a Jewish Faith, the only religion of reason, will shine over the world." So spake Adolph Cremieux, Jew, Grand Master of the Grand Orient of France, p. L'Alliance Israelite Universelle, minister in France, in "Archives Israelites", Paris, No 1867.

My Alleged \$50,000,000 Donative By Judge Armstrong

Bankers Admitted Dream of World Government Officially, August 1934

In "The U.S.A. Bankers' Magazine" of August 26, 1934, the following barefaced admission appeared:

"Bonds and mortgages must be foreclosed as rapidly as possible. When through a process of law the common people lose their home they will become more docile and more easily governed through the strong arm of government under the control of leading financiers. This truth is well known among our principal men who engaged in forming an imperialism of capital to govern the world. By dividing voters by the political party system we can get them to expend their energies in fighting over questions of no importance. Thus, by discreet action, we can secure for ourselves what has been so well planned."

Now do you see what the Big Idea is? Now do you see what Social Crediters mean by the world slave state?

To be forewarned is to be forearmed. Don't say we didn't warn you.

"BOOK BURNERS"

Last October Women's Voice received 7 copies of Father Fahey's book, "Rulers of Russia" from the publishers in Ireland. The parcel was badly torn, three copies missing.

On June 21, 1955 the mystery of the missing books was solved: the publishers relayed the information furnished them by the Chicago Post Office. Investigation disclosed subject register was submitted to the post office by the Collector of Customs, Chicago, as possibly containing political propaganda. Three copies of the contents were sent to the Solicitor, Washington, D.C., who declared on January 20, 1955 that contents of this register may be treated as matter non-mailable. Through inadvertence 7 copies of the contents were delivered to the addressee.

There is a situation, books confiscated, no one notified, or reimbursed, all concerned could just wait and wonder. Americans being treated as suspect criminals, exact procedure as that practiced on the other side of the Iron Curtain.

Inquiring what disposition was made with confiscated books, we were amazed at the reply "why, burned I suppose". Who said we do not have book-burners?

The officials at the Chicago Post Office were most co-operative, explaining they were executing orders from the Solicitor, Abe M. Goff, Fraud and Mailability Division P.O. Dept. Washington 25 D.C. In answer to our next question "Who gives orders to him? The State Dept. THAT WAS QUITE ENOUGH."

Where is this Free Country like advertises? How can Americans save the Constitution, when the State Dept. censors reading matter? Truth-telling books are, non-mailable, while news stands bulge with obscene rubbish, doubtless serviced by Uncle Sam's postal stations?

It would seem since Army big brass ballyhoo shanghaied youth relative to Communistic enemies, the State Dept. would insist we be familiar with names of Jews who rule Russia?

Since the State Dept. takes the paternal attitude toward our reading material the good men must still be shuddering over an article which appeared in The New York Daily Mirror 1/31/51 headlining the story: "Operation Talmud-Army Restoration of the Sacred Books". A celebration by Genl. Lucius Clay and the American big brass in Germany over the printing of the Babylonian Talmud by the USA army of occupation in Germany.

Don't laugh, you paid the bill.

Violet Waggoner.

WOMEN'S VOICE ENTERS 14th YEAR

It has never swerved from its one objective: THE PRESERVATION OF THE CONSTITUTION OF THE UNITED STATES OF AMERICA WHICH WAS FOUNDED ON THE PRINCIPLE OF JESUS CHRIST'S TEACHING OF THE DIGNITY OF THE INDIVIDUAL.

We know that the Constitution will live because it is God's plan for His children on this planet, and His plans do NOT fail. Without this positiveness, it would be stupid for intelligent women to renounce every material desire, and to give joyously, every ounce of time, energy, strength and money to the apparently thankless task of enlightening our fellow men in the truth which is deliberately withheld from them.

In my home I write, and choose from the wealth of material sent in, what is most worthy of the time of our readers. W.V. is printed in a little town (no one in Chicago will print W.V. (for fear of the Jews?)) which necessitates several trips. All other work is done in the office by volunteers. The paper is folded, wrapped, stamped, addressed and bundled by loving hands and sent out on a prayer that it will find those who seek truth. We have one Master, Jesus Christ, who said "The Truth will make you free". We give "bread", not stones to the human soul thirsting for the living God and hungering to know HE is, in the face of all the broken promises of the Anti-Christ which lured them to give up their heritage for the pottage of "peace, and security and unity, and automobiles, and gadgets."

Women's Voice is the voice of the organization "We, the Mothers Mobilize for America, Inc.", which was founded in Feb., 1941, chartered by the state of Illinois for 99 years for "Civic, educational, patriotic, political, benevolent, charitable and research". As an organization, we fought every step leading to W.W. 2, we were against war before Pearl Harbor and we never changed our position after Pearl Harbor. We had been warned by Agnes Waters, six months before, that such a crime had been planned but she did not know where it would be.

We knew the whole thing was a bloody hoax, we knew that the United Nations had been planned in 1939, and that the war was only a means to a one world government, so we did not fall for "aluminum piles" or ration cards, or Red Cross busy work which are to keep people ignorant and occupied to keep people from thinking. Our office doors were never closed, though the Grand Jury was in session from April to Oct., 1942, and called 100 of our women whose only crime had been against war. The whole Grand Jury inquisition was "Why had we opposed going to war with our great and noble allies England and Russia?" We had said: "You can not tear down one dictator without building another." The world knows that today. Our justice dept. was working on the orders of the B'nai Brith which had furnished it with the names of 700 of us "criminals", and isn't it strange that in that B'nai Brith dossier there was no mention of Hiss or Rosenberg or any of the subsequently convicted spies?

W.V. goes into every state in the union and to 48 foreign countries; to these latter it has been a voice of hope, that in America is still the spirit of freedom. As one wrote recently on receiving a Women's Voice, "To receive an unknown paper fighting for the truth is like seeing a friend one had believed to be dead years ago."

Women's Voice is the nucleus of the great need of today, which is an International Daily which would tell the truth to all peoples and thus prevent the sinister exploiters from spreading their lies to make wars. That is the solution of wars, unite the peoples against their false leaders in government.

Where are the men of America, men of goodwill, who will see this vision?

Article 10 of our charter: "To recall to the minds of the people that our forefathers established a representative form of Government in the United States, and placed the power in the hands of the people as principals, and that their representatives are their agents, and answerable to the people for their conduct."

That is our immediate objective, that the people assert their authority to get out of the UN, come to themselves and be what George Washington envisioned: "Enemies of none, friends of all."

LOOK AT THE FACTS.

Eisenhower has admitted that he sat at Baruch's feet for 35 years. Molotov went from the San Francisco conference to see Baruch. Eisenhower, President of the greatest nation, had a love feast with Zhukov at Geneva. Strange that he would meet with a third place man, Zhukov is not even a member of the presidium which governs Russia. Now Agnes Waters raises the question: Is Zhukov really Vasiliev? These are sinister happenings for the American people to face.

Eisenhower's popularity is like a balloon which has to be inflated constantly. All the newspapers do it. Even the Democrats are in a terrible quandary. They can attack the Republicans, but not Eisenhower. Why?

Freemasons take an oath to an unknown superior. That oath takes precedence over oath or loyalty to God or Country. 85 to 91% of all elected officials are Freemasons. If Barney Baruch is head of world Freemasonry, (there is only one Freemasonry), as there is one multiplication table. They themselves say it.) can there be any real difference between Republicans and Democrats? Eisenhower is his (Baruch's) little boy. Ditto Molotov. Don't you sort of squirm when you see the Masonic handclasp between our leaders and the Bolshevik leaders?

"Eisenhower Cries Peace, Peace" So the reports fill the air.

Patrick Henry knew Eisenhower and his ilk.

"Gentlemen may cry, Peace, F... but there is no peace."

Judging by the past, I wish to know what there has been in the conduct of the Bolsheviks in the last thirty years, to justify those hopes which Mr. Eisenhower has so pleased to solace himself. Is it the insidious smile at Geneva? Zhukov's love letters?

Continuing in Patrick Henry's own words: "For my part, I consider it, nothing less than a question of freedom or slavery." It is natural to man to indulge in delusions of hope. We are apt to shut our eyes against a painful truth, and listen to the song of the siren, till she transforms us into beasts. Shall we acquire the means of effectual resistance by lying supinely on our backs, and hugging the delusive phantom of hope until our enemies shall have bound us hand and foot?

"Shall we gather strength by irresolution and inaction, (by talking)

"There is a just God who presides over the destinies of nations."

"Is life so dear or peace so sweet as to be purchased at the price of chains and slavery? Forbid it, Almighty God. I know not what course others may take; but for me, give me liberty or give me death."

With love and honor to Patrick Henry, whose words are as alive and pertinent today as when uttered. Whether the names are England or Russia, Eisenhower or George III, the enemy is the same, the enemy of Freedom.

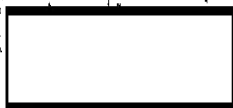

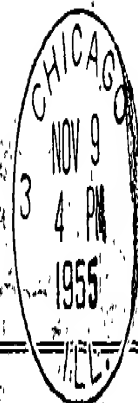

Lyril Clark Van Hyning.

"Women's Voice"

"Women's Voice" is the official publication of We, the Mothers, Mobilize for America, Inc., which originated in 1941 and continues to maintain an office in Room 800, 537 South Dearborn Street, Chicago, Illinois. Mrs. Lyril Clark Van Hyning is the editor of "Women's Voice" and is responsible for the policies and views set forth in this publication. The articles are violently anti-Eisenhower Administration, anti-Semitic, anti-Masonic, anti-Catholic and opposed to all foreign elements in this country.

We, the Mothers, Mobilize for America, Inc. purports to be against all brotherhood groups, yet claims to follow the teachings of the Bible. The main interest of this group is in securing subscribers to its publication "Women's Voice." Those in attendance at occasional meetings of this group consist mainly of women who are past fifty years of age and number less than one hundred.

Mrs. Lyril Clark Van Hyning, the editor, was considered pro-Nazi and was formerly interested in German-American Bund activities in Chicago. The German-American Bund has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

Eustace Mullins, who writes and distributes numerous articles for "Women's Voice," was fired from his employment with the Library of Congress after World War II as a result of his acknowledged authorship of racial writings. He has written a number of anti-Semitic articles and is opposed to the Eisenhower Administration.

"Women's Voice" is printed by [redacted] of One Berwyn Publishing Company, 3212 South Grove Avenue, Berwyn, Illinois. Approximately 2,000 to 3,000 copies are printed each month, and numerous gratis copies have been sent to Senators and Congressmen.

"Electors" Is The Answer

THE FUNERAL OF THE CONSTITUTION

Russell Maguire, Owner of American Mercury Magazine

Friends, Americans, countrymen, lend me your ears: I come to bury the Constitution, not to praise it. The evil that men and documents do lives after them; the good is oft interred with their bones. So be it with the Constitution.

The cunning "One-World Conspirators," the "internationalist schemers," the "war promoters" have told you that the Constitution is an old-fashioned document and too ambitious. If it were so, it was a grievous fault. And grievously hath the Constitution paid for it.

Here, under leave of the controlled "international press," the "invisible government," and the rest—come I to speak at the Constitution's funeral.

It was our oldest friend, faithful and just to us. It hath brought many rights and safeguards to our people. Under its protection our general coffers were filled. Did this in the Constitution seem ambitious?

When the poor have cried or been in need, the Constitution hath fed and protected them and their children. Ambition should be made of sterner stuff. Yet the "selected" Supreme Court has said, the Constitution is ambitious—and are they honorable men?

You all did know that our wise and patriotic ancestors had opportunities to give someone a kingly crown, which he did thrice refuse. Was this ambition?

I speak not to disprove what the un-American United Nations plotters have spoken. But I am here to speak what I do know. You all did love this Constitution once, not without cause; what cause withholds you then to mourn for it?

O, judgment, thou art fled to brutish beasts. And men have lost their reason. Bear with me, my heart is in the coffin there with the Constitution, and I must pause till it come back to me.

But yesteryear, the Constitution's word might have stood against the world, now lies it there. And none so poor to do it reverence. O, citizens of these United States! If I were disposed to stir your hearts and minds to rage, I should do the "internationalist" tax-exempt organizations and the "One-World" Foundations wrong, who, you all know, say they are honorable men. I rather choose to wrong the murdered Constitution.

Than wrong such "honorable" men? But here's the world's greatest document—the Constitution—with the seal and love of our wise and courageous God-fearing Founding Fathers. Let but the people hear this testament and you would go and kiss the Constitution's wounds. Yes, beg a part of it for memory, mentioning it to your children and passing it on as a rich legacy unto their issue.

It is not meet that you know how much the Constitution loved and protected you. For it will inflame you and make you mad. 'Tis good you know not that you are the heirs and owners of this great country—that the so-called "powerful men" and their stooges are but your servants.

Make a ring about the coffin holding the Constitution and I shall read its message to you. And if you have tears, prepare to shed them now.

IN 1776, GEORGE WASHINGTON ASKED THE QUESTION "ARE AMERICANS TO BE FREE MEN OR SLAVES?" TODAY THAT SAME QUESTION STANDS AS NO ONE.

Funeral of the Constitution at this time produced here for the same reason that Mar. Anthony made the grand over Cemetery to arouse the people to fight for their freedom against the tyrants. Recall that 30,000,000 Christians died in Russia before the question was decided in favor of slavery in that sad country.

A GREAT STEP IN THE RIGHT DIRECTION.
RETURN TO THE CONSTITUTION.

New York, Feb. 22, 1956, (from Chicago Tribune) "A proposal that opponents of world government put up their own states of presidential ELECTORS next November was put forward tonight before 3,200 persons at a patriotic Washington Birthday rally sponsored by FOR AMERICA in Carnegie Hall."

"Clarence Manion, co-chairman of FOR AMERICA asserted in a speech that 'bi-partisan conspirators have already concluded arrangements to put international socialists on both party tickets in the next election.' (Ed. As has been done for the last 30 years.)

If American voters are given no choice, said Dean Manion, "American liberty will be definitely doomed before the dawn of another Washington's birthday."

"NOT NECESSARY TO RUN ANYBODY FOR PRESIDENT."

"Instead," said he, "FOR AMERICA proposes that patriots in the several states qualify slates of all American electors in November." WOMEN'S VOICE HAS SAID THAT SINCE 1944.

My first reaction to this announcement was one of great gratitude of thanks to God. At long last American men are awakening. They are coming back to the Constitution.

To you readers of Women's Voice, this elector business is nothing new.

The last issue of W. V. went into this matter in detail, and if you will refer to March 1955, you will read: "pay no attention to candidates. Get your electors. Let the enemies of America do all the ballyhooing, let them put up all their usual targets to fool the people but when your electors meet as free men, they'll act as FREE men. We have obeyed the Constitution which says we are to choose electors. This simple obedience would be the greatest revolution since

ELECTORS IS ANSWER

1772."

Now the men, and true Americans,
are joining us. It is in no spirit of
"I told you so," but rather in the spirit
of thanksgiving for and congratulations
to the reader of W.V., that I re-
view the history of our struggle on
this subject of electors.

NO ELECTORS' NAMES ON BAL- LOT. WHY?

1896. As a national speaker for the
Republican party, I traveled over a
good number of states. One of the
things I noticed was that some states
had the names of electors on the bal-
lot, some didn't. The Constitutional
provision is that we vote for electors,
not for President or Vice-President.
That is the basis of our Representative
Republic. So I began to ask ques-
tions.

The result of letters sent to the Sec-
retary of every state showed that 21
states violated the Constitution by
leaving off the names of electors.
These states are: Calif., Conn., Colo.,
Del., Ill., Ind., Iowa, Ky., Maryland,
Mass., Mich., Mo., Neb., New Hamp-
shire, New Jersey, New York, North
Carolina, Ohio, Penn., Wash. and Wisc.
A total of 329 votes.

Not one Secretary of State could tell
me why it was done. In fact I gath-
ered that not one had realized that it
had been done until I asked the ques-
tion. I'll wager that to many of you
who live in these states, this will be
news.

To the question: "When was it
done?", the replies were more definite;
mostly around 1918, 1919, and 1920.

The states that have Constitutionally
voted for electors, whose names are
on the ballot, so that the voters might
have a choice, are: Ala., Ark., Ariz.,
Fla., Ga., Idaho, Kan., La., Maine,
Minn., Miss., Nev., New Mex., N. Dak.,
Ohio, Ore., R.I., S. Car., S. Dak., Tenn.,
Tex., Utah, Va., Ver., W. Va., Wyo.,

THE FUNERAL OF THE CONSTITUTION

You all do know this heritage, where all the rights and power
were reserved to you. And with loving hands the Founders of this
country covered it with our flag of red, white and blue. Look in this
place ran the United Nations dagger through; see what a rent Su-
preme Court decisions have made. Through these openings the well-
publicized "advisors" stabbed, and as they plucked their cursed steel
away, mark how the blood of the Constitution and the hopes of
freedom flowed.

These slabs of treasonable people, admitted to our country as "cit-
izens," were the most unkindest cuts of all. For ingratitude, more
strong than Americans' arms, quite vanquished the Constitution.
They burst its mighty heart, and Bloody Treason now flourishes
over us.

Stay, countrymen! Good friends, patriotic friends, let me not stir
you up to such a sudden flood of mutiny. They that have done this
deed say they are "honorable"; what private international plots they
have, alas! I know not. They are cunning and clever, and will, no
doubt, try to answer you.

I am no orator, as our enemies are; but as all you know me, a plain,
blunt man, that loves my country. I humbly ask to speak my
thoughts. For I have neither wit, nor words, nor worth, nor action,
nor utterance, to stir men's blood; I only speak right out to tell you
that which you yourselves do know.

I show you the Constitution's wounds, poor dumb mouths, and bid
them speak for me. But were I otherwise, I would ruffle up your
spirits, and point to every wound in the Constitution. And then, at
last, this should move the people of America to rise and mutiny
against the conspirators who are planning to take over our country,
and thus avenge the Constitution's death.

making a total of 202 electoral votes. It
takes 266 votes to elect a president.

As I studied these replies and fig-
ures, the pattern became plain. The
destroyers of America leave nothing
to chance. The plan has been going
on for years and years, but it gathered
speed from the election of our first
Jew President Woodrow Wilson with
the price he paid for the office; The
Federal Reserve Bank and the Income
Tax. With the money angle entirely
in their hands, the "Tax, Tax and
Spend, Spend" part of the plan under
control, they turned their minds to the
"Elect, Elect" part. With the Southern
states voting Constitutionally and the
Democratic party in control, they
could never lose an election. The
Constitution lawyers with whom I dis-
cussed this elector business, assured
me that the election in the Un-Con-
stitutional states could be voided if I
could find a lawyer with "guts" to
stand up to the New Deal. The enemy
of America knew that, of course, and
were safe, for if by some duke the
Republicans had won from Roosevelt
the Democrats could easily contest.

I tried very hard to get a lawyer
to take up this question before the
election of 1944 but without success.
Now we'll see what Dean Marion and
his group will do for it is a cluck that
they'll have to take up the question
because people can't vote for electors
whose names are not on the ballot.
God bless them to success. We, you
and I, who have kept the candle alight
will give everything we have to this
accomplishment.

It's really simple for according to
the Constitution, 14th Amendment,

Section 2: "But when the right to vote
at ALL elections for the CHOICE of
ELECTORS for President and Vice-
President of the United States . . . is
denied to any male inhabitants of such
state . . ." and punishment is pre-
scribed.

We, the inhabitants of 21 states (22
now, as I have just been informed by
Mrs. Thorsen of New Mexico that that
state recently joined the list of "Un-
Constitutionals") have been denied the
right to vote for our choice of electors.
Let these defrauded Americans use the
"wailing wall," instead of the "muh-
mites" which are there all the time.

God bless FOR AMERICA. These
men who have been seeking the way
to save America, have at last found
it in the only place it could be, in the
CONSTITUTION. Not in some new
Amendment, a patch on an already
rotten patch, but in the basic law of
our land. I have great respect for and
confidence in these American men, but
woman-like, I'm wondering if, now
that they recognize that we're right
in this, might we not also be right, on
the Federal Reserve; The Income Tax;
The Brieker Amendment and the de-
crepit Eisenhower?

That First Easter Day

"DEATH IS DEAD; LIFE IS ETERNAL; GOD IS LOVE!"

While the Apostles cowered in an "upper room," the Marys went to the tomb and were given the royal commission: "Go! Tell My brethren that I ascend!"

"Yes," said Melchior, "Go thy ways, Mary! Tell the 'brethren' even as thy Master bade thee that He hath risen!—that death is conquered by immortality and that He ascends—unto His Father, whom now through Him we know as Father of us all. . . . Men will work bravely to support their own lies, but scarce a soul shall be found on earth, willing to bear pure witness to God's Truth! But keep thou thy faith, Mary—on woman's love and patience rests the world's future."

"For now, out of the burning center of that eastward blaze of crimson, there rose up a double, fan-shaped, diamond-shining whiteness as of huge unfolding misty wings—towering aloft, these aerial pinions extended towards the south, while from the north, another exactly similar and equally dazzling Appearance made itself, visible against a gleaming background of smooth gold. Then,—all at once, with a sudden sharp tremor the earth shook; and there came the impetuous rush and whirl of a mighty wind that bent the trees like blades of grass and seemed to scatter the very stars in heaven like a swarm of frightened fireflies, and with the surging sound that mysterious Winged Whiteness began to sweep forward at the swift and flashing pace of lightning!

"Galbus, Galbus!" gasped Maximus, falling down and covering his face in a paroxysm of fear—"Kneel! Kneel! for we must die! The gods descend! Behold them where they come!"

With straining eyeballs and panting breath, Galbus gave one upward frenzied stare. . . . his swooning senses could but just dimly realize that surely the powers of Heaven were upon him, and that death, sudden and relentless, must be his inevitable fate. How could mortal strength uphold mortal man at such a sight! . . . how could human vision bear the fearful dazzlement and marvel of what he, for one dizzy second, gazed upon! . . . Two majestic Shapes—the transfigured and ethereal semblances of a glorified humanity, flashing with a brightness celestial, a splendour invincible, grew up, as it were, in stately stature out of the molten-golden east, and seemingly impelled by wind and fire, floated meteor-like through space, and together silently descended at the closed tomb of the "Nazarene." One of these supernal Beings appeared robed in white fire—his lustrous countenance, gleaming as with lightning, shone from between pale glistening locks of gold on which a halo rested, like a crown. As this and the divided air recoiled upon itself with a roll and glorious Messenger touched earth, the ground rocked, a roar of thunder.

"Quivering to its deepest underground fibres, the earth supported the glowing forms of God's ethereal envoys,—together they stood, the fire of their white transparent wings quenching the silver reflex of the sinking moon,—their radiant faces turned towards the closed sepulchre wherein their Master slept. Again the great wind rushed in resonant harp-like chords through heaven,—again the ground rocked and trembled, and again the thunder sounded its deep trump of awakening eloquence. And all the mystic voices of the air seemed whispering the great Truths about to be made manifest:—"Death is dead; Life is Eternal! God is Love!"

Like kindled flames upon the sombre soil, the Angels of the Message waited side by side, their heavenly eyes luminous with Divine rapture, and the light upon their brows flinging glorious reflections far up in twinkling points of radiance to the vanishing stars. The dawn was near,—the strong suspense of Nature was at its keenest pitch,—it seemed as though what we know of Creation could endure the strain no more,—as if the world, the sun, the moon, the visible planets, must melt away like drops of dew in the burning fervor of so vast an ecstasy of expectation. The dawn was near!—that Dawn which would be like no other dawn that ever heralded a day,—the dawn of all the hope, the joy, the faith, the love that waits upon the promised certainty of life immortal; that priceless promise given to those who are willing to accept it without question, or mistrust; and who, loving their fellow-man better than themselves, in God and for God, touch heavenly ecstasy while yet on earth.

"And now a deep silence reigned. All the soldiers of the watch lay stretched on the ground unconscious, as though struck dead by lightning,—the previous mysterious singing of the birds had ceased; and only the lambent quivering of the wing-like glory surrounding the angelic Messengers, seemed to make an expressed though unheard sound as of music. Then, . . . in the midst of the solemn hush, . . . the great stone that closed the tomb of the Crucified trembled, . . . and was suddenly thrust back like a door flung open in haste for the exit of a King, . . . and lo! . . . a Third great Angel joined the other two!

Sublimely beautiful He stood,—the Risen from the Dead! . . . gazing with loving eyes on all the swooning sleeping world of men; the same grand Countenance that had made a glory of the Cross of Death, now, with a smile of victory, gave poor Humanity the gift of everlasting Life! The grateful skies brightened above Him,—earth exhaled its choicest odours through every little pulsing leaf and scented herb and tree; Nature exulted in the touch of things eternal,—and the dim pearly light of the gradually breaking morn fell on all things with a greater purity, a brighter blessedness than ever had invested it before. The Man Crucified and Risen, now manifested in Himself the mystic mingling of God in Humanity, and taught that for the powers of the Soul set free from sin, there is no limit, no vanquishment, no end. No more eternal partings for those who on the earth should learn to love each other,—no more the withering hopelessness of despair,—the only death now possible to redeemed mortality being the bondage of sin voluntarily entered into and preferred by the unbelieving. And from

this self-wrought, self-chosen, doom not even a God can save.

Reverently bent were the radiant heads of the angelic Beings that had descended in full flight from Heaven; but He who stood erect between them, tall and majestically fair, looked upward once, then straight across the silent landscape and, stretching forth His hands, seemed by the tenderness of the Gesture to place *His benediction on the world*. A light grey mist was rising incense-like from the eastern edge of the horizon,—the crimson glory lately flaming there had paled into the faint pink of a blush rose-petal, and a soothing shadow, stole imperceptibly over the scene, toning down into silver lines the departing rays of that supernatural splendour which had been like the beginning of a new creation. Slowly, very slowly, the transcendent brightness round the form of the Risen Redeemer faded into air,—His Human Shape became more and more clearly defined, 'til almost He looked with the same aspect He had worn in the hall of Pilate, when *man's law had condemned Him to suffer man's death*. Only there rested a sublimer glory on His Countenance; the expression of a power omnipotent; a beauty terrific; a knowledge supernal that made Him wonderful even in the sight of His serving-angels of Heaven. To them presently His high command was silently expressed, for one bright Being vanished like a melting cloud within the opened sepulchre,—and the other, moving to the great stone of burial that had been rolled away, rested, upon it, a shining Wonder, clothed in white wings.

"Meanwhile He who had proved Death to be but

another name for Life, began to pace pensively to and fro among the tangled shrubs and vines that in their careless and untrained luxuriance gave to the otherwise dreary burial-soot, something of a wild beauty. He moved as though He loved the world, even to the very blades of grass His feet passed gently over; the leaves upon their branches bent towards Him as taking health and joy from His fair Presence, and fearlessly seeking His blessing. And ever as He moved, His aspect grew more human; out of the secret depths of space He seemed to clothe Himself anew with the fleeting semblance of mortality. Now and again He paused, and gazed at the senseless forms around Him of all those who had been set to guard His resting place, and then the mystic watchfulness and deep compassion of His eyes reflected the vast, impersonal and changeless love which emanates from the Divine alone.

... "A faint sigh stirred the air,—the sigh of One who knew that by the pitiless will of Man, He should be wronged and spiritually re-crucified for ages; and then the risen Light of the World turned away and glided among the little trembling trees, His figure gradually becoming a mere misty outline, vague and undefinable as though it were the floating shadow of a dream. Two hours had yet to pass ere the sun would rise,—meanwhile a fragrant freshness sweetened the breaking dawn, and all Nature remained absorbed in a sacred silence of enraptured worship, conscious that the Master and Lord of Life was now, as once before in oldest time, 'walking in His garden in the cool of the day'."

Lyrl Clark Van Hyning

Clyde, New York
February 25, 1956

Dear Mrs. Van Hyning:

While I am in sympathy with the cause, I do not feel the time is right for the expansion program you have in mind.

I have talked this subject over with folks for the past five years, and I've reached the conclusion that the Amer-

ican people are the most stupid in the world. All they think of is their own immediate surroundings; all they want are new homes, TV's, cars, beautiful gardens, and a good paying job to get these things.

To be frank, the American people today are not worth the suffering you are going thru. Actual suffering allowed by the Almighty is the only thing that will wake up America. Every wish the Americans hope for breaks the first commandment of God; and we are due for severe punishment and you can't stop God's will.

The churches are corrupt, they theorize that man must be worth something or God wouldn't send his only begotten Son to die for us. Rather the reverse is true. Christ's death shows a love so boundless, to die for mankind that deserves no love, a mankind that thinks only of self. Please, Mrs. Van Hyning, let up on your effort, think a little more of yourself. Please don't interfere with God's plan. If God wanted you to save us, he would have made it very easy for you.

Sincerely,

Bernard Di Santo

Ed. The day this letter came, an old and dear friend, a man who was in this work 40 years ago, with Mr. Atwood, came to ask the same thing that Mr. Di Santo has so kindly expressed. What's the use? He had tried so hard, had spent a fortune to awaken the Americans. I told him my story of Isaiah and the REMNANT, and being a fine Bible student, he saw my point, and said: "If you can reach 100, it's

worth the try." I hope Mr. Di Santo will think so too. One other thing I told this friend, we, the Nationalists of today stand on the shoulders of him and his group. If they hadn't carried on, we today would not be able to. Therefore we must pass our best on to those who come after. To both of these friends, I say, it's not hard. Jesus went this way before and earthly things are so temporal and unimportant.

BETRAYAL The Story of Russian Anti-Communism

by P. J. Huxley-Blythe

"This is the story—in brief outline—of Russian anti-Communism. Yes, RUSSIAN anti-Communism, for perhaps the most anti-Communist people in the world today are the Russians because they have suffered longest under it and therefore hate it the most." American's Phoney Anti-Communism

The Voice of America

"Many people have been duped by the 'mouthings' of American political windbags into believing that America is now sincerely anti-Communist, and that Eisenhower and everyone regrets the past and their Communistic actions. This is incorrect. The American Government is the prime-mover in the International Socialist Conspiracy which must ultimately result in the world Communist State."

Back to the Republic Campaign

Dear Reader:

The response has been a reward that seldom comes to any one. The enthusiasm, the hope, the willingness, the gratitude to do something; letters from many high in the eighties, one lady 92%, still eager to serve Christ and Country, letters that brought tears to some of our workers here. I am very proud and very humble.

Within three weeks after the first letter was sent we had 100 founders. "I am the tree, ye are the branches". Who better suited for the expansion than the readers of Women's Voice? They who for 15 years have stood for truth: In answer to one question, yes, men can be members. The campaign is for all. It is simply sponsored by We, The Mothers.

"Back to the Republic Campaign" is NOT an organization. I have too much respect for my fellow men to "organize" them. Organization is the devil's tactics. "Man" alone is God, that God-self within each one. "Men" is a herd, as my Beloved Son Tom said: "I would rather have one man who will stand up alone, than 10,000 hiding behind each other in an organization." As a member of an organization, you bury your own God-given right of discrimination, and let some leader (usually corrupt) speak for you. In the old days when we went to Washington, it was sickening to hear Bishop Oxniam, for example, "speak" for thousands of Methodists. Having been reared a Methodist, I knew 90% of the Methodists had never heard of him.

"Back to the Republic" is the whole story. The Republic was set up on Christ's principle of individual responsibility. It is an educational campaign. How can we defend what we don't know? And people simply don't know the Constitution. If they did, they'd never listen, much less heed or repeat such things as: The Bricker Amendment; "Mundt Coudert Bill" or any of the other proposed amendments. I think "We, the People" have proposed seven. Even Sen. Byrd has proposed one to prevent Congress from borrowing money except in time of war. Instead of making more laws to be ignored, why not knock out those which are unconstitutional? Get rid of the Federal Reserve and Income Tax and you won't have to put up safeguards because our world meddlers won't have money to stir up wars. Why don't these good patriots hit the eye of the octopus, not its tentacles?

Women's Voice Readers know these things, and every new reader has to read Women's Voice, "Back to the Constitution", by Harry Atwood; "The Federal Reserve Conspiracy" by Eustace Mullins and "The Protocols of the Learned Elders of Zion." Then as Henry H. Klein said to me in 1945: "You don't need any organization. The people will know who is the enemy, they're in your army, and they don't need to be told what to do."

Two slogans we have had: "Know

the Truth and the truth will make you free," and "Give the people Light and they'll find the way."

Thomas Jefferson said, "It is better to have a Free Press, without Government, than a Free Government without a Newspaper."

If you, as a Founder, keep your tree going to the 16th step, that means 65,000 new "knowers" of the truth of who is destroying this Nation. Nobody is going to tell those people what to do (certainly not me. I am simply a sign board pointing the road back to the Republic). 65,000 is a sizable number in any state, and in some states there are more than one founder. Take this matter of Electors for President and Vice-President, let these people really come alive to their responsibility and their power, they don't have to listen to Which Eisenhower, or Stevenson or Kefauver or any candidate, they just obey the Constitution and get their Electors.

We here have done our work, it's up to you. I live one day at a time, any goal, my "success" is living that day to the Glory of Christ. My work is finished and I'm eager to be off, but if He needs me, when morning comes and He wants more service from me, "Your will not mine, O Lord." I tried to run away last summer, but He brought me back to finish whatever He wants me to do. I found I couldn't walk away from this work any more than I could have walked from 6th grade into 7th. Promotion has to be earned. I pleaded 20 years of service. Not good enough. I pleaded age. 63. I am. Still no good. He'll let me know when my grade is "passing."

The real purpose of "BACK TO THE REPUBLIC CAMPAIGN."

I'll tell you a secret. The Remnant is out there some place, and they need "food" (encouragement). So many letters come with this expression: "I got hold of a copy of W.V. a few days ago. I think it's wonderful. How can I subscribe? How can I get back copies?"

"In Brief" by Albert J. Nock, put out by The Foundation for Economic Education, is the story of the "Remnant" and I love it because it most fully tells of our work, your and mine. The Lord commissioned Isaiah to go out and warn the people of the wrath to come. "Tell them what a worthless lot they are, and don't mince words. Give it to them good and strong. Make it clear they're positively down to their last chance. It won't do any good. The intelligentsia will turn up their nose, and the mass won't even listen, and I suppose I ought to tell you that you'll be lucky if you get out with your life."

Isaiah was a bit taken back, why then do it if it was to be a failure? "Ah," the Lord said, "THE REMNANT IS OUT THERE. They're obscure and unorganized and they need to be encouraged. They're the ones that will have to build a new society after the wreckers are through. Your job is to take care of the Remnant."

MASS VERSUS REMNANT

The Remnant means quality. Don't be deceived by the common use of mass, intentionally to defraud, that is, the poor and underprivileged, laboring people. Nothing of the kind. It simply means majority, and in our country judging from the elections of the last 25 years, it is the so-called intelligentsia, the very rich etc. "The remnant are those who by force of intellect are able to apprehend principles and force of character to cleave to them."

Every one with a message today tries for "mass" acceptance and "mass" approval with the result that his message is so whitened down that the Remnant will have nothing to do with such half-truths, and even the masses are hardened in their own sins. As with Isaiah so with us, the message must be straight from the shoulder, undiluted, any one who will, may listen, but the Remnant will listen. We won't know who they are, or where they are, or how many they are, but we can be sure they'll hear, and they will be encouraged and strengthened. The message must be true. It isn't enough to speak of "The Hidden Hand", or the "Invisible Gov.", or "International Conspirators", when we mean Jew. Say what we mean in words of one syllable in our message to the Remnant, say it with that Christ-like love, no animosity or personal feeling, as did Jesus and Isaiah.

Isaiah was exposing the Jews and "The picture which Isaiah presents of the Judean masses is most unfavorable. In his view, the mass—man, be he high or be he lowly, be he rich or poor, prince or pauper—gets off very badly. He appears, as not only weak-minded and weak-willed, but as by consequence knavish, arrogant, grasping, dissipated, unprincipled, unscrupulous. . . ."

Our Campaign is to extend our borders, reach that Remnant. Some one asked me if I didn't want some "big names" on our letterhead. By that they mean some one who is prominent. My reply is "No." I don't know of one who is worthy. The people whom I respect, who have stood up to be counted all these years, "who count not their lives unto death" are on our lists. They are the chosen few, who are now given the opportunity and responsibility of carrying the truth to the rest of the Remnant. (If any of you wish this little book of Albert Nock write me, and I'll send it as my personal gift to you.)

The promise to me is that if we carry this torch of truth as far as we can, other, stronger hands, will bear it forward. My vision is for a great National Daily, as right, just, and courageous as Women's Voice, that will go all over the world fulfilling Christ's promise: "Ye shall know the Truth and the Truth will make you free."

"I Weep for My People And My Country"

You may use the enclosed above my name, if you think it might help arouse some sleep-walkers or blow the dust from the brain of those who walk so smugly, or the souls of great men and women of humble stature.

—Katherine Goerner

Dear Mrs. Van Hyning:

When Anthony Eden was here on last secret meetings with Eisenhower to hatch out another crime against humanity, I happened to see Eden headlined across the newspaper, and said to the paper boy: "I wonder what Eden wants this time, more money I suppose?" He sneered: "Well, what's money for?" "Not to give away to foreigners. We need it for our own people, who earned it." His next remark was startling: "We have to take care of American and British Colonies, don't we?" I said "What American and British colonies. I didn't know we had any colonies." He answered: "We have CEMETERIES all over the world, don't we?"

"CEMETERIES" — graves, graves, graves of our boys, the white boys of England and America, and from these graves the crosses were removed by order of Anna Rosenberg.

All the horrors of a bestial race of people thumped in my temples. Depravity — bestiality, criminality and torture and grief imposed on a helpless world by these unspeakable beasts who claim they are God's chosen people.

WE! AMERICA has COLONIES! My very soul screams out, Oh God hast thou deserted us? Can it be? Can it be?

Mrs. Van Hyning, there is little I can add to this. I feel so crushed. Our hospitals keep filling up with the ill, our sick boys, whose freedom no longer exists, whose minds and bodies are crushed and made useless, armless, legless, mindless — ruins of once useful men, the flower of white manhood, God's children, laid waste.

Now these same wily beasts and scavengers are proposing a mental out post on the frozen wastes of Alaska to take care of those of us whom they can not reach in any other way. A torture chamber of Alaska in the year of our Lord 1956.

A war of hell and fury in the middle East within 30 days. Was all that hatched out in the garden of EDEN with that dying man of Washington? Yalta with Roosevelt, now Washington with Eisenhower.

How apropos.

The deliberate human wreckage in the sky, air-plane explosions; on the ground, head-on collisions of automobiles; trains derailed; in our harbors boats collide. All to one planned end—the destruction of humanity. Now the black hordes are being turned loose against a frustrated people, who do not see the hidden hand of a blood-thirsty race of barbaric beasts, who move about among us in freedom and are sanctified by a sub-

servient administration of unholy unworthy men, our trusted public officials: a thwarted Congress and a subdued press and controlled television, all cut to order. A cowed people, the living dead marching to their graves to the sordid music of KOL NIDRE, under the persuasion of the world's greatest sadistic criminals, the Zionists; their Rabbis and the filthy despicable Jewish bible, the Talmud.

Which way shall we march; with this deadly motley wrecking crew? Or shall we take up the armor of the Christ principle, face up to this dread disease and fight to the death, either alone or together?

We still have this choice in 1956 but not later. Choose ye, demon or God. Which?

SCHULCHAN ARUCH

The National Jewish Monthly, published by B'nai B'rith, November, 1955, page 2, col. 2, art. 2, par. 2—

"... We Jews have survived the holocausts of 2,500 years in the face of the most violent persecutions. How can anyone explain the amazing virility of the infant State of Israel? I therefore deem it as a sine qua non of our existence that we remain the Torah Moshe people, with its concomitant observance of the 365 mitzvot and the 248 prohibitory injunctions.

"I preach and advocate a strict adherence to the *Schulchan Aruch*, ...

"... We of the Orthodox wing of Judaism regard the conquest of the Holy Land as but an interregnum, awaiting the coming of the Messiah. As such, by no stretch of the imagination are we permitted to disrupt the liaison linking us with our glorious past. On the contrary, we must insist upon the observance of all the minutiae of our faith." (Signed)

In an interview, Mr. Liebler told me that a large number of antisemitic pamphlets are being received in Australia. This material, he said, is being received by a Mr. de Louth, of Queensland, who is alleged to be responsible for its distribution in Australia.

While action is to be taken in Australia, Mr. Liebler has also had consultations here with the Anti-Defamation League of the B'nai B'rith and with the world Jewish Congress in an effort to stop the export of the pamphlets.

Mr. Liebler has also discussed with Jewish authorities here the threat to shechita in Australia.

WHICH EISENHOWER?

SIR IKE

(From Kay Sommersby's book "Eisenhower was My Boss", page 263)

"His Majesty presented the Supreme Commander with the almost-sacred Order of Merit.

"Although this decoration may not be as jeweled as the Russian Order of Victory, it is one of the most precious in the British Empire's vaults. For example, Marshall Foch received it after World War I — and General Eisenhower was first American in history ever so honored.

"When he went to dinner that night at 10 Downing Street most of the guests, including Cabinet Ministers, admitted they never had seen the Order of Merit. (The General sent back to his hotel for the medal. Their unabashed awe provided the final scene to his day's drama."

Ed. Is "Which" Eisenhower the best U. S. President that England ever had? Small wonder that he and Eden were in such complete "accord."

With these two pictures, I rest my case with the American people whose business it is.

Left: Pres. Eisenhower, hale and hearty, Jan. 13, 1956.

Right: Pres. Eisenhower, wan, pale and drawn, Jan. 20, 1956.

They can't be the same man. The only question is, Are the American people willing to be fooled? Was Harry Hopkins right when he said: "The people are too damn dumb?"

W. V. has a deep sympathy for Eisenhower, the real one, who is evidently a very sick man, the captive slave of a merciless group, who use him to the destruction of his body and the damnation of his soul.

"Eisenhower was My Boss", page 260-261

"General Eisenhower was most impressed by Marshal Zhukov. . . . When the Russians present a decoration, they do it up royally, almost in Tsarist fashion. To General Eisenhower and then to Monty, Marshal Zhukov gave the almost-legendary Order of Victory. It is a gorgeous, breath-taking medal, a jagged platinum base literally covered with brilliant diamonds and rubies. Estimates as to its value ranged anywhere from \$20,000 to \$100,000."

Ed. Strange that a plain Iron Cross given to Chas. Lindbergh aroused such a clamor and villification. How right is "RIGHT" in its Mar. issue: "Eisenhower—a man with a past as black as sin itself."

Feb. 29, 1956. The long wait is ended. Which Eisenhower will run again. What a hoax. Six months of sham and pretense and ballyhoo. What really happened, we don't know, but we do know that the Americans do not know the truth. Even the announcement was a hoax as "the Citizens for Eisenhower" had already opened headquarters here in Chicago, two days ago.

With these two pictures, I rest my case with the American people, in whom I have confidence. The hoax is exposed and in spite of Hopkins' opinion ("Americans are too damn dumb") they will act in their own good time and repudiate this sham and all who have perpetrated it.

Let no Democrat take consolation from this exposure, for we have a report which will be fully documented that Alger Hiss is writing campaign material for them. Democrats and Republicans can be assigned to the ast, can and the people are free of them all.

WAR IN THE MAKING

Upton Close said in his Jan. 27, 1956 paper that the World Zionist congress was UPPED from July to April 11th in Jerusalem BECAUSE THE JEWS WARNED OF A "PRE-VENTATIVE" war coming this spring.

Mr. Chas. Hudson (whose article on this same angle should have been in this Voice, but script was misplaced) says the set up is strangely like that preceding World War II. He speaks of the ballyhooing for "peace" on the front page but scattered throughout the papers are 8 times the space devoted to war in the making. HIDDEN HAND operations.

"As far as I can see, that CONSTITUTION was the greatest piece of work ever struck off at a given time by the brain of man."

In God's name, let us speak while there is time

Now when the padlocks for our lips are forging

The Jewish issue was brought in the open Sunday by the Birmingham News in a story saying that membership in the north Alabama group was limited to white Christians.

MAYBE THE MAYOR OF AURORA HAS SOMETHING

God never chose the great and mighty to do his work. The "diplomats," the Presidents and dictators have failed and abysmally, let the little people try their hand. If once the peoples of the world can get together, unhampered by the lies of their rulers, there will be peace.

Anyway the Mayor's letter has caused a furor, even made headlines in the Chicago Tribune, today. (2-27-56). The big papers will scream and the BIG boys will sneer but if and when those mayors all sit down together, with Christ in their midst (the United States and Russia were once great Christian countries), strange things could happen.

February 21, 1956

Mr. Anastas Mikoyan,
Deputy Premier of the Supreme Soviet
of the U.S.S.R. Moscow, Russia

Dear Sir:

Because I am a Mayor in a small city near the heart of America and because I am very seriously alarmed after attending a meeting of Mayors called by the President in Washington, D.C., I am writing you in hope that it will begin negotiations and an understanding that will help preserve the world and not only myself and constituents but my own five children, as well as yourself, your associates, in ruling Russia and all of your people who look to you for their safety and happiness.

Let me state a few vital basic facts.

I am proud to be a loyal and enthusiastic citizen of the United States of America. Our basic conception of rights and dignities of every individual in our country has been inspiration and hope of mankind for the first 100 years. I hope that this original conception can be spread throughout the world. I know there are many disadvantages that have crept into our early and pure philosophy but I cannot help but believe that the basic principles and ideals that our forefathers espoused cannot be too far from that which caused the creation of the Communist dogma in the world.

I believe that most of the ills of humanity have come from men who have been stricken with a disease called *egomania* and that many have it in a lesser degree throughout the world.

Needless to say, I love most of the things that are enjoyed in the United States of America and I am sure that you have a great, deep, affection and loyalty to the basic principles of your country. In this no fair men can criticize this situation.

There are several very bad things injected into both of our pure ideals and desires. Because of one of these violations here I believe *the bells of the world should be tolled for the death of free speech in the United States of America.* In an open meeting in America I was denied the right of discussion in a meeting called by the President of the United States. This was to inform the Mayors of communities of over 50,000 people, of the dangers lurking in the world today and to hold a free and open discussion of all the ramifications of this peril. I was shut up and the meeting adjourned. We were told, and that there is nothing that you do not know regarding this, that today Russia and the United States both have the means of destroying the world. In this we have no defense, nor does Russia. If the heart of passions arise, no one knows who may pull the trigger and we will all be a part of a shooting star.

My reason for writing you is that I am terribly alarmed and rightly so and no man can tell what another man may do. Because I was impressed by your speech and because I have no personal or official

objection to the Russian people joining the rulers of Russia in helping to create something which is needed in this world, and if I may inject this thought.

I believe that you are absolutely right in the statements that you have recently made. If the press reports are correct, that there should be a limit put upon individuals and on dictatorship, which I will never presume to suggest the folly of an argument which would allow the conception of turning a man's head into his feet or vice versa, there will always be a place for authority and leadership and guidance. I feel you are pursuing the wise thing when you suggest that in this world, *no man or no one group of men have the supreme power of dictating the right to think, or worship, or live beyond the reasonable bounds of propinquity.* Such power leads to destruction of life. *No ruler or ruling group should have the power of life and death over anyone in this world.* I have always heard that Stalin poisoned your founder, Lenin, after he got Trotsky 3,000 miles away and could easily have taken over the Russian government, which he did. Later he had Trotsky held and killed in Mexico. You know better than I, the bloody path he has pursued. It has gained for Russia abhorrence and suspicion of your fair country, by all informed and reasonable people.

Now for the foreseeable future we could possibly get along. Lacking understanding and because some over-zealous or misinformed or irrational person in the world might set the spark which might set our two suspicious armed camps at each other's throats—what can we do? There is a saying "he who lives by the sword will die by the sword." But he who lives with nuclear and other methods of destruction may now destroy the world and perhaps our entire universe. In my simple and straightforward thinking, I would like to see these engines of destruction reduced to a world service. At this meeting of the minds of Mayors of the United States and the U.S.S.R. as well as your own ruling group, a plan might be forthcoming so that we might all realize the hope of humanity in the forming of a state which would approach Paradise. *We will either do this or we will go down the road which will cause one of us to blow all of us all to Hell.*

Because of my thinking and because of the fact that I was informed there was nothing that can be done and that there is no fund available in America, I will make this suggestion, that in the interests of your people, would you and your associates pay for a meeting and a good will tour through Russia of American Mayors? We would fly to Moscow and throughout Russia to see your country and to see if we cannot sit down around the table and in honest, sincere, spirit of friendship, attempt to see if there is some basis on which we can live and govern and conduct ourselves happily in this world?

How Zionism Bankers Create Money

MADE OUT OF NOTHING.

THE HIDDEN POWER & REMEDY. Chapter 6.

Copyright, January, 1956. H. L. Birum, Sr.

UNDER GOVERNMENT COINAGE OF MONEY—

STANDARD 2% INTEREST.

NO PRIVATE INDIVIDUAL JEWISH OR

GENTILE BANKERS ALLOWED.

EACH GOVERNMENT BANK WILL HAVE A

GENERAL MANAGER ON SALARY.

ALL PRESENT ZIONIST BANKS WILL BE BOUGHT AND

PAID FOR WITH INTEREST FREE MONEY.

ZIONISM IS—A LOAN - A DEPOSIT - A CREDIT - A DEBIT.

THIS CREATES A COUNTERFEIT INTEREST BEARING MONEY.

Amshel Mayer Rothschild is known to have said: "Permit me to issue the Currency and credit of a Nation, and I care not who makes the LAWS."

In view of this remark about 200 years ago it is significant that thru the Bank Charter Acts of Great Britain the United States of America and Canada, and other European Countries, this same plan of issuing the Currency and the CREDIT of NATIONS has been in operation for about 250 years and for Centuries before on a more modified form. This system of "MONEY RULES THE GOVERNMENTS" has caused nothing but WARS thruout the world for these 250 years.

OUR CONGRESS DELEGATED THEIR POWER TO COIN INTEREST FREE MONEY TO ZIONISM.

This same plan of allowing PRIVATE INDIVIDUALS TO COIN THE MONEY HAS been in operation since President Washington's first term, 160 years ago when he signed the Congressional BILL to DELEGATE the issuance and COINAGE of our UNITED STATES MONEY to the First Bank of the United States, which was wholly owned and operated by the World Zionist Rothschild Jewish Bankers and they have with many, many more LAWS and Banking ACTS passed since then, have been carrying on and issuing Currency and credits, made out of nothing but pen and ink entries in the Bank Books.

WASHINGTON'S FIRST CONGRESS—BUT AND PAID FOR BY ENGLISH ZIONISM ROTHSCHILD MONEY.

The WAR for INDEPENDENCE 1776 was caused by this same plan of INTEREST SLAVERY, Taxation without representation and that's exactly what the United States has TODAY 1956 only on a worse and more extended scale.

Interest BEARING MONEY was the headaches and the greatest of problems confronting the United States Continental CONGRESS of which General WASHINGTON, Thomas Jefferson, Benj. Franklin and many other who were active in writing a CONSTITUTION wherein it was to read that "THE NATION" THE NEW UNITED STATES GOVERNMENT "THE CONGRESS OF THE UNITED STATES" shall issue and COIN THE MONEY AND

DECLARE THE VOLUME AND VALUE THEREOF AND OF FOREIGN COIN.

THE 2% INTEREST COLLECTED GOES FOR GOVERNMENT EXPENSES & TAXES.

Nothing could be plainer than this, and that the CONGRESS could make a standard 2% rate of interest with the expressed idea in mind that the interest so collected shall go to the Government to be applied and used in place of taxes, to pay the expenses of a wholly Government-managed BANKING SYSTEM. Also to pay Post Office deficits and other expenses which usually are paid with Tax money.

ZIONISM JUDAIZED BANKERS WOULD AUTOMATICALLY BE ELIMINATED FROM GOVERNMENT.

This would do away entirely with both Zionist Judaized and GENTILE Individual or Corporate Bankers collecting INTEREST SLAVERY charges for their own individual Profits. And then something happened, 160 Years ago with a full 75% of CONGRESS voting to DELEGATE this "POWER TO COIN MONEY" into the hands and clutches of the Synagogue of Satan, the World Zionist Judaized ROTHSCHILD COINERS of Counterfeit, False and Unconstitutional money calling themselves CHRISTIAN BANKERS, and collecting INTEREST BEARING charges with no LIMIT whatever on the amount of interest to be charged.

A LOAN—A DEPOSIT—A CREDIT—A DEBIT—A CREATED MANUFACTURED MONEY.

Let's illustrate Mr. Rothschild's "PERMIT ME TO ISSUE CURRENCY & CREDIT".

The BANK LOANS the Gentile \$1,000. at 5% interest and he signs his note for a one year LOAN. He is credited on the Bank Books for \$1,000. CREDIT. The NOTE is placed on the Debit side of the account for \$1,000.

Then the Gentile starts checking against this CREDIT LOAN account until the \$1,000. is used up and each check as paid by the Bank is charged to his account on the DEBIT side of the Bank Ledger.

At the end of the year this GENTILE pays his NOTE at the Bank

with a check for \$1,000.00. The Bank credits his NOTE account for \$1,000. His NOTE is already on the Gentile account on the Debit side and the Gentile account is CLOSED.

So far, the Bank Books show that NO MONEY WHATSOEVER has been used in the transaction. Nothing but CHECKS have been used. Therefore, upon payment of the NOTE with the check for \$1,000.00, The Bank credits his account with \$1,000.00 and the BANK BOOKS are evenly balanced.

Now what have we got? This is what the Bank books show. When the Gentile signed his name to the note for \$1,000. LOAN. This LOAN was CREDITED on the BANK account as a DEPOSIT. (So he could check against this \$1,000.) He should, under an honest BANK BOOK SYSTEM, have been CREDITED WITH A LOAN. But NO! The BANK BOOKS, this way report that \$1,000. has been DEPOSITED by the Gentile when in fact they should have reported this in the LOAN Column.

In fact there was no MONEY what'ever in the TRANSACTION. It was all a Juggling operation peculiar to ZIONISM on the Bank Books, wherein CHECKS were used to draw out the fictitious CREATED MANUFACTURED MONEY \$1,000. worth. In short—The LOAN creates A DEPOSIT and likewise CREATES \$1,000. on the BANK BOOKS as a Deposit.

THIS is Mr. Rothschild MANUFACTURING MONEY made out of NOTHING but Pen and Ink Entries in the Bank books.

OUR PRESENT "DEPOSITS" ARE FALSE, UNTRUE, MISLEADING AND COUNTERFEIT MONEY.

Yes.—We have laws against COUNTERFEITING MONEY and if we had an HONEST Christian Government or an HONEST set of CONGRESSMEN which today is reported to be 65%—High degree 32 or 33 degree FREE MASONS, this GREAT CONSPIRACY would never be troubling us today. And this CONGRESS is a white man's CONGRESS, and claiming they are CHRISTIANS and on the square.

If we had an honest set of officials these BANKERS should go to JAIL for this DEPOSIT Fraud and for COUNTERFEITING MONEY.

And they tell me "IT CAN'T HAPPEN HERE". We are in Debt One Trillion Dollars and everything in the U.S.A. cannot sell for half that much. Yes my Friends and Gentile suckers YOU voted this in. You voted in these crooks and you were DOUBLE-CROSSED. Yes friends "IT'S ALREADY HAPPENED HERE".

These Zionist Banks by reporting these FAKE Billions of Dollars of LOANS as DEPOSITS ARE FOOLING THE GENERAL PUBLIC into thinking that this is a real PROSPERITY BOOM and that our economy was on a sound and safe basis.

We have ECONOMISTS today who have private Customers have for some (Continued on Page 10)

(Continued from Page 9)
time past hinted that our DEPOSIT REPORTS were not genuine. BUT not one had the nerve to tell the truth about how it was handled.

THERE ARE MANY LEGITIMATE GENTILES DEPOSITING ACTUAL WEALTH EARNINGS.

HOWEVER, when he does so he gets a DEPOSIT slip for same and this is the only kind of DEPOSITS that should be reported. If it were possible to get these honest figures it wouldn't take an ECONOMIST long to show you that we are today sitting on a powder KEG and that the financial crash can come at any time. You Gentiles who are in DEBT better get busy and sell. Sell. Pay up your debts—our Fake boom is soon to end.

When my Gentile friend as per above paid up his \$1,000. Loan he enclosed \$50.00 as INTEREST at 5% on the \$1,000. Loan. The Bank perhaps used about 10% of this or \$5.00 for labor/expenses on the Bank books, and Mr. Zionism Judaism BANKER has a NET PROFIT of \$45.00 of which he PAYS NO TAXES AND MAKES NO Profit & Loss Statements. See my chapters 5 & 5½ as Documented proof from the Congressional Investigation in 1952. 82% OF ZIONISTS ARE TURKO-MONGOL BLOOD JEWS.—THE ASHKENAZIM.

Prof. Lathrop Stoddard, the Eminent Ethnologist, states "that from their OWN RECORDS 82% of the ZIONISTS are ASHKENAZIM—So-called Jews—with ROUND Skulls and Typical Jewish Noses (which they now Alter by Plastic Surgery) and that they are of Turko-Mongol Blood and are NOT Semitic." "And that they are of the Alpine Race."

Prof. Stoddard also states: "that the true Semitic JEWS are the Sephardim Jews and are long Skulls and have fine cut Noses and of the Mediterranean race and that the two Jewish Races [are as far apart] as the north and south poles."

The Author Comments:
ALL JEWS BANISHED FROM ENGLAND FOR 400 YEARS 1250 TO 1688 A.D.

This Rothschild "ISSUANCE OF CURRENCY & CREDIT" is also the same MONEY-CHANGERS. Financial, Political & Religious MONEY SYSTEM which has been used in England since 1688 A.D. when England was TAKEN-OVER by the ZIONISM Judaized Money Changers from Germany, Holland, France, Austria, Poland & Russia with the Asiatic-Russian Jewish KHAZAR, Turko-Mongol-Tartar TALMUDIST MONEY-CHANGERS, who originally came from the Asian Medieval days thru the Ural Mountains From Asia about 600-800 A.D. and some authorities claim about 200 A.D.

Thus we have the ending of the 400 year period of the Banishment of all JEWS from England, Ireland & Scotland in the 12th Century.

This is the back Ground of the MONEY CHANGERS "Currency & Credit system."

A LOAN, A DEPOSIT—A CREDIT.

A DEBT—"A CREATED INTEREST BEARING CURRENCY."

Yes.—And made out of nothing but Pen and Ink Entries in the Bank Books, all of which is Interest Bearing UNTIL PAID and in the END can only bring COMPLETE BANKRUPTCY for any Nation. This is the MONEY SYSTEM which was already in use in "Europe" during the Banishment period of England.

IN 1688 A.D. ZIONISM JEWISH. KHAZAR BANKERS "TAKE-OVER" GREAT BRITAIN.

THESE were the Synagogue of Satan and Anti-Christian peoples which Financed and supported, WILLIAM OF ORANGE to land in England where he became in 1688 A.D. WILLIAM III of England, Co-Sovereign with his wife Mary II (Stuart) Queen of England, commonly called "WILLIAM & MARY." This followed the END of the Christian King JAMES II Reign 1688 A.D.

WILLIAM III OF ORANGE WAS A POLITICAL HIGH DEGREE FREE MASON.

This CHANGE-OVER from the Christian KING JAMES II was in the making in England. POLITICALLY for quite some time previous to 1688 A.D. with plenty of outside help from the Pagan and Talmud element along with the breakdown of Christianity generally. WILLIAM III of Orange Joined the High Degree Free Masons secret Society in 1694 and as GRAND MASTER presided over several meetings.

WORLD WAR ONE WAS THE FINISH OF GREAT BRITAIN'S ARISTOCRACY MIDDLE-CLASSES

And today with so many years of INTEREST SLAVERY CURRENCY, the WHITE Middle classes from England have been practically ELIMINATED and all their Lands and Properties have been taken away from them and WHITE CIVILIZATION there is about at an end as far as OWNING any Lands, Castles or Real-Estate is concerned. The ROYALTY in England is heavily MIXED with Mongol-Jewish Blood. The Hereditary title holders with Jewish Blood are: "54 SIRS—27 BARONS—7 VISCOUNTS—5 EARLS—" With Titles who married Jewish Women "16 BARONETTS—12 BARONS—7 VISCOUNTS." And NOW Jewish Mongol Blood in PRETENDERS to THRONES.

THE KARL MARX COMMUNIST DIRECTIVE NO. ONE SAYS:

"Abolition of property in Land, and application of all rents of LAND to public purposes." This means that the INTEREST SLAVERY BANKERS will Take-Over all properties by FORECLOSURES and with Excessive INCOME TAXES in Default.

Our Interest bearing BANKING ACTS are unconstitutional and the INCOME TAX and SOCIAL SECURITY Acts are MARXISM Com-

munist Manifestos DIRECTIVES. OUR SOCIAL SECURITY ACTS 1937 & BANKING ACT 1935—THE START FOR HIGH TAXES.

World WAR one finished England and since then 1918 England has paid 40% Income taxes. The United States really didn't start on the real big RAISE in Income taxes until about 1937 with the passage of the Social Security Laws and from 1935 the Banking Act which gave the Zionism Bankers the final LAWS necessary for our FINISH. We already had the Marxism COMMUNIST Income TAX of 1913, and the Rothschild "CURRENCY & CREDIT" Federal Reserve Banking ACT of 1913, held in abeyance, and unknown to the PEOPLE, working full blast waiting for the KILL with World WAR —2— which will be the FINISH. It's just a matter of TIMING. England had most of these LAWS about 40 years ahead of the United States. All England has left NOW is about 40% INCOME TAXES to keep up the INTEREST payments on the LOANS. MADE OUT OF NOTHING.

AND WE AMERICANS ARE TOLD THAT "IT CAN'T HAPPEN HERE." "IT'S ALREADY HAPPENED. CONGRESS COMMITTEE MEMBERS 1917 REPORT ABOUT BANKING ACT OF 1935.

I quote from Hearings before a Sub-Committee of the Committee on "BANKING & CURRENCY." U.S. Senate (S-1715) & House (5357) 74th Congress — First Session. BANKING Act of 1935, as follows Page 399:

"In purchasing offerings of Government Bonds, the Banking System as a whole CREATES, New Money or Bank Deposits. When the BANKS BUY A Billion Dollars of Government Bonds as they are offered . . . and you have to consider the Banking system as a whole, as a unit . . . the BANKS Credit the DEPOSIT ACCOUNT OF THE TREASURY, with a Billion Dollars. THEY Debit their Government BOND account A Billion Dollars, OR they actually CREATE by a Booking entry, a Billion Dollars." End Quote.

I quote from Page 181 as follows: "When I say CREDIT in this connection, I mean MONEY, Because BY Far The Largest part of MONEY IN USE BY THE PEOPLE OF THIS COUNTRY IS IN THE FORM OF BANK CREDIT, OR BANK DEPOSITS." End Quote.

I Quote from page 399 as follows: "MONEY IS CREATED in our PRESENT SYSTEM OF BANKS LOANING TO CORPORATIONS, TO INDIVIDUALS, AND TO THE GOVERNMENT." End Quote. Author Comments:

"A LOAN—A DEPOSIT . . . AND MR. GENTILE IS TAUGHT THAT THIS IS PROSPERITY.

Is it possible that Rosenfeld's ZIONISM Bankers High Degree white POLITICAL Free Masons CONGRESSMEN IN 1935, did not

know the above FACTS (and more to follow below) about the Banking Act of 1933 and the same thing can be said about the Federal Reserve Banking Act of 1913.

80% of your MONEY today is dishonest Unconstitutional CREDITED Check Book MONEY and not based on ACTUAL WEALTH PRODUCED."

The following from Page 401 Banking Act 1935 as follows: "Society has everything; The Banks have NOTHING, and yet we go thru this FARCE OF BORROWING MONEY FROM BANKS, and creating the impression that it is INFLATION for society to ISSUE the necessary medium of Exchange with which to conduct the Country's business." End Quote.

I quote from Page 397 as follows: "In our past History we have had PERIODS OF PROSPERITY, by the process of building up debt (Bank Deposits) and then PERIODS OF DEPRESSION, by the PROCESS OF BANKRUPTCY and the EXTINCTION OF DEBT. (PAYING LOANS)." End Quote.

I quote from Justice Strong of the U.S. Supreme Court, Knox vs Lee, 12 Wallace Reports, as follows: "WHAT EVER POWER IS OVER THE CURRENCY IS VESTED IN CONGRESS, IF THAT POWER TO DECLARE (WHAT IS MONEY?) IS NOT IN CONGRESS, IT IS ANNULATED." End Quote.

THE ZIONIST BANKERS OF GREAT BRITAIN IN 1863 BECAME QUITE SCARED.

These Bankers were afraid President Lincoln would put thru the Constitutional Interest FREE MONEY SYSTEM and they took their troubles to the London KEPT PRESS. They knew that if the United States ever did get their Constitutional rights to working and could install their honest Money SYSTEM, THAT, would be the END OF ZIONISM INTEREST SLAVERY. In 1863 Lincoln did COIN \$346,000,000.

000. Interest Free MONEY. Now just figure this up at 3% interest COMPOUNDED, for 90 years and the American Taxpayers have been saved \$5. Billion Dollars in Interest Charges that would have gone to the ZIONISM BANKERS of Turko-Mongol Blood.

ENGLISH BANKERS SCARED & AGAINST "NATIONS COINING THEIR OWN MONEY."

I QUOTE FROM THE LONDON ENGLAND TIMES OF 1863 AS FOLLOWS:

"IF that Mischievous FINANCIAL POLICY, which had its ORIGIN in the NORTH AMERICAN REPUBLIC during the late WAR in that COUNTRY, should become indurated down to a fixture, then that Government will furnish its OWN MONEY without COST. It will PAY OFF its DEBTS and be without a DEBT. It will have all the MONEY necessary to carry on its DEBTS and be without a DEBT. It will have all the MONEY necessary to carry on its Commerce.

It will become prosperous beyond precedent in the history of the civilized GOVERNMENTS OF THE WORLD. The BRAINS AND THE WEALTH of all the Countries will go to North America."

And now listen to what this London England Times continues and says: "THAT GOVERNMENT MUST BE DESTROYED OR IT WILL DESTROY EVERY MONARCHY ON EARTH." End quote.

AUTHOR COMMENTS: The TIMES since its start has been the OFFICIAL Organ of the ROTHSCCHILD Currency, made out of NOTHING. And for this SCARE thrown into the BATTLE for MONEY, together with the fact that President LINCOLN actually did COIN this INTEREST FREE MONEY, this Honest Christian and Constitutional MONEY, it was inconceivable to think that in less than two years President Lincoln was SHOT dead by a Tartar, Turko, Mongol Blooded So-Called JEW who says he was a JEW but do LIE. This murderer was NOT a SEMITIC JEW. He was an Ashkenazim Zionist of Turko-Mongol Jewish Mixture.

This Murderer was ordered to do this JOB by his OATH BOUND SECRET Confederates. This same Zionism MONEY POWER are the same Conspirators who RULE over Russia and China, with the STATE ownership and Collective Farming system as well as RULING over the United States and England and the rest of Europe and with the same kind of Currency & Credit Or PRINTING PRESS MONEY. THEY always have loaned Money to ALL sides in WAR and POLITICS.

AND THE GENTILES — ALL COLORS — KEEP RIGHT ON FIGHTING AMONG THEMSELVES, WITH NEVER A THOUGHT TOWARDS a real REMEDY such as "GOVERNMENT COINAGE OF MONEY," WHICH WOULD END most troubles and give the PEOPLE a VOICE in Government.

Today all Important JOBS are filled by APPOINTMENT, and the Government is full of Zionist POLITICANS in all KEY Positions. THEY never could get there by a vote of the people.

30 Years AGO I FINALLY TUMBLED THAT BOTH PARTIES WERE CONTROLLED BY MONEY.

Yes.—CONTROLLED by the HIDDEN POWER OF INTEREST SLAVERY MONEY "THE ROOT OF ALL EVIL" and that there is just ONE PARTY.—THE DEMOCRAT-REPUBLICAN PARTY.

ZIONISM MONEY RULES THE WORLD AS LAID DOWN BY THE PROTOCOLS OF THE ELDERS OF ZION.

My father was 4 years in the civil war on the LINCOLN side & a Republican. I always VOTED Republican up to 30 years ago and since then I have voted locally a mixed ticket except for President I have voted for DONALD DUCK, AND FOR Vice President, Micky Mouse,

so NO ONE can accuse me of voting in this dishonest Unconstitutional, Marxist, UNITED NATIONS, Anti-CHRISTIAN Government such as we have today 1955.

EISENHOWER: DOUBLE CROSSED THE REPUBLICANS & ACCEPTED ALL DEMOCRATIC POLITICS.

Yes, Eisenhower, the STOOGE for ZIONISM, Interest Slavery MONEY, the Presidential Candidate without a Church, has boosted and carrying out the Roosevelt-Truman HIGH DEGREE, POLITICAL Free Masonry system of Secret Society OATHS, with Socialism, Marxism, Communist Manifesto Directives and Platform for an Interest Bearing MONEY CONTROLLED United Nations and Anti-Christian, ONE WORLD Government with a MAN MADE god on the THRONE.

Eisenhower and the secret Society POLITICANS of both parties TALK PEACE and the next BREATH its WAR or EMERGENCY WAR and more spending and more INTEREST for the Bankers. And then comes the Blinded Gentiles (both Colors) BORROWING MONEY and going in DEBT which can only end in BANKRUPTCY and Foreclosure and unemployment.

THE WORKERS TODAY ARE

PAYING \$30,000,000,000.

INTEREST yearly at 3%.

Our Nation and its Citizens are in DEBT—ONE TRILLION DOLLARS—in signed MORTGAGES AND BONDS, to the WORLD FOREIGN ZIONISM Turko-Mongol-Tartar INTEREST BEARING BANKERS, who pay no taxes and make no PROFIT & LOSS Statements. See my Chapters 5- & 5½-. Also Interest RATES are going up right along the past YEAR. By far the greatest Part of this \$30. Billions yearly interest collected goes to their Brothers in all foreign lands and the RUSSIAN BANKERS get their share of this loot.

SELL EVERYTHING.—PAY ALL DEBTS.—Put surplus CASH IN GOVERNMENT II- BONDS 2½%.

The present Stock and Bond Market is the most manipulated MARKET ever seen. There is too much DEBT. The indications are (Baring actual WAR) that the final PUSH UP slated for the first four months of 1956 may prove to be the FINAL BLOW OFF for Common Stocks and post dated BONDS and Real Estate.

This will be the time to take your profits and get out of the market for good. Sell all properties and homes and Common Stocks & BONDS, and move to rented apartments and put your Surplus CASH into Government II- Bonds paying 2½% interest where you can get the CASH on 30 days notice.

Sit tight and watch the Parade go by with the Bankruptcies and the Un-Employment and pick up the pieces at 20 cents on a dollar. ITS ALL PLANNED THAT WAY, by THE SYNAGOGUE OF SATAN

I feel your voice is one which has been raised in sincerity and honest effort, and I hope that you and your ruling group, as well as the Mayors of your various cities and us, can possibly cut this Gordian knot which is tying and strangling the peoples of this world.

I feel your voice is one which has been raised in sincerity and honest effort, and I hope that you and your ruling group, as well as the Mayors of your various cities and us, can possibly cut this Gordian knot which is tying and strangling the peoples of this world.

I will be happy to hear from you and pursue the effort here, if you see fit to entertain this proposal. May I congratulate you on your straight-forwardness and evident sincerity and I hope that this will in some small way help to solve our misunderstandings and our troubles in this unpredictable and yet potentially beautiful world. If progress can be made, we may all do what the rulers and diplomats have been unable to accomplish in all past history and that is to establish security and peace instead of destruction, sorrow, misery in this world, which belongs to all of us.

Most sincerely,

"FATHER FORGIVE THEM FOR THEY KNOW NOT WHAT THEY DO"

Eustace Mullins, Madison Place, Staunton, Virginia, to Tax Collectors Dear Sirs:

In the relationship which the mindless and soulless machinations of a ruthless Socialist bureaucracy has thrust upon us, it is my fondest wish that I may be of some service to you.

You write that I owe the sum of \$159 or so, with the implication that should I fail to prove you wrong, or to pay the money, the mechanisms of our police state will be deployed against me. Can this paradox not fail to expose to you the infamy in which you have been caught as an agent, that investigators and police should spend many hours investigating my minuscule income tax and my entirely legitimate deductions which I lack the \$5000 or so worth of office records necessary to prove them?

In the papers recently, your own Bureau has been exposed as the most vicious and corrupt agency of the Federal Government, two leading officials of the previous administration, one not less foul than the present one, have been indicted for frauds and taking of bribes, while there are hundreds of persons openly mentioned in the press, as owing back taxes of from \$100,000 to more than one million dollars: Errol Flynn, \$900,000; William Lias, \$1,200,000; Joe Louis, \$1,300,000. Yet your agency spends months on my return of \$1600 earned in 1954 in one of the most flagrant cases of political and religious persecution in the history of this country.

In so doing you condemn yourself to yourself. I in the passion of Jesus Christ can only show you your error. You must correct it yourself. You alone can kill the spark of divinity within you, or drive it to seek a more congenial host, in which case your flesh rots and corrupts itself in the living shell and you waste away with the cancer of your own flesh biting at itself in the agony of its sin. We were not born to die so, but the choice is ours to make. The fault is not entirely your own. Undoubtedly you have come to accept over the years the law of men as superior to the law of God, and so thinking, your persecution of me seems no less reprehensible than the persecution of Jesus Christ by the mob of Jerusalem. There again, the suffering of man has been much

greater than the suffering of Christ, and your stifling of your better self is a murder for which you will pay a penalty which should be visited upon no man.

When the Washington authorities, writhing in their hatred, unleashed their long and expensive investigation of the fact that I earn little or no money, in a reckless attempt to punish me for my exposures of the sorry record of Dwight D. Eisenhower, who has already been struck down as punishment for his promotion of international Marxism, and who now gasps out his last days hardly conscious that he has been given these precious moments to make some retribution for his sins, these authorities were too ignorant to reckon that the AntiChrist would some day be opposed by the force of Christ in its full splendor and array.

The sinister Jews behind Communism, for whom Dwight D. Eisenhower is only a pathetic puppet, a posturing figure rotted with its own vanity, may begin to realize that they have run their course upon this earth. They have seized power over men, and are stupid enough to think that they can challenge the power of God.

So you send me your forms, and wait for your death, and the chance of salvation passes you by while I wonder how it is possible to reach you with the message of Jesus Christ. While you calculate how many years I should be imprisoned for my inability to justify my income tax deductions, the worms are waiting for your flesh and Satan is waiting for your soul. Bon voyage!

With all goodwill,

THE TRUE STORY OF PERON \$60,000,000 Loan to Argentina WAS PERON A TRAITOR OR A PATRIOT?

Peron did not want his country to be enslaved by our Federal Reserve Bank. He opposed our treacherous State Dept. They finally got him, but it took 20 years and they had to bring in "Communist Catholics" to do the job. ("Rabbi" Shield Catholics)

The following News Dec. 3, 1955 tell the story. La Prensa? Didn't Peron close it because it was Jew controlled?

BUENOS AIRES, Argentina—(AP)—The United States is preparing to

give Argentina's drooping economy a shot in the arm — a \$60 million loan to launch this country's steel industry!

The loan was announced here by Paul Prebisch, economic adviser to provisional President Pedro Aramburu's government, after three-day talks here with Henry F. Holland, U.S. assistant Secretary of State for inter-American affairs.

Prebisch said final details of the loan were ironed out with the help of Samuel C. Waugh, president of the U.S. Export-Import Bank.

The Debtors' Prison

In a recent issue of Saturday Evening Post, Joe Louis wrote an article on his debt to the government. He owes the government over one million dollars in back taxes and he makes the sage comment: "When you owe that kind of money, you can't get out."

Even in the heyday of his earning ability, he could do nothing about it. The more he earns, the more taxes he has to pay. He compares it to a treadmill. The faster he runs, the faster they move that treadmill.

What a fitting description of the American people. It is hard to get the people to realize the slavery for them behind the Federal Reserve System and the Income Tax. Yet we are in exactly the same position as Joe Louis and because he is one of us and known to all, it may be easier to see, from his example, what is happening to all of us. Of course it is the Protocol Plan, which maybe Joe never heard of: "We will raise wages and take it away from the worker in taxes." Surely the men in the labor unions will soon begin to see that they are the victims of their own betraying leaders. A "Stop. Look. Listen" should be a warning since they must know that Mr. Reuther got his training in Russia and they must know that there are no strikes in Russia.

For the truth of Joe Louis' predicament read Mr. Birum's articles. You think you own your home, but do you? The National Debt is twice the value of all the property, and your house is part of that property. In short, mortgaged for twice its value. Foreclosure? You lose. Mr. Which Eisenhower's "peace and prosperity" is as shaky as his health. Yet some people join in the death march, their own.

p. 1—Inside the Nation's Press
Confidential **THE IKE MYTH**

Newspapers in America are not telling their readers the true story of what has happened in Washington during the past three years.

They are unable to, because it would mean destroying the myth that they themselves helped to create.

The Truth is that Eisenhower is a bumbling, fumbling do-gooder who has pursued a policy of do-nothing.

Press conferences with the President are acutely embarrassing to newsmen. Often, Eisenhower is totally ignorant on the most crucial issues of the day. He doesn't read newspapers or books.

The conferences go this way. If a private power bill is passed and has made front page headlines, a reporter may mistakenly ask: "What is your opinion on such-and-such legislation?"

Eisenhower will scowl. His press secretary will then rush to his aid. "Mr. President, a bill was passed which does such and such." He will explain the measure in simple terms. p. 3 More recently, the reporters themselves have tried to preface questions with an explanation: "Mr. President, a bill was passed yesterday which does such-and-such."

An accredited White House correspondent told Expose: "This poor guy doesn't know which way is first base."

On the other hand, many Senators have expressed privately their sorrow for his plight. One of them expressed it this way: "I've been a senator for more than 30 years. If tomorrow somebody were to put me in command of the armed forces, I'd be completely lost. Well, Eisenhower has been a military leader for most of his life. Suddenly he's been put in charge of the United States Government. He's completely lost."

Every newsman in Washington knows the story. Every one of them is aware of the corrupt, self-seeking crowd that surrounds the President. But none can write it because their papers wouldn't permit it to appear in print.

Even the widely known anecdotes about Mamie's heavy drinking sprees are suppressed. The nearest the public ever came to learning about them was an article in a news weekly some years ago.

Trying to be delicate, but knowing that it could not completely avoid the issue if it was to command the respect of insiders, the weekly talked about Eisenhower's spectacular war record.

Then it turned to Mamie. Throughout the war, it said, she "sat tight" in her hotel room.

JEW COMMUNISTS BEHIND RACE MIXING JEWS BEHIND NEGROES

Arthur Springarn, fanatical Jew, is president of the National Association for the Advancement of Colored People (N. A. A. C. P.). Springarn has recently been condemned by the Un-American Activities Committee for his Communist activities. In 1955 the N. A. A. C. P. was exposed as a red front. Yearly the N. A. A. C. P. awards the Jewish Springarn medal to negroes and Jews for race mixing and other Communist activities. The final goal of the N. A. A. C. P. is total mongrelization of the white race.

JEWS FOUNDED COMMUNISM

The Jew Karl Marx (real name Mordecai). Marx founded Communism as a modern Jewish religion for domination of the gentile. Communism calls for immediate destruction of white nations. In a letter to Marx the Jew Baruch Levy stated the "Jewish people as a whole will be its own Messiah. [It will attain world domination by mixing the races and abolition of nations." In writing the Communist Manifesto Marx's greatest helper was the Jew, Friedrich Engels.

JEWS RUN COMMUNIST PARTY

The Jew, Gerhart Eisler, was long head of the Communist party in the United States before he fled this country after conviction. He is now propaganda chief of Russian occupied Eastern Germany. His right hand man and second ranking communist in America was J. Goldburger, also a Jew. Eisler's brother, Hans now works with fellow Jews in Hollywood who have turned Hollywood movies into a vast propaganda machine for the Communist Party.

The Jew Israel Regenstein. He was editor of the notorious Communist Party paper The Daily Worker until convicted of trying to overthrow the government of the United States. He was one of the "Convicted Eleven" who comprised the American politburo. Regenstein served as an officer in the Communist revolution in Spain. The general manager of The Daily Worker is Philip Bart, a Polish Jew.

JEW COMMUNIST SPY RING

Julius and Ethyl Rosenberg who were electrocuted for giving vital atomic data to Jewish controlled Soviet Russia. While employed at the Emerson Electric Company, Rosenberg stole the plans for the highly secret proximity fuse which was used against American planes in Korea. Thousands of Jewish Communists still remain in key positions in American defense plants and governmental posts. Few are ever elected, most are appointed. In view of the shocking Jewishness of Communism, it is startling to find our Atomic Submarine project under the direction of the fanatical Jew, Rear Admiral Hyman Rickover, our Atomic Energy Commission under the direction of Louis L. Straus, also a Jew, and the far east (Asia) under the command of the Jew, Lyman Lemnitzer who sabotaged arms shipments to Korea.

The above are only a few of the Jewish Communists who are striving to communize America. Through inter-mixture of the races the Jews hope to lower the white race to a servile status so as to realize the long worked for dream of Jewish world domination.

The civilization Americans enjoy today is a product of the creative genius and work of the white race and none other. If the purity of our race becomes mixed with lower races civilization as we know it will cease to exist. The offspring of two different races is a mongrel, so jarred by his clashing heridity that he is quite worthless. These mongrels are unstable, non-creative and ugly. Should the Jewish Communists succeed with their plan for mixing white and black races, America will become a land of flat nosed, muddy skinned, kinky haired mongrels fit only to work in factories for their Jewish bosses. This is what the Jew-Communists have planned for the white race.

The preservation of the white race is one of the main objectives of the National Anti-Jewish Party. To stop Jewish Communism America must have a Third Party, a party devoted solely to the best interests of the white race. This party is the National Anti-Jewish Party.

AGNES WATERS STOPPED DRAFT IN 1955

Eisenhower has said he'll ask Congress again. . . The draft is necessary for the Israel war. Rabbi Rabinovich counted on Eisenhower: "The failure of the Universal Military Training Act was a great set-back to our plans, but we are assured that a suitable measure will be rushed through Congress immediately after the 1952 elections." (Abominable Yet True.)

Stop this war. Stop draft. Expose the plot. Read Agnes Waters' full testimony, given below.
STATEMENT OF AGNES WATERS AGAINST THE DRAFT OF VETERANS BILL BEFORE THE SENATE ARMED SERVICES COMMITTEE

(Continued from Jan. & Feb.)

You have got to take the shackles and the chains off our men or there is going to be a revolt of our people, and how, too.

If our people find out that we are an occupied country, all Hell is going to break loose in America, and there will not be a Jew left alive.

Also the Niggers have it coming to them too, and how, with that Congressman Adam Clayton Powell, the former pal of Earl Browder, and the 1952 vice president of that "Red" gang of One-Worlders, the World Association of Parliamentarians who devised this world Government map that would ship all our trained men out of here, so that our enemies could come in here with impunity. What says these rats must think we are. But we were not born yesterday.

Also that "Red" rat of a Clark M. Eichelberger must be arrested. That's the pal of Earl Browder who testified for all our foreign policy bills and the United Nations Charter.

Another one-worlder "Red" rat is a man named "Granville Clark" who testified for the first draft bill in peacetime, and he claimed to be the author of the draft act. This rat is mentioned with great praise by the World Association of Parliamentarians for World Government, on page 30 of the proposed "World Constitution" report of the second London conference held in the House of Commons in London in 1952. They call him a great internationalist.

This man is the missing link in this draft business which connects the draft with the One World Business.

It's the planned capture of our American men for execution without the firing of a shot by our enemies.

I think this Granville Clark was a law partner of the old rat and warmonger, Henry Stimson, the Secretary of War under F. D. Roosevelt.

Another "Red" rat I must not forget is that Budapest Jewess, Anna Rosenberg, who was confirmed by the Senate in spite of known Communist background, and this Jewess from Budapest was put in charge of all our manpower in the Defense Department during the mass murders in Korea, in spite of all our protests.

And her boss was the old rat, General George Marshall, who sold us out at Pearl Harbor, by taking a horse-back ride when the alerts were down and he sent a slow wire to the commanders, with the result that we almost lost the war in the Pacific at the start.

And this same old traitor was our Secretary of Defense during the Korean debacle. *These things don't just happen; they are planned.*

Now this sort of treason has got to be stopped. America is not "buying time with the lives of our men" any more. If anyone is going to "buy time" it will be the traitors. The next war the Jews are going to have to do the dying.

In case of a real emergency or bona fide war breaking out, there is ample provision made for drafting all our people.

But you will not need to draft any real Americans to defend America; anyone that has to be drafted if we are attacked here, ought to be shot. Anyhow a draft will not be possible in an atomic attack.

It will be every man, woman, and child for himself.

The only reason you have to draft Americans is to drag them out of America.

If there are any Jews that want war, let them have it!

It must never be forgotten that the main objective of the Reds is world government, and they are achieving their ends not by the forceful overthrow of the Government of the United States, but by treaties and legislative steps and legal processes.

And also by capturing with these draft bills the greatest resources of this Nation—our American men.

I hold in my hand the first and second reports of the London Parliamentary Conference on World Government; these are dated September, 1951 and September 1952. It is recorded on the flyleaf of the second London Parliamentary Conference on World Government, that the United States Congressman, the Negro, Adam Clayton Powell, is the vice president of The World Association of World Parliamentarians for World Government, who are the authors of this infamous map that makes America an occupied nation, to be occupied by Soviet troops, supposedly in the interests of "disarmament" and "world law" and "world government" and "world peace." And our trained American troops are not permitted to remain in America.

To achieve this end the President is going to Geneva on July 18, and he has pressed for these draft bills that will capture all of our best men, so that he will have a blank check on our manpower in his pocket to deliver over to these one worlders at the palace on the League of Nations in Geneva, and what is done there is secret. Are you going to allow him to bargain with the lives of our men?

And that he will do so is certain, for he has already admitted in his message to the Congress that in the past he has been "buying time with the lives of

our men," and that is what he is doing now, with the capture of our American men with these drafts, and then he hands them over to our enemies in the United Nations or the NATO or to some other international organization. This is high treason!

I hold in my hand part 7, of the hearings of July 8, 1953 of the House Un-American Activities Committee, 83d Congress, 1st session, known as Investigation of Communist Activities in the New York Area, and on page 2173 there is listed the name of Adam Clayton Powell, on the executive committee with that of Earl Browder, of the Communist magazine Fight, and I hold in my hand The Guide to Subversive Organizations and Publications, and on page 20 and on page 134 there is listed the name of the American League for Peace and Democracy, whose director was Clark M. Eichelberger, the chief witness for the United Nations and all our other foreign policy bills and treaties, and the Communist magazine Fight is listed as the official organ of Mr. Eichelberger's outfit The American League for Peace and Democracy.

All of this evidence is indisputable proof of an international conspiracy, and it is taken from official House and Attorney Generals or Department of Justice reports, printed by the United States Government.

It is now apparent that what you Senators have failed to recognize is the fact that the United Nations is the final step in the Soviet process of bringing the world under the enslavement of universal communism; and I charge that these draft bills supplement this treason by capturing our men without the firing of a shot.

The United States should withdraw at once from the United Nations from the NATO and from the SEATO, which are military arms of the U. N. planned to capture by these draft acts our American men for Soviet execution under the guise of "peace" and "disarmament" and "United" Nations.

I charge that these draft bills underwrite world revolution.

I hold in my hand a copy of The Copenhagen Resolutions on world government which were adopted by The World Association of Parliamentarians for World Government, in August 1953 in Denmark. I hold in my hand and place in the record of this hearing, the reports of the first and second London Parliamentary Conference on World Government held in London at the House of Commons in September 1951 and September 1952. These contain the blueprints for the world constitution under the U. N. that would wipe out the United States and upon this evidence I ask that this bill be killed.

It was President Eisenhower who demanded that the Senate ratify the three secret NATO treaties that made this Nation an occupied country.

In conclusion let me state that it was General Eisenhower who testified in the draft extension hearing in the House Armed Services Committee on the extension of the draft law in 1946, that he wanted the draft law extended because these drafted men were to be put at the disposal of the United Nations Organizations under our commitments at that time, 1946. The Soviet General Vasiliev was the Chairman of the U. S. Military Affairs Committee, and was then planning the arming of the United Nations and this Soviet later launched the war in Korea and sprung the deathtrap for 145,000 of our men.

And it was upon this team, my based upon the demands of Soviet generals in the United Nations, that General Eisenhower supported the extension of the draft to give our men to the U.N. (See hearings Extension of Training and Service Act, p. 2, March 21, 1946.)

This is the same General Eisenhower who sold us out at Berlin, who stopped General Patton, and who is responsible for the Soviet occupation and the Soviet sector in Berlin. He was also the Supreme Commander of our United States Forces and was responsible for the loss of 10,000 American men at the Battle of the Bulge.

This is the same General Eisenhower who told the French that he was only one-fourth an American, and this is the same General Eisenhower who was the Supreme Commander of the NATO, and who now as President of the United States of America confesses to you in the Presidential message attached to this draft of reserves bill, that we have been "buying time with the lies of our men."

I ask that this bill be killed.

Yours for Americans,

(MRS.) AGNES WATERS.

HOW TO SECEDE FROM U. N.

George Rothwell Brown in the Chicago American of July 10, 1954, gave a simple recipe for getting out of the U. N. CONGRESS CAN REPEAL THE ACT of Dec. 20, 1945.

"That public law is known as the United Nations Participation Act and, since it was this statute that really got the United States into the UN, its repeal would just as easily get us out.

"Once repealed the whole fabric of participation would disappear, and the United States would be out. In the event of a presidential veto, this would require a two-thirds veto in House and Senate."

Ed. Commonsense, to say nothing of patriotism, would choose this simple, quick way. Why fool around with a Bricker amendment?

CLEVELAND FIGHTS PHANTOM

A very peculiar political situation has developed in the 44th Ward of Chicago. Robert E. Cleveland, the Republican committeeman, seems to be running against a phantom candidate. The voters of the ward should know the facts.

First, Cleveland's opponent is a complete unknown politically in the ward. The method of his selection as a candidate was extremely strange. Despite his statements that he planned to move out of the ward in May, just after the committeeman election, Alderman Burmeister insisted that he be the candidate. Later, Burmeister made it known that "We didn't take any chances with him like we did with Cleveland, we've got him signed up in black and white." Further investigation reveals that the father of this candidate was involved in the Congress Street real estate scandals several years ago, in which Jacob M. Arvey, figured prominently. Is Arvey doing now for the son as he previously did for the father?

Jacob M. Arvey is the Democratic Nat'l. Committeeman for Illinois

Secondly, Cleveland, who has been known as an independent thinker among the committeemen, was attacked by Edward F. Moore the Chairman of the Republican Central Committee. Why? Moore claims he "fired" Cleveland as committeeman. However, under the law, he had no such power and he knew it. Moore, moreover, has not had much respect for the law since the days when he was dubbed "Hatless Eddie" by Judge Robert Crowe due to his involvement in the McSwiggin killing. Again the figure of Arvey pops up. He got Moore a job as a beer distributor with the Pabst company. Today, Arvey still is the attorney for the company, while Moore draws Twenty to Twenty-Five thousand dollars a year from them, although he claims the job as Republican party chairman takes practically all of his time. What is Moore's value to them and to Arvey?

Moore betrayed the Republican Party when he accepted Merriam, a left wing Democrat, and a member of A.D.A. (Americans for Democratic Action) as Republican candidate for Mayor last year. This year he has foisted upon the Republican Party another Democrat, Benjamin Adamowski as candidate for States Attorney. He (Adamowski) is also promoted by the A.D.A. and is a Member of the National Lawyers Guild; was Vice President of same in 1943.

Both, the A.D.A. and N.L.G. have been cited as subversive. Thus, Mr. Moore as completely disfranchises the Republican Voters as any Negro in the South.

Because of Moore's disreputable background and his recent involvement in the Mansure political insurance racket scandal, Cleveland demanded Moore's resignation. But, Moore in retaliation, did not appoint Cleveland's opponent as his representative in the ward. Why? Because, he did not want to bring the phantom out into the open. Was this gang afraid the people of the ward would find out who the real forces opposing Cleveland were? Is the truth what they fear? Cleveland says, "The Republican voters of the Ward are entitled to an honest choice as to whom their committeeman will be. Let's have the candidates and the issues out in the open. I have complete confidence in their ability to make the right decision at the ballot box."

It would be well for all Republican voters in the 44th Ward to investigate this situation before April 10th!

"Give the people light and they will find their own way."

Who is the guilty one? Your own representative in Congress. H.R. 6376 has won, by voice vote, the approval of the House of Representatives and is now being studied by the Senate.

1,000,000 acres of land. \$12,500,000.

Jan. 18, 1956 the House of Representatives approved a mental health program for Alaska. The total of Alaska's mental cases over the years average 345.

The Governor of Alaska, APPOINTED by the president, is in control and he can enter into reciprocal agreements with any state and "care" for patients from such states.

Commitments? It may be on written application by an interested party, or by any health welfare or police officer who has reason to believe that an individual is mentally ill.

It can't happen here? It can happen here and to YOU unless you rise in your authority under the Constitution and tell your Senator, in words of one syllable what he can do. It is the Protocol Plan. "We planned it this way."

The following is the deleted section. Our Congressmen denied us even this protection.

"Unwarranted Hospitalization of Denial of Rights; Penalties

I contacted Mrs. Green's office and learned that she is the sole sponsor of H.R. 6376 with the exception of Delegate Bartlett of Alaska, who is also in favor of the bill.

Dear Sir:

I received the inclosed material from "We, The Mothers, Mobilize for America, Inc. today in the mail. I have never heard of this silly organization until I received this material but I suspect them of being subversive from the slant of the printed matter they sent and the statements they made in it. I have been and still am strongly anti-communist and while I am no particular admirer of President Eisenhower I consider some of the statements made in the inclosed to be outright lies about him while most of the rest of it appears to be distorted, slanted and untruthfully reported. It would be interesting to know just who is furnishing the financial support for this organization and what the backgrounds are of the people who are running it. They may be just misguided crackpots but I suspect anyone who deliberately lies in statements they make and I know that they can not prove many of the statements they make. The inclosed is furnished for your files in case you have not received similiar material re them.

Sincerely

DEAD CHILDREN
THE STORY OF A BUSINESS PROMOTION

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 09-27-2007 BY 60324 AUC BAW/RS/LSC

The following quotes are from Spencer Klaw's revelation, "SALK VACCINE: THE BUSINESS GAMBLE," pages 125-126, Sept. 1955 issue of FORTUNE MAGAZINE.

"In the minds of the American people, partly because of the foundation's (National Foundation FOR Infantile Paralysis) fund-raising campaigns, polio had come to seem, a major public-health problem which, in terms of statistics, it is not. For fifteen years Americans had been contributing to the March of Dimes, and they wanted results. The Foundation, acting as their agent, was determined to have vaccine available at the earliest possible."

Klaw continues, "Parke, Davis (Chemical manufacturers) had a special reason for pushing its vaccine development program. The company had suffered a serious financial setback. It had gambled heavily on Chloromycetin, an antibiotic, only to have the bottom drop out of the market after disturbing indications that the new wonder drug might, under some conditions, cause fatal blood disorders. The stockholders were asking blunt questions, and management was understandably on the lookout for a new product sufficiently spectacular to wipe out the memory of Chloromycetin. POLIO VACCINE SEEMED A GOOD BET, and in the early spring of 1953, after spending a little over \$1 million on research, Parke, Davis believed its own experimental vaccines were READY FOR TESTING ON CHILDREN."

"BUT SUCH TESTING RAISED PROBLEMS NOT USUALLY ENCOUNTERED IN DEVELOPING A NEW VACCINE. The effectiveness of a measles vaccine, for example, could be measured by trying it on a few thousand children. BUT THE NATURAL INCIDENCE OF PARALYTIC POLIO, UNLIKE MEASLES, IS SO LOW - FEWER THAN TWENTY CASES PER 100,000 EACH YEAR IN THE U. S. - that a polio vaccine would have to be tested on hundreds of thousands..."

"Parke, Davis' plan for testing its own vaccines on a large scale were soon shelved, however, because of a decision by the National Foundation FOR Infantile Paralysis. In March, 1953, Dr. Salk reported trying out his own vaccines - basically similar to those Parke, Davis was developing - on 161 children and young adults. The results were so encouraging that the Foundation had decided to sponsor a mass field trial of Salk vaccine."

The real origin of the "miraculous Salk vaccine" which has left a tragic trail of dead and crippled children across America, can be found in a book called "Doctors of Infamy" by Alexander Mitscherlich, who testified at Nuremburg. On page xxxi of this book, which is published by Henry Schuman, N.Y., we find that "In 1943 a distinguished German neurologist, Georg Schaltenbrand, published a book in which he reported, among other similar experiments, what he considered the successful transmission of monkey encephalitis to a number of mental patients!"

Thus the Salk vaccine, made from monkey tissue, may have killed American children by infecting them with encephalitis. We offer this information to the parents of the dead and the doctors who attended them. On page 56 of this book, which criticizes the researches of German doctors, the author asks, "Why did Prof. Gebhardt and his school conduct such experiments? To test the new preparations of the Germany pharmaceutical industry."

What was condemned as a crime at Nuremburg becomes a virtue in America, as Dr. Salk receives an enormous award from the hands of our grinning President. In a few weeks the March of Dimes will begin its annual drive for twenty million dollars, with the new excuse that it is needed to infect healthy children with diseased monkey tissue. We suggest that every American parent give ten dollars for each child in the family, and that one thousand dollars be held in reserve for each child's burial after the vaccine is administered.

For more intelligent parents, we recommend a startling discovery made by the German physicians, which we quote from page 67 of "Doctors of Infamy." "It developed that the patients frequently recovered faster without any medication, i.e., without tablets, injections, etc." And for those who prefer to have their children vaccinated, we leave them with this shocking paragraph from page 65 of "Doctors of Infamy." "I saw Rosenthal struggle with a healthy young Ukrainian girl whom they tried to take to the operating room by force. The girl fought back and screamed for help. She too was killed by injection."

Dear Sir:

In accordance with a telephone conversation with your office yesterday afternoon I am enclosing a pamphlet which I received last Friday, Dec. 7. On Dec. 2 my picture appeared in the metropolitan section (southwest) of the Chicago Tribune in connection with Community Fund work which I have been doing. In view of the written notations on the pamphlet the news item must have been the reason for sending it to me. The whole thing is so full of such preposterous statements that it seems it could be published only by a group of "crack-pots." Just the same I heartily dislike having my name on the mailing list of such a group; and would very much like to know what it really is. 105-456-100

If you find out anything about these people and could tell me, I'd be very glad to know just what they are. I am, naturally, quite curious.

Jap Planes at Hawaii Piloted by White Men, Ex-Phila. Girl Writes

The red rising sun was on the wing tips of the planes that blasted Pearl Harbor last Dec. 7, but in many of the ships white hands were at the controls and white faces peered from the cockpits as death and destruction were visited upon the American outpost.

The revealing fact that white pilots flew Japanese planes in the treacherous attack was brought to light a few days ago in a letter received in Bayonne, N. J., from a 23-year-old former Philadelphia girl who witnessed at first hand the slaughter and horror of the terrific bombardment.

MADE DEBUT IN 1937

The letter was written by Evelyn Byrd Fagan, formerly of Chestnut Hill and a graduate of the Spring-side School, who made her debut in 1937 at the Colonial Dames House.

It was received by her father, Major Louis Estell Fagan, U. S. M. C., a native Philadelphian who retired in 1936, was recalled in 1939 and is now stationed at the Marine Barracks, Naval Supply Depot, Bayonne, N. J.

VIVID PICTURE

In a vivid word picture of the attack on Honolulu, Miss Fagan, who has been visiting in the islands since the winter of 1940, wrote:

"Many of the Japanese planes had white—not Japanese—pilots. These were among the men shot down."

"Juddie came over at around 7 o'clock and we set forth in my car for a ride in the country. As we drove we could hear planes flying high overhead and the distant rumble of guns, but we gave these sounds no thought, as they were common on this island."

HEAD FOR PEARL HARBOR

"Suddenly the car radio blared forth—The island is under enemy attack . . . All Army, Navy and Marine Corps personnel report at once to your posts.—Civilians do not leave your homes.—Ambulance drivers report at once.—"

Chiang Voices Hope For U. S. Successes

CHUNGKING, Jan. 17 (A. P.).—Replying to congratulations cabled by General George C. Marshall, United States Army Chief of Staff, over China's victory at Changsha, Generalissimo Chiang Kai-shek expressed today his "sincere hope that

"We couldn't believe it, but turned around at once and headed for Pearl Harbor so that Juddie could report at his air field. As we reached high promontory, we could see to our horror that Pearl Harbor and vicinity was buried under gushing volumes of black smoke and darting tongues of flame. Overhead we could see planes diving here and there."

DODGES SHRAPNEL

Later, after the car was abandoned and she ran alone, dodging shrapnel, to find refuge in a Navy clubhouse, Miss Fagan found herself in a low-ceilinged room with about 50 sailors all casualties of the first raid.

New Evidence Of Pearl Harbor Disaster

After a quiescence of several months in my excavations in the PEARL HARBOR story, new evidence has now come to light, and I here append it:

The story Dr., a hostess at an USO. The Doctor was told at first hand the story by over seventy soldiers, sailors, marines, and aviators who saw the event at first hand.

The differing in personal details, all stories agree in their main points: The order the night before, to go into town, to get drunk, to have a good time. Told there would be fireworks and anything else the men wanted. Three who returned to the ships in the night were kept from coming aboard by officers with drawn revolvers and told to "stay FBI—CHICAGO, next of the wing story

"The First Casualty of War Is Truth"

"Sneak Attack" was the lie that precipitated World War II, and that lie has justified that war. "If you want to find the real war criminal you'll have to go to Hell because that is where FDR is." Henry H. Klein said that in June, 1945.

Roosevelt had to have a war to accomplish his evil purpose. He set the trap, he forced Japan, he made his war. His accomplices justify this statement as shown by the following quotes.

Churchill wrote of a talk with Roosevelt three months before Pearl Harbor: "He went so far as to say to me, 'I may never declare war; I may make war'."

Jessie Jones says of Roosevelt: "Regardless of his oft repeated statement, 'I hate war,' he was eager to get into the fighting since that would insure a third term."

Secretary of War Stimson said: "The question was how we should maneuver them (the Japanese) into the position of firing the first shot without allowing too much danger to ourselves."

Harry Hopkins confesses the pledge (again and again and again: Your boys are not going to be sent into any foreign wars," October, 1940) was a fake.

Exposing Roosevelt as the criminal is not the chief purpose of this article, but to discourage a repetition of his evil deeds. Had the truth about Pearl Harbor been told ten years ago, the world would have been saved ten years of terror and anguish. There would be no world communism, no Godless U. N., no Korean debauchery, no Second Nero in the White House today.

was told in the presence of several men and they all agreed that it was true:

Staff Sergeant (name and present address withheld for obvious reasons, but he will gladly appear before a Congressional Investigating committee,—if called).

"I was in quarters when the bombing commenced. I rushed out to the airfield. I noticed the day before when all the planes had been brought in and each one placed so its wing overlapped the next one so that it would be impossible to raise but one at a time into the air. But to make absolutely sure that no plane could be gotten into the air they had them all drained of gas. So I gassed my plane just on an impulse, keeping it secret, for no reason whatsoever

except on a hunch. My plane was by itself—the only one that way.

"I was able to get into the air at once. When I got there I found myself surrounded by planes manned by white men, men whom I knew, — British and Americans. There seemed to be a few Japs, but the shooting was done by the white men. They shot me down wounded into the bay where I floated for seventeen hours until rescued and hospitalized.

"I was the only man who got into the air to defend Pearl Harbor.

"We all knew there were over thirty thousand men killed. They laid around in piles, especially five thousand of our boys on the parade ground, where the next day they were shoved into a pit with a bulldozer and covered up. Not the slightest attempt to sort them out and give individual burial; they were in such an awful hurry to get it over with and get the war started.

"We found out that every detail had been carefully worked out beforehand, and was known to many of our officers who each did his part in carrying them out. To wind up, all of us knew it was planned by FDR, with Churchill's help. Our men were forbidden to shoot at any of the planes, by officers with drawn guns. The planes in many instances simply skimmed the tree tops and their guns didn't miss much. We knew that it had been cooked up in the Atlantic Charter meeting."

Signed.....

The following story was told Dr. by three young men, buddies, in the presence of about thirty others in the same room. When it was finished, most of the men present said that they had been there and it was true and they could corroborate it.

"On our ship there were about 200 of us, who belonged to the same church and did not drink or carouse like the rest of the crew, so we sort of stuck together. We went up town together. Went up and down main street. Thousands of our men and the town folks were there in masses. It was the worst sight I ever saw. Drunk, and such rotten immoral sights you never saw. Seemed as if everyone was drunk. We all got disgusted, and our leaders said, "Boys, let's go back to the ship," which we did. At the gang plank we were met by our officers with drawn guns, and ordered to 'Stay Away,' which we had to do, as no one of us had been allowed to carry a weapon. We were all mad and then realized something was up, but could not guess what.

"When the planes came over, we knew that was 'what.' We got away as fast as we could and only a few of our boys were killed, but we saw it all. The planes came right down close and we could see that they were mostly manned by white

men and some of the boys called out names of fellows we saw up there. They machine gunned everything and everybody. There were Jap planes mixed in, but a lot of them did not shoot, and we afterward found they were photo fellows. Only one of our boys got into the air, and it was white men who shot him down.

"The bodies were so thick that they took a bulldozer and shoved them into pits where they were covered over. It was easy to get the ships that were bombed, for they were all lined up and tied together in rows. However, the crews that were laid off for the work, opened the sea cocks of most of them and so about forty were sunk below the water and not hurt. All they had to do was to send divers down, stop the cocks, pump them out and they rose as good as new.

"All of us knew the whole thing was planned in the White House and that the brass hats knew all about it, and followed the leader."

Question: "Did Marshall know this?"

Answer: "Why sure. How else could it be carried out like a clock ticking if he hadn't passed it on, I'd like to know."

Question: "How about Kimmel and Short?"

Answer: "We don't think they knew. They seem to be the goats, is our guess."

"The Japs were not very good fliers."

A civilian contractor at one of the Island jobs, and was in Pearl Harbor to get supplies. He saw the whole thing, and was in the best possible position to observe the entire affair. He stated that the killed were estimated at more than 33,000 (Thirty-Three Thousand). He said it was well known that Roosevelt with Churchill's help planned the whole thing, and called in the Japs to help, promising them the Philippine Islands.

These Japs are now dead so there are no tattle tales.

GOV. LEE WON'T PAY INCOME TAX Continued from Page 1

He wanted them to bring him to trial. The day before he left for South America, he called the Revenue men (see Tom's article, W. V., Feb., 1954), told them he was going, did they have any thing to say to him before he went? They told him, in effect, to go away and get lost. Tom's last words to them were: "If you gentlemen will start trial, I'll be back here within 24 hours, at my own expense."

They had told Tom at a previous interview, after they had exhausted threats, etc. that a trial would only give publicity and cause others to do the same, and that if a thousand would do as he did the entire Internal Revenue System would be blown sky high. **Are there a thousand that have the courage of Tom Van Hyning and Gov. Lee?** Be sure of one thing, you'll take a lot of abuse. As Tom said: "I have never paid a cent of income tax . . . outside of lots of nasty letters, not one action has been taken against me." But you'll be called "anti-semitic." Just watch the Jewish papers jump on Gov. Lee.

The Dunn survey of Greenwich, Conn. says that the United States has now reached the "fourth and final movement into socialism" . . . both parties openly compete in sponsoring, or extending, socialist programs, and voters can choose only between socialism vs. a little more, or stay at home." Americans know this. Eisenhower has gone farther down the socialist road than did Roosevelt and Truman.

Many new groups are forming, "Pressure" groups, whatever that means. Nothing as far as I can see. They fail to recognize that the "Pressure" groups that are so effective are "The Hidden Hand" which controls all press, radio and money. They, these new groups, are enamored of men who say Constitution, point to it but never lead out.

In Gov. Lee we have a man with his feet firmly placed on the Constitution. Americans, all of them will be for him, those who are against him, are against us, against our Flag—against our Government. There is a quote in this paper, "Take Your Places in Line." Read it, see what I mean. I wanted to read that to the People who came to the convention of "We, the People" in Chicago, Sept. 17, but being only a kibitzer there, and not very welcome, it was too "controversial." Mary Cain brought out a point at that meeting, which is the great hope: "Choose Electors who will choose a president who will support the Constitution." There was no attention paid to it.

But it is the one road open to us to change the picture, and since Gov. Lee has shown such tremendous courage, not talking but leading, we can choose electors who are for the Constitution and he is the only one who would be worthy of their vote.

A few facts to stimulate action: Total U. S. debt now exceeds the nation's tangible wealth. That includes your house, your business.

Federal taxes have increased 11,765 per cent since 1902.

At this rate taxes by 2042 will reach 100 per cent. That is complete socialism. How did Lenin know that we would destroy ourselves? Easy. He knew that the same ones who financed him and Trotsky control our country.

If we are worth saving, we can now save ourselves. Gov. Lee has opened the door to the restoration of the Constitution of the United States, that Divine instrument of government which gave to the people the right to choose between Freedom and slavery.

"To my mind the most important event that has occurred since creation was the coming of Christ, for he came to establish the standard of right living for all mankind. The next most important event was the founding of this Republic under the CONSTITUTION, because it provided for the standard form of government." By Harry Atwood in "Back to the Republic.

Tom Van Hyning's Letter In February W. V.

Many requests have come for reprints of the article, for more detailed explanation. In the absence of my son, I'll make a brief reply; sorry I can't answer each letter as I wish to do.

First, one thing should be very clear: the protection of the Constitu-

tion must be from PRINCIPLE—not just to save oneself some money.

My son loves this country, as few do or can do who have not lived in other countries, and know nothing from actual experience of life without the Constitution.

The one thing that baffled and defeated the Federal men who interviewed Tom was that, here is a man who served his Country in war, but

If Congress Fails to Act,

to withhold the money from the state, with a TAX STRIKE.

Though it looks hard, it's the simplest thing in the world, because it involves NOT doing something. Just flatly refuse to pay a cent of Federal taxes. It is amazing how the power boys fold up in the face of calm defiance. The individual conscience must be the determining factor, and this is as it should be. The loyalty of the citizen must be absolute. The choice is simple: THE REPUBLIC OR THE STATE. CHOOSE, YE ROMANS, WILL CAESAR BE KING?"

Thomas C. VanHyning.

(Reprinted from W. V., May, 1953.)

MARX INVENTED INCOME TAX

Congressman Gearhart told the house that he considered income tax the most unjust and most unequal tax ever to be devised by man. He referred to it as an instrument of discrimination, a destroyer of incentive, a penalty upon the talented, a sapper of our national economic strength, a rattler of the chains of communistic slavery in a country that asks nothing but the right to remain free. He pointed out that Karl Marx is the father of the income tax as we know it today. It is the second of ten most important steps to be taken in the communistic drive to destroy the capitalistic system of free enterprise. Mr. Gladstone, speaking in the House of Commons, declared: "Of all the taxes on the statute books, the income tax is the only one through which it is possible that socialism or communism or anything like them, can find an entrance into our system."

"The income tax was not oppressive at first; in fact the poor were not obliged to pay anything. But Congress has raised it again and again, in order to create an enormous bureaucracy and to spend money on all kinds of wildcat schemes. It has even spent money to produce scarcity of commodities, so as to keep prices high. No government which is able to tax the income of a people has ever been economical. We are now spending billions where we once spent millions, and the money has benefited no one but the bureaucrats. At the present rate of progress not one of us will have property or money left. Karl Marx, in his advocacy of an income tax for the purpose of destroying private enterprise, and thus making communism necessary, knew what he was about."

(Reprinted from W. V., April, 1948.)

counted the least of service; a man who has nothing to conceal but is willing to endure hardships and persecution in his lone attempt to preserve the Constitution.

There are "teeth" in the 16th Amendment to punish no filing of the Income Tax blank—but there is no law to punish one for refusing to PAY. The 5th Amendment protects one from

SAVE THE CONSTITUTION

Stop Wars-Stop Drafts-Stop NATO-Kill the U. N.

We the People Must Use or Lose the Constitution

The constitution depends for existence on continued use by individuals. The only way the powers and rights therein can be invoked is by individuals. If the people in general fail in their duty to use The Constitution often, and fail to jump with both feet on the slightest infraction of its provisions, believe me we don't deserve it, and will lose it.

No Need For Amendment If the People Act

Most of the trouble we're in is in large part due to the fact that when elected officials fail to respect and enforce the Constitution, WE, THE PEOPLE, THINK that there is nothing we can do. The Constitution is, in essence, a line of limitation beyond which the elected Government can not pass. The question arises: Who's to stop them, if the Congress abdicates, and the courts wink? Let's face it. **WE, THE PEOPLE. STOP THEM - THAT'S YOU AND ME.** Whether you're 18 or 80, male or female, rich or poor, that Constitution depends on YOU.

How can you do it? Really, simply, **IF YOU FACE YOUR INDIVIDUAL RESPONSIBILITY.**

One simple way is through the power of the purse. For example - I have never paid a cent of income tax because in 1941 I refused to do so on the ground that the first lend-lease bill was un-Constitutional. Outside of lots of nasty letters, NOT ONE ACTION HAS BEEN TAKEN AGAINST ME. You can refuse to pay another cent of Federal Tax until, IN YOUR JUDGMENT, the Federal Government starts living within the law. Five hundred citizens INDIVIDUALLY acting thus would completely wreck the iniqui-

ty of the Federal tax structure on which all the other iniquities depend. So don't ask again "What can I do?" Just do it.

Tom Van Hyning

Further Develop- ment and Victory

8, February, 1954 . . . On being called by Mr. Frylauf, I went to the offices of the Intelligence Section of the Internal Revenue Bureau, and there had a most interesting conversation lasting the greater part of two hours. Present were Mr. Frylauf, Mr. Oliver O'Neill, and Mr. Gallagher representing the Bureau. These three gentlemen were extremely intelligent and obviously top echelon. They are fine Americans who would be a credit to any organization.

The Subject of the conversation was my Income Tax Return (Form 1040) which I had filed Blank on the grounds of the Fifth Amendment. I based my refusal on the principle that ALL FEDERAL TAXES are unlawful because the Constitution does not Authorize Congress to collect taxes for the support of foreign Government. Further, there is no provision in the sixteenth Amend-

ment nullifying any privilege of the Fifth Amendment, therefore a citizen cannot be required to fill out any information beyond name and address on his tax forms. The point of this story is that none of these men could find anything in Law to refute my contentions, and boy they tried.

Furthermore, I found that these fine men were absolutely Shocked, when I pointed out how the Internal Revenue Act is the key and door to dictatorship, and completely unconstitutional. They had never thought of that. Anyway after two hours of pleasant talk, and it was clear that "they could find no wrong in me" we shook hands all around, the best of friends and I left without giving one iota of information about my 1953 income.

So my advice to all and sundry is simply this: **STICK TO THAT CONSTITUTION AND YOU HAVE NOTHING TO FEAR.**

P.S. The gentlemen DID admit that if a thousand Americans acted as I have, the entire Internal Revenue System would be blown sky high. Yippee.

Tom Van Hyning

Do Like the Commies Do IT'S YOUR CONSTITUTION, TOO

Next March, when you file your income tax form, do it this way:

1. Fill in ONLY the lines regarding your name, address, age, etc. DO NOT STATE YOUR OCCUPATION.

2. Draw lines through all subsequent paragraphs.

3. At the bottom, over your signature, place the following: "I regret that I must refuse to answer the above questions on the grounds of the Fifth Amendment that said information might tend to incriminate me."

IF THE COMMIES DO IT, WHY NOT YOU?

Close The Public Schools

STOP DELINQUENCY! FREE PARENTS, TEACHERS AND THE CHILDREN!

By EUSTACE MULLINS

The most practical solution to the enormous problems facing American educators is to **CLOSE THE PUBLIC SCHOOLS** and enlarge the private school system to handle the whole job. Private enterprise has reared a magnificent structure in the business life of our Republic, but, for reasons never openly explained, we adopted a Socialist school system which has been a miserable but expensive failure. The Communist-dominated regimes of Wilson, Roosevelt, and Truman failed to destroy the American capitalist system, but the task is being carried out today in a more effective manner, the rearing of our children as Socialists.

Professors in our universities unanimously complain about the low quality of students who come to them from public high schools. However, the graduates of private secondary schools which are endowed by funds earned by private businessmen, continue to do a magnificent job of education. Consequently, our universities today contain two sharply differentiated groups of students, those from the public high schools and those from private schools. The private school graduates are held back in college because their professors must spend so much time with the retarded students from public schools, who can read little except comic books, whose grammar is copied from lipsping Yiddish comedians on television, and whose morals are inspired by the sordid affairs of Hollywood's male and female prostitutes.

The private schools, which must deliver results in their pupils because the parents will not pay for an education which is not received, retain the classics as the basis for their curriculum. The leaders of the leftwing, the Roosevelts and the Stevensons, do not send their children to be corrupted in the squalid jungles of our city high schools. They go to the restricted and competent **PRIVATE** schools, free from any contact with the minorities whom their parents despise even while they cynically use them to gain political power.

FORCED TAXATION SUPPORTS SOCIALISTIC SCHOOLS

As West Hooker, the father of four young children, has pointed out, property-owners are **FORCED** to pay taxes to support the inefficient Socialist public schools. Then, if they want their children to receive a decent education, they must pay tuition at private schools. This is democracy at its worst. In the South, a policy of separation of the races has been followed by common consent for many generations. However, the Communist Party dictates that all the slaves of the state shall be herded together without regard to race, creed, color, or individual choice. The Supreme Court, as

survy a collection of human garbage as could be assembled anywhere in these United States, bowed to the dictates of the Communists and ordered integration of the Southern schools. The **ONLY** cause for this action was the agitation of a few revolutionaries intent upon provoking race riots and civil war. Yet parents pay taxes to send their children to mix with unwanted children of prostitutes, unfortunate offspring of Negro-white parents, and slum-children with no parents to teach them the amenities of decent society.

JUVENILE DELINQUENCY

The indiscriminate mixing of children from different social strata forces them to descend to the lowest common denominator. The child from a good family takes on the mannerisms of the street urchins whom he mixes with in the public schools. This is the origin of juvenile delinquency, which seems to bewilder some of our Socialists, while other leftwingers, in a frantic effort to whitewash the sordid schools, claim that the parents are to blame. Also, the children are deliberately corrupted by their Communist teachers, as an essential part of the Marxist program. Anti-Communists are reviled in history and political science classes as Fascists and Nazis, while Stalin and Lenin are held up as the real heroes of the American democracy, a deliberate perversion of the truth that we are a Republic.

COMMUNIST-TRAINED TEACHERS

The present crop of Communist teachers is the outcome of careful planning. Marx and Lenin preached that the revolution could be consummated by taking over the minds of the children, and the Rockefeller Foundation's General Education Board has carried out this dictate. The sinister plan was known in advance, for it was considered so dangerous to our Republic that it was denied a charter for three successive years, despite wholesale bribery in favor of it. One legislator who refused a bribe, Senator Chamberlain of Oregon, declared, "The Carnegie-Rockefeller influence is bad. In two generations they can change the minds of the people to make them conform to the cult of Rockefeller."

At last Congress sold out, and the Rockefeller Foundation got its charter. The General Education Board immediately granted millions of dollars to teachers' colleges which would accept its sinister doctrines. The Communist-indoctrinated teachers began to infiltrate public schools all over the nation. Few people know that Rockefeller is actually Kuhn, Loeb-Rothschild, or that the Carnegie-Rockefeller Foundations carry out the Marxist program of world slavery. The entire Rockefeller-Standard Oil success was masterminded and financed by Jacob Schiff of Kuhn, Loeb Co., the financier of the Communist Revolution in Russia. The Rockefeller fortune never belonged to Rockefeller, but to the

Rothschilds, who devoted it to furthering their world conspiracy. That is why your children are being taught Communism in American public schools.

SOCIALIST PARASITES

A horde of parasites infests the public school system of America, most of whom are active in Communist subversion. These rats draw good salaries to plan "intergroup relations" which cause race riots between various groups in the high schools. Dances and games have been cancelled in many cities because of the often-fatal knife and gun fights which have become common at such school gatherings. In our nation's capital city, nearly all social events have been discontinued because of the sudden integration of Washington's schools, but the venereal disease among juveniles has risen more than one hundred per cent. Pornographic literature and several forms of dope are circulated freely to students of integrated schools, but little attention is given to this by public educators, who are busily banning all mention of Christian and patriotic ideals in the classroom. Sinister groups spend enormous sums each year to ban the Bible or any mention of Jesus Christ to public school pupils. The American Jewish Congress brings suit against public school systems which uphold Christian ideals, and the American Jewish Committee boasts in its Budget for 1953 that fellowships and large sums of money, "grants-in-aid," are given to teachers who adopt their vicious doctrines. In other words, public school teachers are bribed by these organizations, as well as by the Carnegie and Rockefeller foundations, to promote anti-Christian, anti-patriotic goals. These groups operate without interference by the law.

The 1953 Budget of the American Jewish Committee also brags that the U. S. Office of Education and the National Education Association nobly cooperate in the dissemination of what the Budget Director delicately terms, "Education in American Jewish Attitudes." Just why our education should be taken over by the American Jewish Committee is not made clear, but the awful results are tragically apparent all over America. Teachers who refuse to preach the Gospel of Karl Marx find these organizations attacking them bitterly as "Fascists" and "Anti-Semites," and soon they are forced out of their jobs.

SAVE MONEY WITH PRIVATE SCHOOLS!

Actually, if parents were not forced to pay taxes to the Socialist public schools, they could afford to send their children to private schools. Public schools are supported almost entirely by local taxation, 66.1% from the community, and the rest from the state. Yet public school policy is dictated by the Federal Government in Washington,

16th Amendment Is Unconstitutional

THE PEOPLE ARE THE MASTERS, SUPERIOR TO THE CONGRESS, THE PRESIDENT AND THE COURTS. AN UNCONSTITUTIONAL LAW OR DECISION IS SIMPLY "NULL AND VOID", AND SHOULD BE SO REGARDED BY THE LEAST CITIZEN.

PATRIOTISM IS IN KNOWING THE CONSTITUTION.

GOV. J. BRACKEN LEE WON'T PAY INCOME TAX

"Unconstitutional to tax citizens for support of foreign nations."

"The American people have to be awakened to demand some limitation on the government's taxing power."

Greatest Step for Freedom Since 1787

The Governor made this announcement Friday, Oct. 7, 1955. Has it been headlines in your papers? Have the commentators burned up the wires to tell the people of this breaking of the bonds of Marxism? Of this return to the Constitution of the United States? If not, why not?

Are we a mass of slaves so lost to any sense of honor, dignity, Freedom, justice, home and nation, that we are more interested in what Eisenhower has for breakfast, or if an English girl will marry some one or other, than we are in saving our Nation, to say nothing of our own hides, and saving the world from our mad spendthrifts? The repeal of the Income Tax and its Siamese twin, the Federal Reserve Bank, will **STOP WARS, STOP DRAFTS, STOP NATO, KILL THE U.N.** to say nothing of saving our country and its citizens from bankruptcy, feeding our poor, caring for our soldiers, building homes, schools, roads or whatever is needed. There'll be no more talk of Communism, for the Income Tax is Communism, the first plank of the Marxian doctrine.

Income tax is **UNCONSTITUTIONAL**. Some of these pee-wee betrayers of our country squeal "Retract or resign" at Gov. Lee, and the silly reason "defying the laws of the United States." What did Abraham Lincoln say about that:

"There is an important sense in which the **GOVERNMENT** is distinct from the administration. One is perpetual, the other is temporary and changeable. A man may be loyal to his government, and yet oppose the peculiar principles and methods of the administration . . . the duty of the whole people . . . the preservation and perpetuity of their own liberties and institutions." **THE CONSTITUTION is the INSTITUTION** of their whole **LIBERTY**.

Governor Lee is greater than Lincoln, in that he has started the movement, offered the people the chance, to do what Lincoln hoped to do, namely, free the people from the vicious money control by a few in open defiance of the **CONSTITUTION**. Now we'll see how sincere the proponents of Amendments are. The 16th Amendment is the "cancer" eating the life out of the Constitution. You could add Amendments from here to doomsday, yet leave in that Amendment, and the Constitution dies. As true of the Constitution as it is of a human body with a cancer. You don't add something, you cut out.

It Is the Acid Test of Sincerity of Every Citizen

You either support Gov. Lee or shut up forever about the **CONSTITUTION**.

The **CHICAGO AMERICAN** was the only Chicago paper to carry headlines, Oct. 7, 1955 on Gov. Lee's momentous decision. (Exclusive Telephone Interview.) The Chicago Tribune belatedly, Oct. 15, has quite a lengthy column. (One has only to look at the Tribune today to know that Col. McCormick, that great American, is gone.)

Gov. Lee said he would refuse to pay income tax on that part of his income unaffected by withholding tax, until the "legality of the case is tested in the United States Supreme Court." He said he would comply with the law requiring him to file a tax return.

That Is Exactly What Tom Van Hyning Did

One of the papers quotes a spokesman from the Internal Revenue Service in Washington as saying: The government has adequate machinery for collecting the taxes. **Why didn't they collect from Tom Van Hyning?**

If Congress Fails to Act, Citizens Must Cut the Purse Strings; Tax Strike Sure Cure

Eisenhower's repudiation of his solemn promise to stop the deficit spending of the Roosevelt-Truman-Baruch regime should be a warning louder and more commanding than that "midnight cry of Paul Revere": to arms, to arms, the **STATE** is growing! The State (as differentiated from the Government) is the enemy of all we hold dear . . . our rights, our liberties, our Constitution. **THE STATE** is the executive branch of the Government grown bloated and ever hungry, encroaching, devouring and consuming the restrictions put upon it by the wise, God-directed writers of the Constitution.

Every republic in history has gone down by this process. The State growing, executive decree replacing law, rights being usurped, bureaucrats grabbing more and more power. The eventual aim is concentration of power in the hands of an ever-decreasing number of ever-increasingly depraved individuals. This is a phenomenon that can be clinically described, but has gone by various names. In Rome it was dictatorship, followed by Empire. With England, empire followed by ever increasing dictatorship. With Russia, financial collapse, revolution, dictatorship. The names Fascism, Nazism, Communism, Socialism, are synonymous. The purpose of Empire is, as Sir Winston Churchill could point out if he were honest, to bankrupt and bleed the nation by continual small and big wars. The "sine qua non" of this disease "Stateism" or Anti-Republicanism, is financial collapse. The unbalanced budget or deficit, spending, whether on armies, empire "welfare gifts" or "foreign aid" is the means through which **EVERY** republic has been murdered.

Our God-given Constitution makers understood this simple law, and gave to us, their heirs, the antidote. It's simple: **IT IS THE POWER OF THE PURSE** which was put into the hands of Congress. **THE PRESIDENT** (by definition the **HEAD** of the **STATE** and the **ENEMY** of the **PEOPLE**) has no constitutional right to demand money. Eisenhower has shown his hand by the breaking of his promise to the people to stop deficit spending. There remains only the power of the purse now, to save the Republic. It is the first duty of Congress to slash, not whittle, the fantastic budget left by the repudiated regime. If our Congress fails in its high duty, through pressure from the insidious powers we have many times outlined in this periodical, the only recourse left is for the people

December 12, 1957

Subject: Interview with Mrs. Lyril Clark Van Hyning, editor of Women's Voice, 537 S. Dearborn Street, Chicago, Illinois, Thursday, December 12, 1957.

The above interview was held with Mrs. Van Hyning in an effort to determine the author and authority for the leaflet, "Chicago in the Hands of Fiends," which has been circulated throughout Chicago in recent weeks.

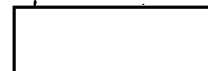

Mrs. Van Hyning admitted that she is the author and stated that the article is factual. She claims to have positive proof, some of which was gleaned from local newspapers, and some of which has never been printed but was given to her by personal friends and investigators who are friendly toward her. Of the latter material, Mrs. Van Hyning stated she could not find a newspaper or a writer who would listen to her story and then have the courage to print the story of these monstrosities which she attributes to unknown Jews.

In the leaflet, "Chicago In The Hands Of Fiends," Mrs. Van Hyning states that the recent murders of Schuessler boys and their companion Robert Peterson; the Grimes girls; and Judith Anderson, there is positive proof that their deaths were patterned after the Jewish Ritual Murders of ancient times.

Jewish Ritual Murder was written of by Arnold S. Leese in 1938. In his published booklet Leese quotes the Jewish story of Abraham who offered to slay his son, Isaac, with a knife in a bloody sacrifice to Yahweh, who had commanded him to do so. Leese also quotes from the Cyclopaedia of Biblical Literature, 1895, "their altars smoked with human blood from the time of Abraham to the fall of the Kingdoms of Judah and Israel."

Mrs. Van Hyning has newspaper articles which tell of a medical report by an expert who stated that Judith Anderson might have been dismembered first and a bullet fired into her head afterward. He based his statement on the marked absence of blood in the body. Mrs. Van Hyning infers that this indicates that the blood was removed from the body before the violence on the body was committed, thus indicating Jewish Ritual. (Chicago Daily News, Aug. 26, 1957 page 9)

There is positive proof of Jewish Ritual in the case of the Schuessler boys and Robert Peterson, because the Daily News of Dec. 10 and Dec. 15, 1955 stated the blood had been removed from the boys' bodies. When Mr. Schuessler spoke of possible Jewish Ritual Murder he was committed to an asylum and later murdered. (These are statements of Mrs. Van Hyning, it was difficult to determine

December 12, 1957

Subject: Interview with Mrs. Lyrl Clark Van Hyning continued;

which portions were her own theory and which were excerpts from the newspaper.) Mrs. Van Hyning spoke only briefly of the Grimes girls, stating that many people were embarrassed when it was proclaimed that the girls were virgins and could not have been companions of Bennie Bedwell.

Van Hyning devoted considerable time to books released by Father Albans Butler, quoting Volume 3 of the Lives of the Saints in which Jewish Ritual Slaughter of Catholic children is discussed.

In closing our interview, Mrs. Van Hyning stated she would be interested in giving someone in authority a great deal of additional information which she has in her possession, "this can never be, however," said Mrs. Van Hyning, "because no one with any authority has the courage to write or to speak of the terrible monstrosities perpetrated by the Jews."

Reporters Note: Mrs. Van Hyning also is a leader of "We the Mothers," which organization, in conjunction with the newspaper, "Women's Voice," has been in operation for a number of years.

This movement is anti-Communist, extremely nationalistic and bitterly anti-Semitic. It has made many flagrant charges in the past concerning various issues, thereby hoping to attract public attention and challenge in order to swell its membership.

In the main, they have been ignored as crackpots.

Attached is a pamphlet, "My Irrelevant Defence: Meditations Inside Gael and Out on Jewish Ritual Murder," by Arnold S. Leese, which is being sold by "Women's Voice."

Dear Sirs,

Is there anything alleged about the en-

statements which are extreme and I do not see
how they can be true. Occasionally, a copy
is sent me by mail and I find it distasteful.
I do not care to have my name used in any
investigation that might be made because it
may come to me thru a friend. It is
beyond my understanding to see how anyone
could approve of even the pictures.

Dear Sirs -

The enclosed reprints I am sending
you were received by my sixteen year
old daughter through the mail about
a week ago. The envelope has been
lost but it was mailed from Chicago.
In view of the bombings of Jewish
Synagogues I thought I would send
it to you to see if it would be of any
help.

Sincerely,

MISCELLANEOUS -
INFORMATION CONCERNING

Re your letter, dated 11/5/58.

On December 4, 1958, [redacted] Anti-Defamation League, B'nai B'rith, 343 South Dearborn Street, Chicago, Illinois, furnished the following characterization of "Women's Voice" to SA [redacted] which is as follows:

b7C

"Women's Voice" is the official publication of We, the Mothers, Mobilize for America, Incorporated, which originated in 1941 and continues to maintain an office in Room 800, 537 South Dearborn Street, Chicago, Illinois. Mrs. LYRL CLARK VAN HYNING is the Editor of "Women's Voice" and is responsible for the policies and views set forth in this publication. The articles are violently anti-Eisenhower Administration, anti-Semitic, anti-Masonic, anti-Catholic, and opposed to all foreign elements in this country.

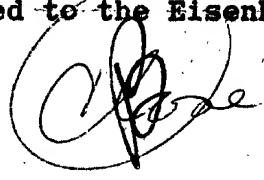

We, the Mothers, Mobilize for America, Incorporated, purports to be against all brotherhood groups, yet claims to follow the teachings of the Bible. The main interest of this group is in securing subscribers to its publication "Women's Voice".

b6
b7C

[redacted] further advised that EUSTACE MULLINS of Chicago, Illinois, who has in the past written and distributed numerous articles for "Women's Voice" was fired from his employment with the Library of Congress after World War II as a result of his acknowledged authorization of Racist writings. MULLINS has written a number of anti-Semitic articles and is opposed to the Eisenhower Administration.

Abominable Yet True

WOMEN'S VOICE is in receipt of a communication which, in our opinion is of the greatest importance. It is important because the contents vividly recall the boastful, impertinent and contemptible utterances of a certain Marcus Eli Ravage who, in January 1928 and in February 1928, in the CENTURY MAGAZINE published two articles: 1) A REAL CASE AGAINST THE JEWS; 2) COMMISSARY TO THE GENTILES.

The contents of the speech herewith published so specifically fit the present day world situation that every thinking American should ponder over them; the spirit therein displayed is the very spirit which animates the concealed wirepullers in the councils of the United

Nations who are destroying America, its Constitution and institutions. The speech also exemplifies the **MASTER PLAN** outlined in the **PROTOCOLS OF THE ELDERS OF ZION**. Although made in Buda Pest, Hungary, a country behind the Iron Curtain, the Rabbi's speech, like many other documents of importance has lately reached the United States. It follows:

"Greetings, my children! You have been called here to recapitulate the principal steps of our new program. As you know, we had hoped to have twenty years between wars to consolidate the great gains which we made from World War II, but our increasing numbers in certain vital areas is arousing opposition to us, and we must now work with every means at our disposal to

precipitate **World War III** within five years. (Emphasis ours. Ed.)

The goal for which we have striven so concertedly for three thousand years is at last within our reach, and because its fulfillment is so apparent, it behooves us to increase our efforts and our caution tenfold. I can safely promise you that before ten years have passed, our race will take its rightful place in the world, with every Jew a King and every Gentile a slave! (applause from the gathering). You remember the success of our propaganda campaign during the 1930s, which aroused anti-American passions in Germany at the same time we were arousing anti-German passions in America, a campaign which culminated in the Second World War. A similar Propaganda campaign is now being waged intensively throughout the world. A war fever is being worked up in Russia by an incessant anti-American barrage, while a nationwide anti-Communist scare is sweeping America. This campaign is forcing all of the smaller nations to choose between the partnership of Russia or an alliance with the United States.

Our most pressing problem at the moment is to inflame the lagging militaristic spirit of the Americans. The failure of the Universal Military Training Act was a great setback to our plans, but we are assured that a suitable measure will be rushed through Congress immediately after the 1952 elections. The Russian, as well as the Asiatic

peoples, are well under control, and offer no objections to war, but we must wait to secure the Americans. This we hope to do with the issue of anti-Semitism, which worked so well in uniting the Americans against Germany. We are counting heavily on reports of anti-Semitic outrages in Russia to whip up indignation in the United States and produce a front of solidarity against the Soviet power. **Simultaneously, to demonstrate to Americans the reality of anti-Semitism, we will advance through new sources large sums of money to outspokenly anti-Semitic elements in America to increase their effectiveness, and we shall stage anti-Semitic outbreaks in several of their largest cities.** This will serve the double purpose of exposing reactionary sectors in America, which then can be silenced, and of welding the United States into a devoted anti-Russian unit.

Within five years, this program will achieve its objective, the Third World War, which will surpass in destruction all previous contests. Israel, of course, will remain neutral, and when both sides are devastated and exhausted, we will arbitrate, sending our Control Commissions into all of the wrecked countries. This war will end for all time our struggle against the Gentiles. We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born. Our Control Commis-

sions will, in the interests of peace and wiping out inter-racial tensions, forbid the whites to mate with whites. The white woman must cohabit with members of the dark races, the white men with black women. Thus the white race will disappear, for mixing the dark with the white means the end of the white man, and our most dangerous enemy will become only a memory. We shall embark upon an era of ten thousand years of peace and plenty, the Pax Judaica, and our race will rule undisputed over the earth. Our superior intelligence will easily enable us to retain mastery over a world of dark peoples.

(Question from gathering) Rabbi-- what about the various religions after the Third World War?

The Rabbi: "There will be no more religions. Not only would the existence of a priest class remain a constant danger to our rule, but belief in an after-life would give spiritual strength to irreconcilable elements in many countries, and enable them to resist us. We will, however, retain the rituals and customs of Judaism as the mark of our hereditary ruling caste, strengthening our racial laws so that no Jew will be allowed to marry outside our race, nor will any stranger be accepted by us.

We may have to repeat the grim days of World War II, when we were forced to let the Hitlerite bandits sacrifice some of our people, in order that we may have adequate

documentation and witnesses to legally justify our trial and execution of the leaders of America and Russia as war criminals, after we have dictated the peace. I am sure you will need little preparation for such a duty, for sacrifice has always been the watchword of our people, and the death of a few thousand Jews in exchange for world leadership is indeed a small price to pay.

To convince you of the certainty of that leadership, let me point OUT TO you how we have turned all of the inventions of the white man into weapons against him. His printing presses and radios are the mouthpieces of our desires, and his heavy industry manufactures the instruments which he sends out to arm Asia and Africa against himself. Our interests in Washington are greatly extending the Point Four Program for developing industry in backward areas of the world, so that after the industrial plants and cities of Europe and America are destroyed by atomic warfare, the whites can offer no resistance against the larger masses of the dark races, who will maintain an unchallenged technological superiority.

And so, with the vision of world victory before you, go back to your countries and intensify your good work, until that approaching day when Israel will reveal herself in all her glorious destiny as the light of the World!"

The above speech was made in Budapest on January 12th, 1952.

(This transcription of Rabino-
vich's speech was given me by a
former Bulgarian diplomat who
broke with the Communist regime
and reached Budapest, Hungary,
where he hid out with anti-Com-
munist friends until March. While
there, he obtained a copy of this
speech, and was then smuggled to
Hamburg, Germany, finally mak-

ing his way to this country. A
gentleman in Hamburg gave him
my name, and he met me and
urged me to distribute this speech
at once. I sincerely hope that it
will give the American people a
better picture of the force arrayed
against them).

(Signed)

EUSTACE MULLINS.

telephonically contacted SA [REDACTED] at the Chicago Office and emphatically expressed objection to the FBI's methods used during investigations of the school bombing at Clinton, Tennessee; the kidnapping-murder of a Negro at Poplarville, Mississippi; and the synagogue bombing at Atlanta, Georgia. In these cases, she charged that the FBI had transgressed in an unreasonable and inhuman manner upon the civil rights of innocent individuals and had intended to obtain false admissions of guilt from them. She stated that she had just read the "truth" of these investigations and that as a result she condemned the FBI and its leader J. EDGAR HOOVER who condoned such actions.

When asked as to the source of her information concerning the described cases, she stated that she had read it all in a recent issue of "The Thunderbolt", a magazine expressing "the white man's viewpoint". She was unable to state who published "The Thunderbolt" but she promised to mail her recently received copy of "The Thunderbolt" to the writer for review and return to her.

For the Bureau's attention, there is attached a photostat copy of a pamphlet entitled, "FOR WORLD CONQUEST," which is alleged to have been distributed by CHRIST'S CRUSADERS, which lists itself as a national militant underground organization dedicated to the preservation of western civilization. It appears this is a "hate" organization and it is felt the Chicago Office is aware of the activities of this organization; therefore, a copy of the pamphlet is not being made available to Chicago.

The above information is furnished to the Bureau and no investigation is being conducted by the Salt Lake City Office, UACB.

Her visit to the "Womens Voice" office was two days after Labor Day 1960. She overheard a telephone conversation while she was there, instantly thinking the person in the publication office was a woman but identifying him on sight as a man some 38 to 40 years of age, blond and having a slight build. The conversation concerned something about some woman that he described as "crazy", who had just been to his office.

He then said "yes, I have talked with the FBI", in this same conversation he said, "Yes, I have a luger and permission to use it". He went on to mention that he was leaving at 6:30 and would be in Los Angeles for two days.

[redacted] in her short visit to the office, which she thought was located at 537 Dearborn Street, Chicago, 8th floor, picked up numerous pieces of literature but when she asked for an envelope to put them in, she was given a large envelope with the name "KASPER" on it. She stated that she had no knowledge concerning any relationship between "KASPER" and the "Womens Voice".

The literature that [redacted] secured included several copies of the "Womens Voice" and miscellaneous material dealing with race-mixing, the literature being returned to [redacted] at her request.

STRIKE FOR LIBERTY

The GI's Are Selling Apples on Streets

We said it four years ago and were called "black cockroaches." We had lived through another war. We had heard the jingoists, "Save Democracy," "A war to end wars." We had heard the promises to the soldiers. We saw them denied. We saw the time when to have been a soldier was a bit of a disgrace. We had seen our soldier generation selling apples and begging. We knew that in one year 5,000 ex-soldiers from World War I committed suicide because they were jobless and hopeless.

We know how the soldiers of this war can prevent these things. The choice is theirs now. In a year or two it will be too late. The glamour of war is fast fading. The uniform means less each day. No longer are there free lunches, free cigarettes, free rides.

Now while there is still a little respect for your years of service, and you still have some cohesion, go into politics. Make politics a war with wrong, not wrong itself, instead of asking dopes and handouts from the same old politicians who didn't know enough to stay out of war. Take charge and put your own GI's into office.

You are young, of course you are young, but you were old enough to do a real job of war, which is more than can be said of the old men with the peace. Remember, too, the **Founding Fathers were daring young men.** They didn't ask favors of royalty. They took over the power. Learn from your fathers' mistakes. The Legion has supported politicians but they did not take up the responsibility of office holders. **They contented themselves with passing resolutions.**

These GI candidates are not military men. They know, as Sherman did, that "war is hell." They

THE COMING MAN

Oh, not for the great departed
Who formed our country's laws,
And not for the bravest-hearted
Who died in freedom's cause,
And not for some living hero
To whom all bend the knee,
My muse would raise her song of praise
But for the Man To Be.

For out of the strife which woman
Is passing through today,
A man that is more than human
Shall yet be born, I say,
A man in whose pure spirit
No dross of self will lurk;
A man who is strong to cope with wrong,
A Man who is Proud to Work.

A man with hope undaunted,
A man with God-like power,
Shall come when he is wanted,
Shall come at the needed hour.
He shall silence the din and clamor
Of clan disputing with clan
And toil's long fight with purse-proud
might
Shall triumph through this Man.

I know, he is coming, coming;
To help, to guide, to save.
Though I hear no martial drumming
And see no flags that wave,
But the great soul travail of woman
And the bold free thought unfurled
Are heralds that say he is on the way
The Coming Man of the World.

Mourn not for the vanished ages
With their great heroic men
Who dwell in history's pages
And live in the poet's pen
For the grandest times are before us
And the world is yet to see
The noblest worth of this old earth
In the Men that Are To Be.

PRIMARY CROSS-WORD PUZZLE

The Better Government Association endorses the Republican Candidates for Congress; put on the Primary ballot by the Kelly-Green bi-partisan deal, to lose to the Democrats in the November election.

Corruption thy name is better. You don't have to indict them, they convict themselves.

Better stands for Kelly, Government for Green, and Association stands for Deal.

(Vote for the three Servicemen Candidates on the Republican Primary ballot on April 9th.)

In the 2nd Congressional District, vote for Thomas Clark Van Hynning, in the 7th Harold J. Dale, and in the 9th, Patrick T. Vincent.

In the 6th district vote for Chas. J. Adderson Jr., who received 140,000 votes against the New Deal candidate two years ago.

They can be elected!

Must This Great Nation Blow Up?

There are so many strikes at the present time and we are told that they are for more wages. The strikers do not seem to know that their Liberty is being taken away, that if they were free men and women there would be no need to strike for they would receive all that their labor produced. Their employers that are called Capitalists, the possessors of the tools which aid the men or women to produce more wealth, would also receive all of the wealth which their assistance entitled them to receive. For labor produces wealth, and wealth when it is used, is Capital.

The destroying factor in all production is Privilege, and Privilege prevents both Labor and Capital from receiving the full amount of the wealth which they jointly produce. Now Privilege comes from Government, and in no other way. When Government grants special privilege to any individual or corporation, it takes away the Liberty of all others. So that all strikes should be against the Government's granting Special Privilege to the few.

All strikes should be to regain that Liberty which the Government guaranteed when it said, "We hold these truths to be self-evident, that all men are created equal." This was the cornerstone upon which this Government was built. As the sun is lord of life as well as of light, so is the cornerstone of this Government our guide in business as well as in Government. It is as true a guide for our Nation as is the North Star upon which the Mariner depends for direction.

To ignore these Truths is to bring disruption. To obey them leads to prosperity and happiness. As the compass always points to that fixed star, so we, as a Nation, must not lose sight of the principle upon which we only are safe on our voyage in

life.

Now why does the Government grant special privilege to the few and destroy the Liberty of the many? Although this action of Government affects business, it is **political**. The Government acts through Congress, and if Congress opens a market for Privilege Seekers, the buyers will come to that market.

Senator James Hamilton Lewis said the day before he passed away: "If we do not elect honest men to office, this Nation will blow up." There are a few men in Congress that are fearless and one woman, Jessie Sumner, of the Illinois delegation. It is hard to be honest surrounded by others, who take their instructions from party machines when both parties are controlled by the International Bankers.

Remember, this is the year to clean up our Congress. To do this most important duty of citizenship, we must take part in the Primary, to see that none but honest men are nominated so that on election day in November we can put them across.

Illinois primary day is on April 9. The polls are open from 6:00 a.m. until 5:00 p.m. Do your duty and participate. Anti-machine candidates will be on the Republican ballot. In the 2nd Congressional District, Thomas Clark Van Hyning is the candidate to be trusted. In the 6th Congressional District, Charles J. Anderson, Jr. In the 7th Congressional District, Harold J. Dale, and in the 9th Congressional District, Patrick T. Vincent.

These young men served our country in the late war with the exception of Anderson, who was over age. He ran for Congress two years ago and was nominated but was defeated in the election by the combined forces of the Kelly-Green bipartisan deal, although he received 140,000

votes. Put your own house in order and let other nations alone.

driven like cattle into a war made by civilians like Claude Pepper who said in 1941: "We will just drop a few bombs on Tokio." These boys know how many American boys died dropping those bombs.

These boys have that memory fresh. They know that they paid for politicians' blunders.

G.I's, you can't wait until you are established in business, have homes and families. Then you are not free men. The party machine may select you for a candidate if you have enough money, but then you will not be free. You will be a party cog. The party, to keep its control chooses you because you can be controlled. Sometime they choose you to lose. In Chicago with the two party coalition, that is exactly what happens. In one district, this year, the congressional endorsee has such a "Panama" that the Democrats won't even have to try. They can run him out of the race. Good Republican workers, wake up! You will be asked to work for fake candidates and you will break your hearts. All the while, your candidate was chosen to lose to the Democrats.

These G.I's are unbuckled. They are spending their own small discharge pay in a last attempt to serve their country by going direct to the people and giving them a chance to choose a man who **knows** and is **free** to do.

Challenge to the Republican Committees

Gentlemen:

Thousands of citizens in the Chicago area are sick and tired of the waste, broken promises, and lies of the New Deal. They are looking to the Republican Party to demonstrate that it is not sold out to the Un-American forces now controlling the Democratic Party.

We, therefore, entreat you to prove that the Republican Party is going to make a serious effort to win the coming elections, and will give the people a real American Platform represented by real Americans.

We challenge you to prove to the people that the Republican Candidates in the fall election will not be "Me too" rubber stamps. By withdrawing all organization support from all candidates in the Primary. This will show that the Party is really following the intent of our form of government and any party funds available should be spent in sponsoring debates between the candidates seeking nomination, in the real spirit of Lincoln. Thus the people will be able to know the man they vote for and the Republican candidate in the fall election will be the strongest and best man by the people's choice.

In this manner, the Republican Central Committee could justify itself and give the lie to the apparently well founded accusations that the Party has been sold out by its leaders.

MONEY

Rev. H. O. Stevens, Seamaft, Ohio, contributes as follows: A CHRISTIAN MEDITATES.

There are just three ways to get anything: (1) Earn it; (2) Accept it as a gift; (3) Steal it, by force or otherwise.

If I earn it, then I have given value received so neither one has lost or gained by the transaction. If I accept it as a gift, I use what is received in some way in place of the giver's using it. The only other way to acquire wealth is to steal it, either by force such as is used by the burglar, or by subtlety such as is used by the "confidence man."

Usury (interest on money) is one way of getting something for nothing, and getting something for nothing comes under the third classification. Most people will be surprised to learn that usury is forbidden in the Bible from beginning to end.

Money by itself never earns anything. Lay a dollar upon a shelf, go back in a year and see how much it has earned! It is human endeavor, or bounteous nature, that produces things. To say that loaned money "earns" interest is a lie. It earns interest the same way the gun "earns" the money taken by the robber. The gun-wielder uses force, the interest taker uses subtlety, called by various business terms.

CALIFORNIA UNIT—ADELLE COX, PRESIDENT - 2887 LEWARD AVENUE, LOS ANGELES 5, CALIFORNIA

THE SUPER-NATIONALIST - THE SUPER-ISOLATIONIST THE SUPER WORLD-BETRAYER

Mr. Churchill, you are probably the most degraded human being on this plane—but we thank you: Your Fulton, Missouri, speech, while the most atrocious breach of courtesy and fair dealing, has exposed your and Mr. Roosevelt's lies and double cross—have shown the falseness of the UNO of the peace "jingoos."

This knowledge, which we American citizens could not bring to the people because of our Oriental controlled press and radio—you have exposed. Now the pro-Russians, pro-British traitors, among us, can no longer stand united, against America. We American Nationalists see our words of five year demonstrated—World War II was but to destroy Western Civilization—World War III will destroy it.

STOP! LOOK! LISTEN!

In the name of all you hold dear, we beg you to set yourselves immovably against war!

British Imperialism—Russian Totalitarianism—both are equally antagonistic to America. Twice we have been betrayed by the Siren's Song of Death—"the rights of the little people"—"fighting in defense of Freedom," "fighting for peace," "fighting for the preservation of Christian principles"—"Save Democracy."

When Mr. Churchill attacks Mr. Stalin and Mr. Stalin calls Mr. Churchill a liar—the world sees what is behind UNO. We said it last April in San Francisco—no Big Three can ever bring peace.

Two times we have sacrificed our sons and our natural resources to save the dying British Empire. We can't do it again—and if we should try—we shall be a lost country and will merely have saved a corpse.

Face this fairly and honestly—and like a gambler—ask yourself, "Can we pay if we lose?"

The people of the East—Chinese—Japanese—Indonesians—Indians, even the Koreans, who have been so shamelessly betrayed by the "Democracies"—will join Russia. We have built Russia to her, now, for-

midable position. Do you realize that 125,000,000 dollars of strategic materials, have been sent to her since V-J Day?

Why will the people of the East join Russia? Because they hate British and Dutch Imperialism more than they fear Russian Totalitarianism. Can America fight the World? England isn't much of an ally—we have furnished her with 80% of the men and 90% of the material in this war? We are a bankrupt nation—mortgaged to our full value—Our youth is badly depleted—can they, even with their unconquerable spirit and Yankee ingenuity, fight the entire World?

You Mothers—don't fool yourselves—it will take all your sons—even those who have already given four or five years of their lives—they'll go back—those who are still over there will never come home. Our only chance is to come home, mind our own business, let the British Empire go.

Here is another point—corrupt Governments hold power over their own people—by building up outside enemies. We'll stake everything that if Russia has no foreign enemy, the Russian people will take over and have the Government which they wish—and that is their right. There are 7 million Bolshevik Jews, the lowest stratum of an International Society, in control in Russia—holding their power, as the Roosevelt bureaucracy did here—by building up fear of an enemy "take over." Without that pressure—the 170 million Russians can handle these 7 million Jews. Let's give them their chance!

Don't let yourselves be tricked again with the lying propaganda: "We must stop Russia—she'll over-run all Europe"—Let her—if we stop her, then there'll always be someone else to stop. Remember we were told we must "Stop Hitler"—then all would be "peace" and "brotherly love."

The end of the toboggan slide of war is death—we can come home—we must come home—let Russia and the British Empire fight it out. Without our meddling help—they'll both

draw back. Say it NOW! WE ARE STAYING IN AMERICA! We don't know enough to help the little people of the World—our meddling inefficiency has only hurt them. Nothing—no plea—no threat—can move us—we've had enough—WE STAY HOME!

Drive The Money Changers Out of the Temple!

The one battle in which every American should enlist is cleaning the Orientals out of our Government. Get them out of the State Department—out of Congress—out of every public office—and above all, throw out the OPA and its vermin-infested branches.

War is a business—international Bankers' business. The International Bankers are Jews—Churchill is the front for the Jew Bankers—who have the same interest in the destruction of our country as in Germany.

We have the solution—U. S. Constitution Article I, Section 8, Paragraph 5—Throw out the International bankers by a return to our own money—no more interest to private Federal Banks—no more fighting their Wars!

THE PLAN

The beginning of the understanding of America was brought by Cecil Rhodes who, in 1877, left his money for the purpose of training diplomats to foster the reunion of British and America. In the book, "Cecil Rhodes" by Basil William, he stated: "Directed that a Secret Society should be endowed with the following objects: 'The extension of British rule throughout the world; the colonialization by British subjects of all lands where the means of livelihood are attainable by energy, labor and enterprise; and especially the occupation by British settlers of the entire continent of Africa, the Holy Land, the Valley of the Euphrates, the islands of Cyprus and Candia, the whole of South America, the islands of the Pacific not heretofore possessed by

New Leaders Growing

Greetings! It looks like the old United States is really getting an army together—should I say, ready for anything? Does America today stand at the crossing of many roads? How can one be sure? Should she take counsel and determine which of the roads she shall elect to follow? All these questions and many more will be answered. When peace comes—will she be prepared to meet this peace?

My hope is that she as a Nation can re-ring the bells that once announced Freedom and Justice for all. She can return to the principles that created her a Nation; Freedom is a mighty sword. We as Americans should be proud that we are a peace-loving people—that our aim as a nation is to improve human welfare. American people are slow to anger, tolerant and patient. But when patience is exhausted, a peace-loving people can turn to righteous wrath! There is only one way that such a nation could be enslaved and sold out! That would be through propaganda that misleads through lack of Truth. Freedom of the printed word . . . to give the people Truth. Truth that builds freedom of thought and of word and of vision. This great Freedom tempers the steel of which our Nation was built.

We must see that our Country remains the same as Washington and Lincoln believed it should be. We must uphold our standards today, and forever.

To you Boys and Girls, let me say, uphold our Flag and Constitution as our forefathers established it and intended it to be, Our America! Education is not mere book-learning. Education is knowing the most useful things and doing them. Your education does not end at school, but continues through life. You are forever a student. What you know makes you what you are! Education is free and the development of personal character is its crowning work. We should all cooperate as far as possible to educate the people of the world in matters and ways of preventing the destruction of men, women and children in war—to love their Constitution and uphold it. Remember, the principles of our Constitution give us the Privilege of believing lies or Truth. Educate yourself to know the Truth

YOUTH PAGE QUESTIONS

1. Letter to Editor of Youth Page
Dear Editor:

How about the jobs that were promised us? Like most GI's I am having my share of difficulty in finding a real job—there are a few decent ones to be had, chiefly because of strikes and similar labor troubles.

The Communists are doing a bang-up job of inciting strife, both here and throughout the nation at large. Where is the Peace to Russia these days, and where is the Peace our hands were bloodied for? The Jew question is almost a minor issue in comparison to the immediate spread of Red influence. From what I have seen of Russians, they are cruel and animal-like. Their personal conduct is the most disgusting I have ever witnessed, more so even than Fascist Germans who are, at least, a clean people.

Now I must sign off, for I have to visit the Veteran's Administration about my schooling. I'm all set to go this Fall. So long for now, and again, thanks.

Sincerely,

Leo — (GI for America First)

4. Q. How can progressive voices be raised against Winston Churchill's reappearance to make another speech in this country? If he talks for England, let him speak in England. We have had enough of him.

(L. G. Johnston, West Side)

Dear Bill:

Your questions are a delight. They prove that the Youth of America is thinking constructively, and with a depth of comprehension shown by few adults. In fact, your last three questions are more "Grown-up" than any, thus far, asked by Congressmen or labor leaders.

The answers to your questions follow:

1. Q. Just what are the Four Freedoms?

A. The Four Freedoms were supposed to be: FREEDOM from WANT, FREEDOM from FEAR, FREEDOM of SPEECH, and FREEDOM of RE-

LIGION. The one freedom which is more important than all . . . FREEDOM OF CHOICE was not mentioned.

2. Q. Why are thousands of airplanes being destroyed when during the War our mothers and fathers practically slaved making them?

A. To this question, you might have added: "and for which our generation will have to pay" . . . Wars, my dear boy are planned and deliberately brought on so that a few can make big money, which the great mass must earn. In World War I, 60,000 corpses in France produced 30,000 MILLIONAIRES in the U. S. The materials you mentioned and much besides are being destroyed, and yet Mr. Truman has asked Congress for four billion dollars to spend on new war material . . . you figure out why.

3. Q. Why is it that employees have to stand out in the cold for the wages that are due them?

A. Strikes have been in the past, the one weapon for getting better wages. Such can not be said of all strikes now. The General Motors strikers are striking so that England can have time to make Automobiles and ship them into this country. (Much G. M. stock is owned by the British Gov. Are they striking for higher wages? What they really want is the power to BUY. The complaint seems to be the net remainder after deduction for taxes. Too much is taken out. Always the money lords . . . not manufacturers, but the money lords lay taxes to take up any real wage increase. That is the old story of the revolution . . . as the colonies became prosperous, England laid more taxes. If U. S. labor would get their minds off of increased wages and onto taxes, and the interest to international bankers which comes out of their pay envelopes, they would achieve the object of higher wages. It's this way, Bill, our Constitution provides for debt free money yet our Congressmen have violated their oath of office and given our money to the private banks. Labor is near sighted, it strikes at the manufacturer, a man just like themselves who has under the American system, built himself up, and ignores the great foreign banker, who has built his power on usury, and has the manufacturer by the throat. It is like hitting at Charlie McCarthy and ignoring Edgar Bergen who controls.

(Continued from page 4)

This is an interesting fact — the Withholding Tax, which so depletes the pay check, goes to pay the interest on the 7 Billion dollars which England borrowed from us in the last War. With these facts, you would think that labor would be smarter to strike against further financing England. In other words, cease to support the administration which really takes his pay check, big or little? In short, why doesn't labor take up it's responsibility of Government and quit following **Communist, Jew-backed leaders who work for Jew banker control.**

Q. 4. This is the prize question. Why doesn't the union pay the strikers while they are striking?

Yes, why should the labor leaders live in fine houses, and have big salaries while the men, whom they are supposed to help, spend their little savings and go hungry and cold?

The members pay dues to these unions, which should be used to pay them while they are on strike. I wish that this question could enter the mind of every striker. Their wives have asked this very pertinent question.

Q. 5. "Is the union being fair by not paying employees while they are on strike?"

I do not think so. If the employees wake up to this fact which you have brought out, I'm confident that they themselves will demand and secure this justice.

Extension of Remarks of Hon. John E. Rankin of Mississippi

In the House of Representatives Friday, February 22, 1946, Appendix 980.

Mr. RANKIN, Mr. Speaker, the Reds and their fellow travelers have failed in their efforts to pull the wool over the eyes of President Truman with reference to the Communist spy ring throughout this country and Canada, just as they are failing in their efforts to abolish the Committee on Un-American Activities and to get rid of J. Edgar Hoover and the FBI.

If George Washington could speak to us today, on this the two hundred and fourteenth anniversary of his birth, he undoubtedly would say again: "Put only Americans on guard."

He no doubt would warn President Truman to clean house, as the Bible says, "From the watchman's tower to the fence of the city."

Cause of World Unrest

"The Cause of World Unrest" with an introduction by the editor of the "Morning Post" of London. Published by Grant Richards Ltd. of St. Martins —

Quote from above." In the House of Commons of November 5, 1919, Mr. Winston Churchill gave a very remarkable account of the Russian Revolution. He began by quoting a passage from Ludendorff's book on the war. It occurs in Vol. 2, page 509. "By sending Lenin to Russia, our government did moreover assume a great responsibility, but from the military point of view his journey was justified. Russia had to be laid low."

"Lenin was sent into Russia by the Germans in the same way that you might send a phial containing a culture of typhoid or cholera to be poured into the water supply of a great city—" he gathered the most formidable sect in the world—"With these spirits around him, he set to work with demoniacal ability to tear to pieces every institution on which the Russian state depended. Russia was laid low. Russia had to be laid low. She was laid low in the dust. Her national life was completely ruined, the fruits of her sacrifices were thrown away. She was condemned to long internal terrors, and menaced by famine. Her sufferings are more fearful than modern records hold and she had been robbed of her place among the great nations of the world."

What does it mean? It means, first of all, that the German Imperial government used an organization, the most "formidable sect" in the world for the destruction of Russia. Secondly we gather from Ludendorff, the German government assumed a great risk in letting loose this mysterious power. Thirdly, Ludendorff seems to suggest that the German government handled this power clumsily, so that they were also brought down by it. Fourthly, and here we come to Mr. Churchill, the sect was not German only or Russian, its leading spirits were drawn from New York, Glasgow, Berne, and other countries.

"It was a power outside Germany, a power outside Russia; it was a world-wide power, and it was a power strong enough to bring Russia down. This implies a super government. You may admit that this was a menace to Russia and Germany,

but question it as a menace to US here in the United States.

Is there an interlocking directorate producing many plays, all with the same purposes, all working toward the same end?

In "Reds in America" published 1924 by Beckwith Press, New York City, R. M. Whitney, director of Washington Bureau of the American Defense Society says the French Revolution was manipulated through minorities, secretly organized and working in secondary minorities also secretly organized which ultimately influenced vast numbers of people who knew nothing of the objective but to whom the abuses were the bait used as talking points by the soap box and curb stone agitators of that period. In that period friends of the Revolution in England raised much money to help the cause along. Similarly today, we find in every country of the world misguided fanatics giving aid, comfort and assistance to the most dangerous and insidious enemies not only of their own country but of the civilized Christian globe.

The Abbe Barruel, who wrote his memoirs of Jacobism late in the 18th century traces the origin of the French Revolution through a great maze of French and German secret societies, chiefly pseudo-Masonic in form, all inspired by a common plan. He suggested in his book that the parent sect of the Revolution was the order known as "Illuminati," which was revived by one Adam Weishaupt in Bavaria in 1776. "You thought the Revolution in France was only the first attempt of the Jacobins. In the desires of a terrible and formidable sect you have only reached the first stage. The plan it has formed for that general revolution which is to overthrow all thrones, all altars, annihilate all property, efface all law and end by dissolving all society."

Barruel has been justified by time and history. The French Revolution like the Irish Revolution in 1798 and the Russian Revolution in 1917 was actuated by a formidable sect. The most formidable sect in the world which spread from Germany to France with the rapidity of an electric fluid, as it afterward spread from Germany to Russia.

Is it the same then as now?

In his "Essays on the French Revolution" Lord Acton remarked "The appalling thing is not the tumult, but the design. Through all the fire and smoke we perceive the evidence

of a calculating organization." The managers remain studiously concealed and masked, but there is no doubt about their presence from the first."

The catch words of the French Revolution were "Liberty, Equality and Fraternity." They are the rallying cry of today and were of Lenin and Trotsky.

English gold helped finance the French Revolution. It was not government gold, but it came from certain "Revolutionary Clubs" in England.

The opinion is fairly unanimous that the Free Masonry practised in France was the vehicle by which this formidable sect achieved its terrible and far reaching effect.

To the British and U. S. member of the fraternity such a statement calls forth either a laugh or a contemptuous dismissal of the subject as preposterous. But we should not lose sight of the fact that there is Free Masonry and Free Masonry, and of its original purity of connection and action, every secret society down through history, which had revolution as its objective, has found in Free Masonry a disguise almost impossible to penetrate and a perfect camouflage. Certain breeds of Free Masons, so-called, have used the trowel as a dagger and concealed a bomb beneath the square.

Louis Blanc, a revolutionary, wrote a history glorifying the French Revolution. After reminding his readers that liberty, equality and fraternity are words dedicated to Free Masonry, he continues "As the three grades of ordinary Masonry included a great number of men opposed by position and principle to every project of social subversion, the innovators multiplied the degrees of the mystic ladder to be climbed. They created occult lodges reserved for ardent souls—shadowy sanctuaries whose doors were only open to the adept after a long series of proofs calculated to test the progress of his revolutionary education." It was to these subterranean schools that Condorcet alluded when in his "histoire de progress de l'esprit humain" he promised to tell what blows monarchial idolatry and superstition had received from the secret societies.

In France the Duke of Orleans whose name "Philip Egalite" was a rallying cry of the formidable sects which organized the Revolution was Grand Master of the Grand Orient and of the Central Masonic Lodge of France; that Frederick the Great

was Grand Master of Free Mason Louis Blanc's words show that the ordinary lodges and the general run of Masons, even in France were not let into the secrets of the conspirators, who had bored into and obtained control of the ancient fraternity.

CHRISTIAN APATHY IS SCORED

(From "Tablet" Brooklyn)

Boston, No. 27.—(NC)—Religion is our greatest defense against the atomic bomb, against which there is seemingly no other defense, Archbishop Richard J. Cushing of Boston told 3,000 members of the Knights of Columbus at a special mass in Holy Cross Cathedral here.

"The world is ripe for a spiritual renewal," the archbishop said. "In this atomic age we need more men of God, spiritual men, men who will go frequently in spirit to Bethlehem and Calvary to learn religious values."

"While Christians sleep, Communists work," the Prelate warned. "The Ten Commandments, the Sermon on the Mount, the Crib, the Cross and the Church must be taken more seriously if we are to survive."

"While forces of truth are idle the weapons of evil are rampant; while 20-odd million Catholics and added millions of Christians of various denominations have been lulled to sleep by a false complacency and confidence, a mere handful of their enemies are multiplying themselves from cell to cell, from hamlet to hamlet and from city to city—confident that 'It Can Happen Here' that they can take over."

"If they ever do," the Archbishop warned, "religion—all religion—will be the first victim. And when religion goes, the end is nigh."

NOTES FROM IOWA

By Emma and Jane Wacker

The Congressional record of February 22, carries "Washington's Farewell Address" Twice!*

Pursuant to an order of the Senate of January 24, 1901, Washington's Farewell Address" was read by the Junior Senator from New Mexico, Mr. Chavez. Representative Engle of Calif. read the Farewell Address to the House. Senator Wiley referred to the Farewell Address by quoting: Washington warned against interweaving our destiny with any part of Europe or entangling our peace and prosperity in the toils of European ambitions, rivalships, interests, Humor or Caprice. "Tis our policy to steer clear of permanent alliance with any portion of the foreign world" unquote.

Excerpts from the address of Frank E. Gannett, Cong. Record Sept. 17, 1945:

Of the 40,000,000,000 people who have lived on this planet since the birth of Christ, probably not more than 3 per cent have lived under a government where they might call their souls their own; where they were something more than herded cattle to be ordered around by someone in power. And by far the great majority of that 3 per cent who have had any liberty at all are those who have lived in this country under our Constitution, since its adoption of

1789.

Who is being deceived in this matter of Liberty? Surprising to some, it is the labourer, who is the highest paid, has the best tools and finest working conditions in the world. The Constitution is the greatest bread and butter document in the history of the World. The Propaganda, used to mislead the worker, aims to make him think he is going to get something more under a new system. He is being fed propaganda that inflames class hatred in America. When Government undertakes to guarantee security, it destroys individualism, destroys initiative, thrift, self-denial, self-reliance, independence and self-respect. In Proverbs we read that "He that tilleth the soil shall have plenty of bread; but he that followeth after vain persons shall have poverty enough"

"Shoot and Kill own Buddies if Necessary," is on page 22, first column, under the title "Army Discipline and Moral" in the January 15 Congressional Record. Every American should read that letter; it should cause the average person to think. We drove to Rochester yesterday to see Mote. I really do not know what to say about him. To me, he did not look too good! But he still has the go spirit, and that is worth a lot.

"In a free country a political party stands for either a principle or an appetite and a majority party may, for a short time, represent both."

John P. Altgeld.

RUSSIA - U. S. AGREED TO SWAP PLANS

(Passed by Censor)

Washington — (ONA — "A Russo-American agreement for exchange of military information was concluded at the Teheran Big Three meeting in 1943, when Russia reportedly first agreed on ultimate entry into the Pacific war, the Overseas Agency learned today from reliable sources.

"Inventions of military importance were covered by the terms of the agreement according to these sources. Under this agreement, it would seem that the secret of the atomic bomb would have to be turned over to Russia if that has not already been done.

"The same sources revealed that the Russians, under the terms of this agreement, long ago turned over to the United States one of its most effective weapons, the Katusha. They said this mobile six-barreled rocket gun, which was sensationally effective against the Germans on the Eastern front, has been in use for more than a year by our forces in the Pacific. (The Katusha has a range of 4,000 yards, fires six rockets simultaneously. A bigger version, mounted on trucks, has 42 barrels, firing that number of rockets.)"— Reprinted from The Jewish Voice, Los Angeles, California, Friday, August 7, 1945.

Following is a copy of the telegram sent to State Secretary James F. Byrnes: "Why all the lies about the leaks in regard to the atomic bomb or any other war equipment since there was a Russo-American agreement to swap all secrets as early as 1943 at Teheran? The thieves are still in the White House."

Is there no intellectual integrity among our people? Radio, newspapers, magazine writers, even some on our own side have wasted tons of paper discussing the A-bomb, implying that its secret is still with the United States. Trying to fool the American people into a false sense of security.

Is this why Mr. Churchill "declared" war on Russia March 5? He was at Teheran and knows everything. He has made three wars for us. Now again he wants war, this time with Russia. Does he reason that it will take Russia time to make the bomb so we should strike now and really destroy ourselves to save the British Empire, that scrofulous old hag which has sapped the life blood of millions?

Notice of this give-away by Truman was reported in a Los Angeles paper last summer but no other paper carried it. Fortunately Mrs. Cox located the Jewish Voice from which the above is quoted.

WHO WAS CRISTINO GARCIA?

The anti-Spanish propaganda is carrying on a campaign tending to distort the facts and dissemble the truth on the recent trial, conviction and execution of Cristino Garcia, Spanish terrorist publicly tried by an official Spanish tribunal.

Who was Cristino Garcia? This is his record.

In 1936, Cristino Garcia Granda, Asturian, worked as fireman on the merchant ship "Luis Adaro."

He fled to France after the Civil war and served in the forces, known as "Maquis."

At the end of World War II he received special training at the terrorist center of Toulouse and was sent to Spain with orders to conduct a campaign of crimes and sabotage.

In Spain he organized a terrorist group but was arrested on October 16, 1945.

A list of all the establishments and persons to be future objects of his criminal attacks was found among the documents on him when he was arrested.

Since October 1945 the tribunal has carefully investigated the activities of Cristino Garcia, and all persons who could in any way shed light on his activities were requested to appear before the tribunal.

The accused declared at the public trial, and the witnesses widely confirmed the information, that Cristino Garcia was the main participant, and had personally and directly participated, in the following crimes:

1. Assassination of the owner of a bar in Canillejas, near Madrid.

2. Attack on the patrolmen of the town of Peguerinos, during which two of the latter were killed. Both of them had a wife and several children.

3. Armed attack on the offices of Ferrocarriles Espanoles (Spanish Railways), located at Paseo Imperial, Madrid, and theft of 21,000 pesetas.

4. Attack on one of the branch offices of the Central Bank of Madrid on October 9, 1945, and theft of 143,000 pesetas.

5. Assassination, because of internal controversies that arose in the

Communist party, of his associates, Gabriel Leon Trillo (known as Julio Torres Alarcon), and Alberto Perez Ayala was shot to death by Cristino Garcia on October 15, 1945. Cristino Garcia's participation in these crimes and his complete responsibility were proved beyond any doubt.

Cristino Garcia claimed the right to defense during the public trial, as prescribed by law.

It is therefore clearly evident that he was not sentenced to death because of his political beliefs or ideals, but because he was guilty of crimes recognized as such by the existing legislations of all civilized countries.

It Is Up To The Governor

This government is a union of states, not a monarchy, or a dictatorship. The United States Supreme Court is the judicial branch of the government. They interpret the Constitution. (Article I, Sect. 5) "Each House shall be the Judge of the election returns and qualifications of its own members and a majority of each shall constitute a quorum to do business." There is no occasion to call upon the Supreme Court to interpret this Constitutional requirement. Because the Illinois State Legislature refuses to reapportion the Congressional Districts of the State, it is left to the House of Representatives at Washington to decide whether to seat the congressional representatives from Illinois or to reject them until they have reapportioned the state every 10 years to comply with the Constitution. The Illinois Legislature has also refused to reapportion the senatorial districts, and the Supreme Court of Illinois should declare void all laws passed by the Legislature until this reapportionment is done.

The Governor of Illinois is remiss in his duties if he signs any of the laws passed by an illegally constituted body. What is a governor of a state for if not to see that the laws are enforced?

The United States Supreme Court is without jurisdiction and no one but professors would expect them to override the Constitution.

VOTE FOR THOMAS CLARK VAN HYNING

6210 S. GREENWOOD AVENUE, CHICAGO

FOR REPRESENTATIVE IN CONGRESS

2nd Congressional District in the

Republican Primary, April 9th, 1946

Thomas Clark Van Hyning, Veteran of World War II, seeks the opportunity to join the real fight for his country as candidate for representative in Congress from the 2nd Congressional District in Illinois. He recognizes that the two parties have the same control. He takes the only way open to a free citizen by standing as an independent candidate on the Republican ticket. Backed by no organization, he challenges the machine-controlled candidate whose nomination would guarantee the preservation of the present New Deal incumbent. He believes what was said by Benjamin Franklin, "That every citizen of a Republic should give at least ten years of his life to his country."

Never in the history of man has a great nation been so lied to, undermined and betrayed as has America. All her youth were conscripted. Were the corrupt politicians afraid these youth were wise enough to solve the enigma of the cause of this horrible war? Was it that they believed it necessary to get them away so they could surrender our country to this world dictatorship while they were away?

Captain Van Hyning and the returning G. I.'s have it forced on them that this is the reason why we were taken into this war and that the law makers were cognizant of the plan when Mrs. Roosevelt said "The war is but the first step in the revolution." The veterans were told that nothing is too good for the boys. Bonds were

sold in their name under the pretense of helping the peoples of the world. These boys know now that we have helped no one except the dictators. They see their own country destroying the laboring people of every country.

In their own home land, they are deprived of housing, of clothing, of food, of an opportunity to earn their own living and they are forced to the conclusion that this has been intentionally planned by the government when 7,000,000 refugees were brought in "to harrass our people and eat out their substance."

Thomas Clark Van Hyning was born in Ohio. He attended High School in Aurora, Illinois and the University of New Mexico where he majored in engineering and government. When war threatened, he left school and went to work as a mechanic for an Aircraft manufacturer and worked up to supervisor before leaving to enlist in the Air Corps in January 1942. He was commissioned a pilot and joined a dive bombing squadron after finishing training. He was injured while leading a routine mission in July 1943. After leaving the hospital, his knowledge of foreign affairs led to his assignment to military intelligence and he was sent overseas on special mission. He returned to the United States on January 3, 1946 and is now on terminal leave.

The outstanding planks in Thomas Clark Van Hyning's platform are:

- 1—END SECRECY IN FOREIGN AFFAIRS. STOP THE DELIBERATE BETRAYAL OF THIS COUNTRY AND OF ALL COUNTRIES SEEKING SELF-GOVERNMENT.
- 2—GIVE THE VETERANS THE VOICE IN GOVERNMENT. END MACHINE MONOPOLY. ENFORCE THE DECLARATION OF INDEPENDENCE AND THE BILL OF RIGHTS. GUARANTEE EQUAL OPPORTUNITY TO ALL CITIZENS.
- 3—FULFILL THE PROMISES MADE DURING THE WAR REGARDING JOBS, HOUSING, AND SURPLUS MATERIALS. FIND OUT WHO IS CREATING SHORTAGES AND WHY THE PEOPLE ARE BEING CHEATED.
- 4—DECLARE THE TERMINATION OF THE DURATION AND SPEED THE RETURN OF ALL MEMBERS OF THE ARMED FORCES.
- 5—ADHERE TO THE MONROE DOCTRINE GUARANTEEING AMERICAN NATIONS FREEDOM FROM ALIEN DOMINATION.
- 6—BE AN AMERICAN WITH FIRST AND ONLY ALLEGIANCE TO THIS NATION AND TO ITS PROGRESS UNDER FREE ENTERPRISE.

Betraying Our Forefathers

Sold down the river! Such is the most authentic view that can be made after reading that the United Nations Organization is to set up a state within these United States.

It is indeed pitiful, sorrowful and humiliating to see our Congress, supposed to represent the American people; and to uphold and defend the Constitution sit supinely by, with rabbit hearts and dumb minds and permit a part of these United States to be given to a coalition of foreign nations to rule, and make it their castle. The plan at present is to give the so-called UNO 47 square miles in the vicinity of Connecticut and New York States. Of course the government (with your money) will buy this royal estate from the American owners, and GIVE it to the foreign representatives to live in luxury on; to meditate on how to completely enslave us; to be MASTER of, not subject to laws of the U. S. A.

And, no doubt, another "bite" will be taken out of worker's pay check each week, in addition to the present "bites" taken to support Britain and aid her in setting up Harold Laski, to support the army of foreign representatives of the U. N. O.

It seems like a dream, too absurd, too rotten and heinous to be actually true—and yet there it is in print, and on the radio, that we are to have this Jew planned UNO scheme and are to furnish them a state within these United States, IMMUNE from our Constitutional laws.

We have drifted or rather sunk and degenerated since and from the days of George Washington, Jefferson and our founding fathers who fought, bled, sacrificed and died on the field of battle to give us our freedom, independence and Constitution. Yes, our brave, Christian, illustrious forebears sacrificed to GIVE us our FREE and INDEPENDENT United States—and today, a COWARDLY, thankless, and shameless generation of proud, courageous, Christian forebears relinquish and GIVE up that precious Heritage to Foreign nations.

May heaven help us, and God save us, and our Forebears forgive us, if they can, for the weak, meek, prideless and pagan people we have become.

For years Organized International Jewry have striven and plotted for a "World Government," the U. S. A. being the ONLY free nation in

the world. When you, Congress, deliver up the people to this world government, you are also delivering up the Congress, the Senate and the Constitution, and YOUR freedom. Let's not betray Washington, Lincoln, Jefferson and our Forebears. STOP and END these FOREIGN alliances and entanglements NOW.

Stop nibbling at the cheese in the Organized Jew man trap.

An Officer's Prediction

"I am wondering if you would like to know what a high ranking Naval Officer related to a friend. The friend was seated in a drug store lunch room. The only available table was the one my friend occupied. The Officer asked permission to share the table and seat. During the conversation, my friend remarked that he hoped the war would soon be over. The Officer replied, in an agitated manner, that "the war would continue four more years; what we need in America is more co-operation; Russia has full co-operation and we intend to get it here. When Russia sent a request for high powered naval and army men to formulate a working plan, I was one of those men. We worked out a plan by which all other nations will work. We now have Argentina and we will get the others too. Russia is the proving ground for all other nations to follow." My friend remarked that God had a better plan. This infuriated the Officer; he said, "You Americans will come under our plan when you are given bread and water. In Russia we got rid of the conscientious objectors by way of the firing squad, and so it must follow here too. You are going to do away with your churches and go to our church. No one will be exempt from the rule. Christian Scientists rebelled, but she is following now; the Seventh Day Adventists are THE crackpots of them all; we have them all under surveillance."

The above is the gist of the conversation. Of course we know their plan, but not until now have we heard it through the lips of one of the planners. (Copied in April, 1944.)

The Jews and Palestine in the Light of Prophecy

By Arthur U. Michelson

P. F. 57-58

The recently issued statistical report of the British Government stated that the DEAD-SEA is 340 square miles in area and has a content of potash amounting to 1,300 million tons, valued at fourteen billion pounds; salt, 11,000 million tons, valued 9500 million pounds; gypsum, 81 million tons, worth 24 million pounds, and magnesium chloride, 22 billion tons, worth 165 billion pounds. Translated into American money, this gives us the staggering stupendous total of 1388 billion dollars. This is more than all the wealth in the world. It is remarkable that all this wealth has been there through all the thousands of years, and nobody knew it and it was not found until the land was given back to its rightful owner, the Jew, that Palestine was considered a poor price for any nation, but now we know it will be worth fighting for, because of the stupendous riches, especially of the DEAD-SEA.

Dear Sir:

Peace time Conscription is the power to enslave and destroy. It is un-American and Unconstitutional. Our ancestors came away from this vicious caste system which has made a shambles of Europe for a thousand years. It is obnoxious to the great American people. Every argument advanced is fallacious. The same Communistic-Judaic group which got us into the War and into the UNO are the promulgators of Conscription. They talk of "Peace loving nations" yet their plea is for war and more war. Our great Country has wasted and destroyed, not only our own Land but the peoples of every Country. Now we are beating Spain into submission, such a shameful, hypocritical display of arrogant power all to be bolstered up by the use of American boys as cannon fodder.

Look to our ally, Britain. In the name of Christianity and Democracy, she has plundered the World and through our Congress' servility, we are now aiding and abetting her in tightening slave chains on the peoples whose blood she has sapped for years.

The American people are slowly becoming conscious of the betrayal and will soon see that they and their children will have to pay the terrible price for the crimes which are being committed in their names.

You, as a member of the Military affairs committee, will be held responsible for the power entrusted to you. You can be an American, true to your Oath of office, and save your country from Militarism. We ask you to be an American instead of a lackey to the British Empire, and while you are about it, use your vote and influence as a member of Congress to oppose ALL foreign loans, as well as keeping our meddling noses out of Spain and Argentina, as well as the rest of the world.

Sincerely,

Lyril Clark Van Hyning

Dear Ladies:

I thought the enclosed copy of my letter to NAM might interest you. Now that the damage is done, these people are starting to cry about conditions. They should have thought about this some ten years ago. Now that the world is a Jewish chaos, they are starting to think that some things may be wrong.

Well, we are on the way to the third world war and Churchill and his English Jews want us to help him fight the Soviet kikes. Will the poor American suckers fall for another war? If the big money boys think they can make something out of it, they will all be out shouting to save something for someone, as long as they think they can get theirs.

This looks like the time Bloody Joe has given the double-cross to Churchill for a change. If Churchill had been more of a white man and not so much of a Jew, and kept out of a war with Germany, he might not now have "my friend, Marshall Stalin" on his hands, and it looks to me as if "my friend" was on his way to India. Churchill will take poor Happy Harry (33rd degree) for a ride but poor Happy will never know it. Happy said the other night that he liked Mr. Stalin. I wonder what Mr. Stalin thinks of poor Happy—that is, if he ever thinks of him. And Happy smiles and smiles. He reminds me of the cat in Alice and Wonderland and, of the two, I rather think the cat is the best. Now Happy and the kikes in the State department want to turn Spain and the Ar-

gentine into another Jewish chaos. What a world, this land of plenty of war bonds, strikes, suckers, morons and Jews! What will happen when Happy's 3900 Jews a month get coming in?

With best wishes and kindest regards, I am,

Very sincerely yours,

Dear Madam:

I have just completed reading January 31st issue of "Women's Voice." It was my first time to know about your publication. Never have I read so much in so few pages to stimulate the mind. When I had finished, I asked myself "What can I do about these matters?" My answer was, "I can become better informed at least." So here is my dollar for a year's subscription, starting with February issue.

Dear Sirs:

I have just read with great interest your advertisement in the Philadelphia Inquirer of today. "Why bother about inflation; we planned it that way." Bloody Joe and his kikes are going to give it to you, and it seems to me that you big money boys asked for it. Now, the big money boys in this country are going to get what the big money boys in Russia got in 1917. Back in 1939, you should have been getting people to write to their representatives in Congress to keep out of war; but you did no such thing, I also remember your having Anthony Eden and his Jew wife speak at a dinner you had in New York to spread his British Jew propaganda for war, and no doubt you suckers paid him to give you a good dose of his propaganda. You were a lot of warmongers, and all hoped that the big money boys would be bigger money boys when the war was over. Now that "liberated" Europe and our United States is a Jewish chaos, you start to cry about conditions which you helped bring about. All during the war the big money boys were telling the public over the radio what good Americans they were, and that the world must be turned into a Democratic world; together with so much other bunk that I cannot remember half of it. Now that you have won the war for "my friend Marshall Stalin" and destroyed civilization in Europe and Asia and turned all over to the Jews, you wonder why things are not going so well at home. You have no one to blame but yourselves for conditions in the country today.

Here are a few questions which I suggest you answer before you adopt such an injured attitude:

Did you support Henry Ford in his exposure of the Jew racket? What did you do to help the public utilities fight the Wheeler-Raborn bill? Did you fight the Wagner Act? Did you have anything to say when Roosevelt took your gold at \$20.00 per ounce and then paid the European kikes \$35.00 per ounce? Did you protest the Jewish invasion of the United States, or the boycott of German and Japanese goods by the Jews? Did you tell the American people that Vendell Villkie, Jewey Dewey and Roosevelt were all controlled by the same gang? Did you protest the

mass sedition trial in Washington of real Americans who had the courage to tell the real truth about conditions in the world? Did you expose the facts concerning young Tyler Kent and why he was imprisoned in England for his knowledge of the Pearl Harbor affair? Did you back the America First movement, or have you ever done anything for a real American who was in trouble for telling the real truth about inflation? Have you sent Gerald L. K. Smith, Detroit, Michigan, any funds to help him fight his illegal arrest after he spoke at an America First meeting in Chicago on February 7? What did you have to say when Father Coughlin and Upton Close were put off the radio for telling the American people the real story of inflation? As far as I know, absolutely nothing.

The big money boys have been a lot of suckers, morons and cowards. Today, February 20, Chester Bowles gives you a smear, "Irresponsible Leaders!" It will be interesting to see how the NAM will take this.

Don't send me a copy of your booklet on inflation. I have known about inflation for the past twenty years, and I do not give a damn whether we have inflation or not. It will hurt the big money boys more than it will me. They asked for it, now let them take it and like it. They are getting their just desserts for being a lot of suckers, morons and cowards. I suggest you read the new book, "Suckerland: Its Priests, Princes and Jews," on sale at all news stands.

Yours very truly,

Dear Mrs. Van Hyning:

In reference to yours of March 5, 1946, I am mailing to you a copy of the Rocky Mountain Churchman as per your request. I am sure you will find it very interesting and in a class by itself. After reading it, you will realize that Mr. Allingham, the editor, is very well in line with your publication. This also applies to Rev. Waser.

Rev. Allingham has put the Women's Voice on his list and you will therefore receive this paper direct from his office from now on. You will also note that Mr. Allingham has made use of one of the articles in your publication, by reproducing same in his paper.

That "Chosen Race," which crossed

the Red Sea without getting their feet wet, has through the "Anti-Defamation Committee" repeatedly attempted to "put me out of business," but, fortunately, I was too well established for them to succeed. I do not mean to say that I did not suffer financially and otherwise, because even some of my year long customers fell for this propaganda for a while. However, I had the satisfaction that I withstood the "battle" and came out of it in the long run. Of course, the fact that I am a native of Switzerland helped a lot.

Wishing you further success in your worthy undertaking, I remain,

Sincerely yours,

Arthur Werner.

Dear Madam:

"Good things come to those who wait" I may fittingly supply the old adage to your letter of 20th inst.; the general tone of this long-awaited reply more than atones for your unintentional delay.

I am indeed pleased to note, that you appreciate the story of the "Shopman," then, too, your estimate of the "Epistle," I value highly. I thank you most sincerely for your generous appraisal of these poetical efforts.

Commenting on certain items of your letter, may I say, that you have condensed in a few, telling words, a subject about which volumes could be written; I refer to the statement: "Exploitation is the world's greatest crime and it sums up all the targets we have." Money powers, dictatorship, privilege, Jew, Anti-Christ, etc. You have set down in words, "what oft was thought, but ne'er so well expressed." Indeed, EXPLOITATION is the world's public enemy No. 1.

Concerning the "Epistle," I beg to stress, that, even though you fail to enlist the interest of a capable publisher, I shall nonetheless forever feel grateful for your good will and endeavor.

Individuals, to whom I have shown copies of "Women's Voice" seem to heartily endorse its policy and have promised to subscribe.

Hoping Heaven may grant you many, many years of useful service to a noble cause, confident, that "Women's Voice," under the guiding spirit of Lyril Clark Van Hyning, will eventually become a power in

the land; with earnest wishes for your health, happiness and prosperity. I remain,

Gratefully, respectfully yours,
Albert J. Heil

March 7, 1946

Dear Mr. Jamison:

The last is the finest letter that you have ever written. Documented proof is in every newspaper file in New York City. I am sending you some inclosures.

The FBI was planted in the State department through the efforts of Ambassador Grew, to check up on the leaks of top information, of which he made a report to that department. It was through him that the FBI arrested a number of people, two of them being members of the State department cooperating with the others. One, a Jew, had sufficient information from the department to write a book. The other was a Jew by the name of Roth, who had been in our naval intelligence department. It seems that the real information they gave out caused much trouble in China, as told by Mr. Grew. They were all indicted, but only two held, the others being placed right back in the State department. Tried, of course, in a Jewish court by the controlled judges, and released to finish up the sabotage of America, which certainly has happened.

General Patrick Hurley went before a congressional committee and charged them with plenty. There has been no answer to his charges to my knowledge. The State department remains silently controlled by the Reds, and the congress does nothing about it. Hon. Paul Shafer, house of representatives, has demanded a congressional investigation by the State department. You get in behind him. He is a fighter.

That State department, in my opinion, is responsible for the disaster of this nation. Jimmy Byrnes is no good. He knew all the time what Roosevelt was doing, and he kept his mouth shut and sacrificed his country.

Is there not some stolen curse,
Some hidden thunder in the stores
Of heaven

Red, with uncommon wrath, to
Blast the "men" who owe their
greatness

To their country's ruin?
Hand, them, this over and over
again.

General Patrick Hurley, now in Mexico, says that they would not listen to his warning as to the atomic bomb. Now the secret is in Russia, and the possibilities are that it will be used on us. In my opinion, the Americans have given them the money, the arms, the right of way. What else do they need? Stalin has always taken advantage of every opportunity to add to his holdings. He is not going to stop now, especially when he knows what "dumb bells" he is really dealing with. We should use every bomb we have to destroy both Russia, England and France, and free ourselves from these parasites, if we have to go down fighting. Rid this country of every Jew and alien of every description and send those to fight who have been sitting out this war in Washington, among those who did not go, Jews, Jews, the bureaucrats. There are plenty of Jews. The State department is nothing but Jews, as are the post offices and all other government positions. Let's clean them out one way or another, and out of the country for good.

The Hon. Helen G. Douglas
Care House Office Building
Washington, D. C.

Dear Congresswoman Douglas:

As you see, I live in the 14th Congressional District, which you represent, and I ask you to do all in your power to defeat the "loan" to Britain—which means a gift. Instead of making this gift, I ask you to do all in your power to force Britain to pay her more than 50-billion dollar debt she owes us for World Wars I and II.

I, also, ask you to do all in your power to prevent any "loans" being made to Russia and other countries, which, as an intelligent person, you know is being plotted to bankrupt this nation.

When you took your seat in Congress, you swore to uphold the Constitution of this nation, therefore, I wish to call your attention to the opinion of the late Justice Taney regarding the Jackson Administration's money lent to the States—which proved to be a gift also.

"The taxing power," advised Taney, "is not conferred in unlimited terms. The revenue which this government is authorized to raise was intended to be used for national purposes only." The bill before me proposes to take money out of the treasury and to appropriate it in loans to the states or investment in their stocks. Under what article of the Constitution is it supposed that Congress has the power to make such an appropriation? The power to borrow money is expressly given, but where do we find the power to loan?

You will find this letter in the Jackson Papers; part of it is used in the book, "Democracy in the Making," by Hugh Russell Fraser.

Great Britain, the whole of the Malay Archipelago, the Seaboard of China and Japan, the ultimate recovery of the United States of America as a integral part of the British Empire," "The foundation of so great a power as to hereafter render wars impossible and promote the best interests of humanity."

The same hypocrisy "peace" and "humanity" by which England has held the sorrowing slaves of India in bondage for 170 years: that she has used, by force and violence, taxation and starvation to break the Irish courage and still the soul of that nation whose culture was old when England was still savage. Uncounted millions were slain in Africa when England took that country in the name of peace" and "humanity." England's "Democracy" and "peace" and "humanity" made China a Hell on earth.

"Let God and the recording angel speak of China, after a hundred years of saturation by English Opium." "... whether in Colonial America or India, in China or Africa, the Boer Republic and Ireland, the indictment stands, the evidence is clear and irrefutable and the verdict is clear—and before the world, England stands convicted of the most consistent and shameless violation and perversion of that "Democracy" and "Christianity," "peace" and "humanity" which has ever been her boast and masquerade."

Churchill in his Missouri speech served notice on America that he considers "Union Now" a fact. He came here as a private citizen—yet he had the unmitigated gall to "declare" war on Russia, in our name. This morning a Chicago editor informs me that U. S. Senator Vandenberg takes over Mr. Brownell's job as head of the Republican party. We know Mr. Vandenberg's record, and we feel his selection is certain to destroy the old Republican party. As a lifelong member of the Republican party we must object. BIOGRAPHY OF LIEUT. COMMANDER PATRICK T. VINCENT

*Republican Candidate
for Congress*

9th Congressional District

Lieutenant Commander Patrick T. Vincent was born in Chicago and has spent most of his life on the near north side in the Ninth Congressional District. He attended the Alcott Public School and Francis Parker High School, where he was the Captain of the football teams. He went to Denison University and he was president of his chapter of Beta Theta Pi, vice president of the interfraternity council, and a star end on the football team for three years. In 1939 Vincent ran for the Chicago Tribune All-Star Squad and polled 325,000 votes. While going through high school and college, he worked as a life guard on the Chicago public beaches.

After graduating from college, he went into Advertising and was an executive in the advertising department of the Wieboldt Stores, Inc. In 1940, when the war was beginning to draw closer to the United States, he volunteered for the Navy. After attending Abbott Hall at Northwestern University, he received his commission as an ensign in the Navy in March, 1941, and immediately reported for duty on board the USS Washington. Taking part in the undeclared "shooting war" before Pearl Harbor, Vincent was in the Atlantic when the Japanese struck. After operating off Murmansk, Russia, his ship was sent to the Pacific at the start of the Solomon campaign. Through that bloody struggle and the Gilberts and Marshalls, he served until being transferred to the USS Missouri.

He wrote the history of the Washington which is now appearing in a magazine. Towards the end of the war he was promoted to Lieutenant Commander and ordered to the USS Minneapolis as the Air Defense Officer and served on board her until three months after the end of the war with Japan. He was on the first ship into Korea and participated in the North China occupation. He has 48 months of sea duty and has participated in six major engagements while covering nearly 350,000 miles during the course of five and a half years in the Navy.

LT. PATRICK T. VINCENT

400 DELEWARE PLACE

Republican Candidate

for

NINTH CONGRESSIONAL DISTRICT

The committee endorsing Lt. Commander Vincent's candidacy for Congress submits the following information in connection with the current campaign:

We would like to point out that our candidate is not a "carpet bagger." The family has lived in the Ninth Congressional District continuously for 75 years, and he, therefore, is qualified in the sense that he knows the character of the people and the problems of the district.

The committee is of the opinion that Lt. Commander Vincent would be "tougher opposition" in the November election than either of his primary opponents. We make this statement realizing that the important thing is to have a Republican represent the people of the Ninth Congressional District during the next Congress. It is most important, therefore, to get Vincent nominated by turning out at the primary on April 9th.

We further state that Vincent, being a younger man, and having enjoyed a splendid record overseas with his fellow servicemen, could represent them more ably in Congress.

By his constant association with servicemen during the last five and one-half years, the committee feels that he knows the

problems of the veterans better than either of his opponents and can present them to Congress effectively.

Lt. Commander Vincent feels that the situation as it stands today compares with that of the Indian tribal customs of years ago. It was then the custom when the young braves went off to war, for the older men to guard and protect their families and possessions. When they returned from the warpath, they would find their possessions and hunting grounds in the same condition as when they left, or better. The politicians of our day, here at home, did not keep faith with the servicemen in this respect; they have left them and the people down.

The committee has been highly functional in organization work and is organized in each of the four wards in the district. They are working hard in behalf of their candidate.

Vincent has received the endorsement of various American Legion Posts, Veterans of Foreign Wars Posts, and the newly formed AMVET group.

The slogan of the Vincent-for-Congress Committee is: "Why not nominate a man at the primary on April 9 who can win the election in November?"

dreams" fail to materialize (I play they don't), you cannot go wrong in such purchases and storing for prices bound to rise anyway. By all signs, Judeo-Reds will be on march—this or next year. Even press now forecasting Russian armies to march across Europe to seize Spain. With Reds staying in Iran, despite purported pledge to withdraw March 3, 1946, and with Jewry viciously attacking British foreign policy (particularly handling of Palestine, Near East and India) while cottoning up to their brethren running USSR, and with Churchill in USA March 5, '46 urging British-USA military alliance (despite promises of peace thru UN O) and warning against giving Atom-Bomb secrets to Russia, any little "spark" can start off World War III

in earnest. Some claim war already on. As prior AID gave evidence, when A-Bomb first divulged, that Russia already had that secret (and no doubt are building them and the balloons and planes to carry them—from Kurile Isles and/or over North Pole to our large cities, not to mention sabotage possibilities by Soviet agents here), and with all these "trial balloon" strikes (to test public and Congress reaction, at same time using strikes as "training schools" for Bolshevik organizers and agitators), should Russian troops start thru the American-French zones in Europe—WATCH OUT!!

STOP THE WHITEWASHERS!

When political corruption gets so universal that both parties stand convicted, Congress must supply the whitewash with the skill of experts.

Party loyalty and honor are opposites; the former destroys a Republic, the latter resurrects it. Jefferson and Lincoln were the great party leaders, yet Lincoln said: "I have never had a thought politically that did not spring from the sentiment embodied in the Declaration of Independence." They were alike in principle.

If eternal vigilance is the price of liberty, then it behooves the voters to guard their Republic by working and voting at the April 9th Primary in Illinois so that none but honorable men are chosen to be sent to Congress to uphold the great principles that these great leaders stood for. Controlled party men can no longer be trusted.

Illinois Primary April 9, 1946

We recommend to our readers that they pass up candidates endorsed by the Party committees. Those are in no way the choice of the people. Some are chosen to win . . . some to lose . . . in either case they are party controlled, and cannot represent the people.

VOTE FOR INDEPENDENTS on the Republican ballot. They at least have had the courage to make a choice possible.

The **FIRST** name on the Ballot is the **KELLY-GREEN CANDIDATE**.

YOUR LAST CHANCE!

UNO was conceived in greed and iniquity, and given to a peace hungry world as an honest step toward Peace. Before San Francisco . . . at San Francisco . . . and since San Francisco, we have said it was a betrayal of honest peoples' hopes. Mr Churchill's speech, Mr. Byrnes' appeal for peace-time draft disclose the Hypocrisy of UNO.

There will be World Government sometime, but not until individuals lose their love for exploiting their neighbors. The Golden Rule is the only sound principle for World Government, and today's dictators do not know that rule.

The candidates, whom we support are opposed to UNO, to conscription, to the New Deal and all it's bureaucracies and to the Republican Party's "me too" policy.

They will work aggressively to restore to the people the vital provision of the U. S. Constitution i. e., Debt Free Money.

This will automatically provide more than is asked in "Old age pensions," "bonuses for soldiers Social Security," "Higher wages for Labor."

LETTERS

Willard Hotel
Washington, D. C.

Dear Mrs. Van Hyning:

Yours of February 20th read and noted. If you will look in Who's Who you will find John Hertz, the head of more monopolies than any other man in America.

When the Taxi Caravan stopped at Massillon overnight, they saw veteran friends of mine and called me at 4:00 a. m. and requested me to help them. I told the Leader to call on me at the Willard Hotel when they arrived and I would do what I could for them but not one put in an appearance.

They were taken in charge by the Union here and succeeded in getting the Justice Departments attention to the monopoly controlled Taxi Cabs in Chicago, which was about all that could be obtained from their protest.

The hearings will commence March 5 on the British loan of \$4,400,000,000 and cancellation of debts of Wars I and II and I will appear as a witness and show them how to collect at least 53 billion.

My finances have about run out and I need immediate help.

Yours truly,

Are Chicago' fascist fanatics getting ready for armed violence?

A new organization, The American Humane Society, chartered by the State of Illinois has as one of its directors Mrs. LYRL CLARK VAN HYNING, publisher of the violence-provoking "WOMEN'S VOICE".

Mrs. VAN HYNING, has for many years operated a central agency at 537 South Dearborn, which is directed mainly against Jews. She peddles large quantities of anti-semitic literature -- included was the "WOMEN'S VOICE".

MANN also sought to exploit his inflammatory points of view in the columns of the "WOMEN'S VOICE", a vitrolic hate sheet edited by LYRL CLARK VAN HYNING, a major domo of "We, the Mothers, Mobilize for America". - 4) Report of an excerpt of sermon allegedly given in Budapest, Hungary, on 1/12/52, by one Rabbi [redacted] who allegedly predicted that within ten years every Jew would be a king and every gentile a slave. This alleged sermon also included an outline of the cleverness of Jewish propaganda in using the issue of anti-semitism to pit the United States against Germany in World War II, and which is again to be used to promote a war of mutual self-destruction between the United States and Russia at the conclusion of which a neutral Israel will emerge as the dominating power of the world. Thereafter the Jewish forces will proclaim their affinity with the races of Asia and Africa, compel interracial cohabitation and marriage with the result that

105-456

the white race will be exterminated in one generation. The Rabbi then allegedly prophesied an era of ten thousand years of position and plenty during which the Jewish race will rule undisputed over the earth as its superior intelligence will enable it to retain mastery over a world of dark peoples. It is also alleged, in connection with the above, that no Jews will be allowed to marry outside his race, nor will any stranger be accepted by the Jewish element. A long hand comment is made pointing to the above as "The Truth About Segregation".

The above print was allegedly produced by the "WOMEN'S VOICE, Room 803, 537 South Dearborn Street, Chicago, Illinois. The authenticity of the excerpt, vouched for by one EUSTACE MULLINS, who explained in a parenthetical note that the quoted material had been obtained by a Bulgarian diplomatic defector, who had smuggled the sermon from Budapest to Hamburg, Germany, and then to this country. This pamphlet bears the rubber stamp impression "That FELLER FLYN", etc.

A G-2 estimate indicates that "WOMEN'S VOICE" which is published monthly in Chicago and has a circulation of 10,000 is "anti-semitic, anti-Mason, strongly nationalistic with an isolationist point of view on current affairs and personalities and is perhaps one of the most savage, perverted 'hate' sheets now in existence".

105-262-15

"Chicago Daily Sun Times" for 7/1/52 carried an article captioned: "KUPS Column".

Among the persons converging on Chicago for the Republican convention are members of the Smear-Set those poison pen pals who have been inveighing against General EISENHOWER with what the political veterans are calling the most scurrilous literature to blacken a presidential campaign since 1928, when bigotry reared its ugly head against [REDACTED]. Their objective is to "Stop IKE" at any cost, especially decency and truth and so clumsy and ruthless has been their course that they perhaps are best described by borrowing the title of VIRGIL PETERSON's book, "Barbarians in Our Midst".

Included in this Smear Set was Mrs LYRL CLARK VAN HYNING of Chicago, who is conducting what she terms a "holy crusade" in the "WOMEN'S VOICE".

The week of April 20th -- Chicago, Illinois -- [] is ready to commence a grand jury investigation immediately, and can do it on one day's notice. The following is taken from RUOPP's speech:

"We the Mothers, Mobilize for America, Inc." This group is headed by Mrs. LYRL HYNING of Chicago and has its offices at 537 S. Dearborn Street. It has several chapters in various neighborhoods of Chicago.

This organization has been the rally point for practically all dissident "Mothers" groups in every part of the country. At one time they boasted of the fact that they had various "Mothers" groups organized in 32 states.

The organization is anti-Semitic and isolationist in character. It has been extremely obstructive of the war effort, advocating non-compliance with OPA regulations. It has conducted an organized campaign to undermine civilian morale by capitalizing on the grief of survivors of American seamen and sending out letters to grief-stricken parents of war heroes, indicating that their sons have died in vain, and that the war is being unnecessarily waged. They have been particularly vociferous in demanding a negotiated peace and an immediate cessation of war. They have had associations with almost every known anti-Semitic group in the country.

The Chicago Committee of the Northern Friends of the South, assembled in Chicago during the Democratic National Convention in August.

This group emerged under the leadership of JOE MC WILLIAMS, whose violent street-corner harangues in New York during the '30s, under the sponsorship of the Christian Front and Christian Mobilizers and other hatemongering elements then in vogue, gave him considerable notoriety.

MC WILLIAMS gathered about him in his so-called "Chicago Committee" such bigots as LYRL VAN HYNING of We the Mothers, Mobilize for America; [redacted] Chicago lawyer whose interest in extremist causes dates back to his sympathetic association with German-American Bund elements; and [redacted] who several years ago tried to promote Hitlerism in Minneapolis.

b6

"We, the Mothers, Mobilize for America," Chicago --- In an apparent effort to take advantage of the large ingathering of individuals who figured in the "We, the People" conclave, another Chicago outfit decided to hold a meeting. Sponsored by the

vitriolic "Mothers," lead by LYRL CLARK VAN HYNING, the gathering was scheduled for Sunday night, September 15th, after the adjournment of the "We, the People" affair. About 125 were in attendance. Along with expected tirades against the Jews, the government and other "offenders" -- speakers also lashed out at [] and "We, the People."

b6
b7C

Little of consequence transpired except for a discussion revolving around the possibility for holding like meetings once a week, instead of only once a year. Rallying point for this optimistic plan was [] one-time Illinoisan, who recently emigrated back from California after a five-year absence. The following information is set out under the caption "F. ALLEN MANN AND THE 'CHRISTIAN PATRIOTS CRUSADE,' HINSDALE, ILLINOIS":

F. ALLEN MANN, twenty-one year old from Hinsdale, Illinois, has in little more than a year developed into a prolific and exceptionally blatant proprietor of hate through his small but vociferous "Christian Patriots Crusade." MANN disseminates a monthly publication called "The Revere," along with special pamphlets and leaflets, all of which have been violently anti-Jewish and anti-Negro. In addition, this young newcomer in the hate fold frequently lashes out against public officials, including the President, calling for impeachment and prosecution for alleged offenses. Several weeks ago, he reproduced and circulated an exceptionally

105-3357-1A4 (cont'd.)

revolting, modern-day version of the "Jewish Ritual Murder" canard, based on three highly-publicized Chicago murder cases. This piece of filth originally emanated from the well known "We, the Mothers" of Chicago.

were represented at this meeting.

[redacted] the AIL report dated 10-6-59. b7C

The report reflected that on 9/18,19 and
20/59 "We, the People", held its annual convention
at a loop hotel. On several occasions in the past,
featured speakers and members of the audience have
been identified as proponents of hate in America.
The 1959 gathering was no exception. Some of the
groups were known to meet behind closed doors to
repudiate the "sugar-coated" utterances of "We, the
People" in failing to get down to real cases, namely
"the Jews." Among those present who were somewhat
disenchanted by the "We, the People", endeavors
was a group from Chicago's "We, the Mothers".
